# FIERCE COMPETITION

By Bill Rogers

The Mansfield-Mehock Relays is an annual track/field event steeped in tradition. If you are a coach planning to bring a team to Mansfield for the first time, prepare your boys to face fierce competition. The best athletes from a seven-state area and Ontario, Canada will be here.

Almost from its inception in 1927, this inter-scholastic classic has proven to be a spring-board for budding world-class athletes. Early-on, the Relays showcased future Olympians such as Jesse Owens, Dave Albritton and Harrison Dillard.

Next came the great hurdlers of the 1950's and '60s - Hayes Jones, Warren Cawley, Willie Davenport and Glenn "Jeep" Davis, all Olympic champions. Although Mark McCoy, 1992 Olympic high hurdles champion from Canada, failed to win here, his famous teammate, Ben Johnson, was victorious in three events in Mansfield.

And the beat continues on today, with former Relays champions such as Chris Nelloms, Todd Williams, Rob Kennedy, Glenn Terry, Dion Bentley, Atlee Mahorn (Ca.) and Duaine Ladejo (GB) making their marks on the international scene.

We have a great two-day meet. And remember, we provide lodging accommodations with private families for teams traveling more than 150 miles. These accommodations are also offered to all athletes competing in first-day events. This includes free lodging Friday night and breakfast Saturday morning. See you in Mansfield, April 15 and 16!

## RELAYS STANDARDS

For years, the Mansfield-Mehock Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, New York, West Virginia, Indiana, and Canada.

The Ever-increasing entry list prompted consideration of establishing minimum standards to insure peak performances from those athletes qualifying under these standards.

Each individual entered by the coaches must have achieved the standards in his event sometime during his high school tenure to be eligible for participation.

**PUBLICITY**

Cooperation of competing schools is of vital importance in the successful development of publicity for the Relays. Please send pictures (you can probably get them from your newspaper) and stories concerning your top athletes. We need individual records of your stars for release to wire services and other newspapers. Urge the publicity department of your school to send all available information to Doug Castle, Relays Director.

**RUNNERS WILL BE DISQUALIFIED ON THE FIRST FALSE START!**

It is a false start if a runner fails to comply with the starters' commands, or if a runner is in motion after the command "set", or if a runner leaves the mark with a hand or foot after the "set" instruction but before the pistol is fired, or if a runner leaves the mark without the pistol being fired. THE OFFENDERS SHALL BE DISQUALIFIED.
