VOL. VII NO.3

listings through April 23, 1994

This is the first attempt at putting a listing together for the 1994 season. the outdoor events are sketchy. We have the listings from St. Joseph, and Bay City. If your paper has an area listing please send a copy. The boy's listing is not as complete as the girl's, ran out of time. The girls listing indicates those that scored (3), qualified (p), or were additional qualifiers (@) for last year's state finals before the name. We will get the boy's listing cought up for next week.

This has been a busy and hectic year for me. My father was sick most of last summer and fall, and died in early December. My mother lives in Lansing along with my brother. About the time we got things settled down, my brother had a heart attack on Easter Sunday, having bypass surgury a week later. Mary and I have been making a lot of trips to Lansing the past few months. Add that to the normal teaching, coaching and then getting the listings out.....

Hope you are having a good season. Since I coach in Indiana now, they do not run many meets together, it really keeps me hopping. We are having a good season, althoug today the Boy's city meet was rained out, but the big girl's relay meet ran in the rain.

If you host an invitational or relay meet, please send the results. We hope to keep a listing of the traditional relays, including the multi-person field event relays.

TRACK RESULTS depends on your help to receive information for the listings. You can call or mail the information to:
