1992 FINAL LISTINGS

---

This is the final listings of the 1992 track & field season. The weather and lateness of Easter and Spring breaks certainly had an affect on performances. Weather at the state finals limited performances that day.

The listings with \* indicate the performance was at the state finals. The @ indicates the performance was at the Meet of Champions, Indiana, Illinois, Ohio & Michigan. There were still a couple of indoor I performances still listed, and c indicates the performance was in yards and converted.

It was ~~rainy~~ spring. I helped coach basketball at South Bend St. Joe and track at St. Mary's College. Then in the spring went outdoors with both of the teams. Didn't do the state meets this year, but did our local County Meet.

The Polish Falcon Clubs of America have national games/convention every four years. This year they are at St. Mary College/Notre Dame. I am one of the two incharge of their track meet. The group sponsors these national games in track & field, basketball, volleyball, gymnastics. They have additional activities for youth at their local "nests." Age divisions start with age 10 and go up to open adult. It seems like a nice program and is great to see a group like this running activities like this.

Many thanks to all those that helped with the listings. Several coaches were willing to regularly send the listings from their local papers. The only way we are able to compile the listings is with your help. Thanks. HOpe that you had a good spring and have been enjoying your summer. I just finished taking some classes last week, and will begin cross country in another week. Where did the summer go.

Have a good year and hope to see you around this fall if you coach cross, or at MITCA nekt January.....
