## Let the Games Begin!

As we welcome you to this showcase of some of the most outstanding teams and individuals in Michigan interscholastic athletics, it is important we remind them and you of the value that comes from a broad range of experiences at the high school level.

With very rare exception does specializing in one sport at the high school level benefit a student academically or athletically.

Overwhelming is the evidence that students who participate in *several* school activities do better in school and are more successful in later life.

This sport should be viewed as but one offering of an expansive buffet of opportunities that communities provide their students through interscholastic activities. This view will enrich your student's lives and, in doing so, nourish your community for another generation.

MHSAA Executive Director

2. On the bottom of the competitor number is a computer generated tag which contains the competitor's number, name, school, and grade. **Do not write on or pin the bottom portion.**
3. There will be **no coaches' meeting**, but the registration area will serve as an information center throughout the day. However, a time slot is allowed for a meeting in case of emergency.
4. There are **no scoring envelopes** to turn in at the conclusion of a race.
5. Results can be picked up at the information table 15 minutes after the conclusion of each race. **You must present the enclosed result ticket to pick up your results.** Results can be picked up at the parking lot side of the Club House, lower door.
6. Numbers go on the **front** of the jerseys.
7. T-shirts and sweatshirts will be on sale throughout the entire meet. No pre-orders this year. Rain checks will be taken if shirts sell out. They will be sold out of the Coke Trailer.
