

## 2 SCOUTING REPORTS - 1991

A summary of each of the 590 's MHSAA State Final Meets is given. Those scorers that graduated are listed first, then any athletes that have will complete in another class this year. Those scorers that return for this season are listed in a darker type, followed by any athletes that qualified for the state finals and did not score. Athletes that have moved from another class will be listed, those that scored in another class, before the non scorers, those that did not score after.

At the beginning of each class is a list of schools that have changed class, either from or to that class.

### CLASS A
