PREFACE

The curtain falls on yet another track season. Each year they seem to go by faster and faster. This year was no different. From the days we trained outside in a snow-plowed parking lot next to a snow-covered track, to the days of counting up the final scores of another successful outing, to the times we looked back on previous experiences in earlier years, the track experience is one of growth and learning. It is a time of discovery, a time of observing first-hand our own mental and physical maturation process. And, the time passes quickly!

We will all remember a small "something" about this season. It is now a part of our past that will influence our future. It will be a small part of our memories of youth. The good, the bad, the frustrating moments, the hurt, the exhilaration, the nausea, the smiles, the frowns, the competition, the friends and the attitudes will be with us forever. It is important that we take all of these and have them work in our favor.

What can I say about the season? My goal has always been to have a team that is as proud of me as I am of them. To compete honorably, to respect our opponents and strive to have our opponents respect us has been our team's philosophy. People outside our circle have high expectations of Southfield track teams. Their expectations only make us stronger and our performances only reinforce their expectations. This team did not let anyone down!

We learned many new lessons during the season. Some of them weren't so easy to learn, some of them made us feel good, some of them made us feel uncomfortable and all of them were well worth our efforts. As I say "good-bye" to another season, another team, I feel confident that the lessons we learned and the experiences we had will influence us positively in the future. The lessons of mutual respect, pride in honest work and pride in each other are lessons best learned by doing, not by observing. We all did it.

Oh, by the way, this booklet contains numbers compiled by individuals on our team during the course of the season. They should help us understand where we were, where we are now and what we accomplished statistically. "Won-Lost" records are secondary to the real reason we are here participating. What is really important is the spirit in which we just gave chase. The first page of this booklet says much about our priorities: "Things won are done; joy's soul lies in the doing."

Good luck to all of you. Wherever the future may take you, I shall always point my whistle in your direction, and you will always react with everything you have!

THE SOUTHEASTERN MICHIGAN ASSOCIATION

The Southeastern Michigan Association first sponsored track & field competition for boys in the spring of 1964 with six member schools: Berkley, Ferndale, Hazel Park, Southfield, Royal Oak Kimball, and Birmingham Seaholm. In the spring of 1981, Troy and Bloomfield Hills Andover joined the original six schools forming an 8-team league. Team competition for girls began in the spring of 1975.

VERN LABENNE AWARD

The Vern LaBenne Award is presented each year to an athlete who has shown loyalty, dedication, and exemplary leadership in the track and cross-country programs of Southfield High School.

The Award is named for 1960 cross country captain Vernon LaBenne. After his tragic death in 1963, Vern's family donated a trophy in his name to Southfield High School. Each year a deserving athlete or athletes is honored in Vern's name. This year, the award goes to 4-year track and cross country athlete Meldon Street. We wish Mel success as he continues his education next fall at the University of Michigan.

ACKNOWLEDGMENTS

I am grateful for the continuing support of the many individuals within the Southfield High School community. Efficient management of our track team would be nearly impossible without such support. These people make the hours we spend preparing for competition worthwhile.

Specifically, I would like to recognize our assistant coaches Mark Pajot and Kathie Nichol. They know first hand how our teams grow each season, and take pride in working with our kids. My family, who has grown up working meets in Southfield Stadium and cheering for our Bluejays on the road. The parents of our athletes who well know that in track & field, 'nothing is ever as good as it seems and nothing is ever as bad as it seems.' The faculty, counselors, and administration of our high school who have laid the foundation for our kids to participate positively in the many extracurricular activities we offer. And finally, the many friends we have made over the season ... athletes, coaches, officials, and administrators from around our county and the state of Michigan. They help us grow to be responsible citizens and teach us the positive lessons of mutual respect
