# **NO CLEAR CUT FAVORITE**

**By Bill Rogers**

For the first time in seven years, there will be no clear-cut favorite for the team championship when many of the finest track and field athletes in the Midwest convene for the 59th running of the Mansfield Mehock Relays, April 19 and 20.

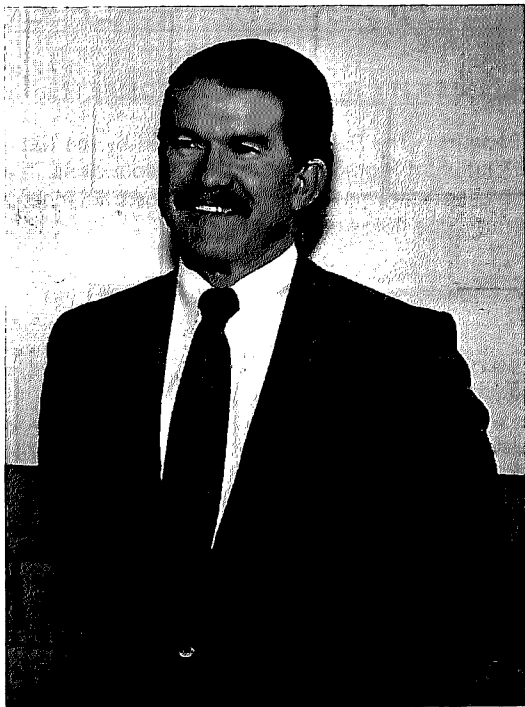

Could this be the year an Indiana team returns to the victory podium? Not since Gary Roosevelt captured the big trophy in 1983 has a Hoosier squad been top dog, but Indianapolis North Lawrence might have the necessary depth to sidetrack Dayton Dunbar's attempt at a third consecutive championship.

Runner-up to Dunbar last spring, Indianapolis North Lawrence then knocked off Gary Roosevelt to win the Indiana State Meet, snapping Roosevelt's string of nine consecutive state meet titles.

Dayton Dunbar, Ohio's Division I champion, will feature a strong team once more, but it won't have 1990 High School track Athlete of the Year, Chris Nelloms, who now attends Ohio State University.

Ready to step up as the "prime time" individual will be Tyrone Wheatley, Dearborn Heights (MI) Robichaud's outstanding sprinter/long jumper/hurdler. The prep All-American football star will be vying for his third consecutive gold medal in the 100-meter dash, as well as a repeat long-jump title.

High jumpers and pole vaulters will be elated to learn the jumping area and vaulting runway at Mehock Field have been resurfaced. Spirited, top-notch competition is expected in both events, with the individual champion in each event returning to defend his crown.

**RELAYS DIRECTOR - Doug Castle, in his 13th year as meet director, has been associated with the Relays for twenty-five years. He is a Mansfield native and a graduate of Marietta College and Akron University. In addition to his duties as Relays Director, Doug serves as the Principal at John Simpson Middle School.**

The Relays committee is privileged to extend to your school a cordial invitation to compete in the 59th renewal of the Mansfield-Mehock Relays which will be staged April 19-20, 1991. This independent interscholastic classic will be staged at Malabar Middle School's Mehock Field Track.

This booklet contains general information concerning the 1991 Mansfield Relays, results of the 1990 meet, all records, time schedule, awards, special regulations and other data. Entry blanks accompany the booklet.

The relays committee believes the success of this meet is directly traceable to the fine schools, athletes and coaches who have appeared here each year.

The 1989 renewal drew 154 high schools from five states: Ohio, Michigan, Pennsylvania, Indiana, Kentucky and Canada. Eighty-two of the schools were from outside of Ohio. The field numbered 1150 athletes. The addition of New York state to the field should bring further excitement.

**ELIGIBILITY AND RULES OF COMPETITION**

**Sanction** - The Relays are sanctioned by the National Federation of High School Athletic Associations. Teams from out of state may participate if they are not more than 300 air miles from Mansfield one way.

**Deadline for Entries** - Friday, April 12, 1991

**ONLY SPIKES NOT EXCEEDING ONE-EIGHTH INCH MAY BE WORN ON THE ASPHALT SURFACES.**

However, if the athlete desires to wear rubbersoled shoes that is his privilege. The athlete's shoes will be closely checked and if the spikes do not meet the requirements, they will not be able to use them.

**DO NOT BRING STARTING BLOCKS. RELAYS WILL FURNISH THEM.**

**Eligibility** - All boys participating in the meet must be certified eligible by their high school principals. Eligibility list must accompany entry forms.

**Out-of-State Schools** must adhere to their regulations where there is a differential between the standards set up by Ohio High School Athletic Association.

**Restrictions - Boys' Track** - A participant may compete in a maximum of four (4) track and field events. The four events may be any combination of track and field events, including relays, or maybe four track events or four field events. The foregoing regulation applies to one and two day meets without exception.

**Uniform Rule** - The track and field uniform consists of a school issued jersey and shorts, which are not objectionable, and shoes, which may be supplied by the contestant. Any other visible apparel must be of a single color and worn under the uniform jersey and shorts. When other apparel is worn under the school uniform, it shall be of the same color for all teammates choosing to wear them.

## **PUBLICITY**

Cooperation of competing schools is of vital importance in the successful development of publicity for the Relays. Please send pictures (you can probably get them from your newspaper) and stories concerning your top athletes. We need individual records of your stars for release to wire services and other newspapers. Urge the publicity department of your school to send all available information to Doug Castle, Relays director.

## RELAYS STANDARDS

For years, the Mansfield-Mehock Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, West Virginia, Indiana and Canada.

The ever-increasing entry list prompted consideration of establishing minimum standards to insure peak performances from those athletes qualifying under these standards.

Individuals entered by the coaches must have achieved the standards in their event sometime during his high school tenure to be eligible for participation.
