# "Ode To Track & Field"

The greatest monument to man  
Is this -- he's done the best he can.  
And if that isn't quite enough,  
And if the edges still are rough,  
We know the best that life can yield  
Is found here on the track and field.

You work and sweat and do your best  
To raise yourself above the rest,  
And hope that you can then succeed  
And finally then, fulfill your need.  
You try to get your muscles healed  
To do your best in track and field.

But then in spite of all you do  
It's not enough to see you through.  
Your plans are dashed down on the ground,  
You look to see if friends abound,  
And if they doubt, your will is steeled  
To then excel in track and field.

The will to win is dominant,  
The other pleasures you recant.  
You work so hard, you drive yourself,  
Imagine trophies on the shelf.  
You're then the fish desire has reeled  
Upon the rod of track and field.

If sometimes what you do goes bad,  
You recall all the friends you've had.  
The best that falls to you and me  
Is found in that fraternity  
Of love and trust and closeness sealed  
There in the sport of track and field.

# THE SOUTHEASTERN MICHIGAN ASSOCIATION

The Southeastern Michigan Association first sponsored track & field competition for boys in the spring of 1964 with six member schools: Berkley, Ferndale, Hazel Park, Southfield, Royal Oak Kimball, and Birmingham Seaholm. In the spring of 1981, Troy and Bloomfield Hills Andover joined the original six schools forming an 8-team league. Team competition for girls began in the spring of 1975. This year, 1994, marks the last season of competition for SMA schools.

# 1994 VERN LABENNE AWARD

The Vern LaBenne Award is presented each year to an athlete who has shown loyalty, dedication, and exemplary leadership in the track and cross-country programs of Southfield High School.

The Award is named for 1960 cross country captain Vernon LaBenne. After his tragic death in 1963, Vern's family donated a trophy in his name to Southfield High School. Each year a deserving athlete or athletes is honored in Vern's name. This year, the award goes to 4-year track and 2-year cross country athlete Brian Harris. We wish Brian future success as he continues his education.

## ACKNOWLEDGMENTS

I am grateful for the continuing support of the many individuals within the Southfield High School community. Efficient management of our track team would be nearly impossible without such support. These people make the hours we spend preparing for competition worthwhile.

Specifically, I would like to recognize our assistant coach, Kathie Nichol. She knows first hand how our teams grow each season, and takes pride in working with our kids.

Next, my family, who has learned many positive lessons from participating with and following our Bluejays.

And also, the parents of our athletes who well know that in track & field, 'nothing is ever as good as it seems and nothing is ever as bad as it seems.'

As well as the faculty, counselors, and administration of our high school who have laid the foundation for our kids to participate positively in the many extracurricular activities we offer.

And finally, the many friends we have made over the season (and years) ... athletes, coaches, officials, and administrators from around our county and the state of Michigan. They helped us grow to be responsible citizens and reinforced lessons that follow from mutual respect.
