

# Seton Bovee Meet is set for tonight

**COLDWATER** — The 12th Annual Seton Bovee Branch County Area Best Track Meet which is sponsored by Wal-Mart will take place tonight at Coldwater High School's Cardinal Field.

The lineups for the meet have been set and the tourney will begin with the field events at 6 p.m. with the running events to take place upon completion of the field events or at 7 p.m.

The coaches from the five Branch County area schools, including Quincy, Bronson, Union

City, Tekonsha and Coldwater, met at the Daily Reporter on Friday evening to determine the lineups for the prestigious individual tourney.

The tournament features the best male and female track stars from the area. Each event is limited to the top eight individuals in each of those categories who performed at the best time or distances. If there is a tie for eighth spot, more competitors can compete in the field events.

However, not all of the best

athletes will be performing. Some athletes prefer to enter one or two events, while others may be trying to nurse injuries so they can compete in the upcoming state tourney.

If one of the top eight athletes cannot perform in an event, everyone moves up a notch and the person who had the ninth best time or distance moves up to eighth, etc.

Tickets are \$2 and will be sold at the door.

## For the record

### TRACK

As of May 21  
Starting lineups for Wednesday's Seton Bovee Branch County Area Best Track Meet sponsored by Wal-Mart which will be held at Coldwater High School at 6 p.m.
