Athletes and Coaches,

All in all it was a very good performance. Congratulations for a job well done. It was a pleasure to meet and work with you all and I sure you will always remember the whole experience.

I have enclosed the meet results. This are not the way I would normally do them but I am on a tight time schedule to get ready to go to New Orleans for the Trials so they will have to do. The official results were not very good (hardly legible) so I transfered the times and places to heat sheets. My wife helped alot with this also.

Thank you to everyone for your help and participation and may I wish you all much luck in your future running endeavors.

For the Michigan Midwest Staff
Sincerely Yours,

Rich Tompkins
