

Melanie Denton, a freshman at Sandusky, set a personal-best time of 20:02 to take third place at the Thumb Area Meet in Caro on Saturday. Earlier in the week, she was third at the GTC East cross country meet.

Brown City's Rawley Weaver made all the work on the course payoff last weekend by placing second in the State in Class C golf. Weaver, a senior, shot a two-day score of 146 on Lansing's Forest Akers East Golf Course.

Roberts liked the times turned in by all of her runners this week, but wasn't in awe. She explained, "That doesn't surprise me at all because they are suppose to peak at this time of the season.

Sophomore Jennifer Pallas followed Denton with an eighth place time of 21:26. Close behind were Amy Kreger (14th, 22:02), Frances

Cilluffo (15th, 22:05) and Becky Tribula (17th, 22:08).

Deckerville had two medal winners (top 25 places) at the meet. Shelly Park, an individual State Finalist a year ago, was 23rd and Allison Nichol was 25th.

This week, the 'Skins Adam Hansen moved up to join teammates Jacob Grice (2nd, 16:41), Shane Higgins (3rd, 16:51) and Brad Kelly (5th, 17:18) among the top overall finishers. Hansen, a sophomore, placed sixth in 17:27. Another eye-opener for Roberts was the performance of junior Ryan Brown in the JV race (1st, 18:02).

"There's two people that really showed me something this week," praised Roberts. "Hansen is really heading in the right direction. And, Ryan Brown has really improved his performance. I look at his time and I'll have to do some deciding." Roberts was referring to choosing his seven runners that can compete in the regional.

Also at Caro, Joel Nesbit was 19th, Jon Lentz was 24th, and Chad Parrent was 26th for the Redskin varsity squad. Bobby Miller was second in the JV race, 15 seconds behind Brown.

Marlette has hopes of finishing behind Sandusky and Valley Lutheran in the team standings this Saturday and also qualifying for State.

"It's really up for grabs," said Keith Bonesteel, Red Raider coach. "There's about four teams that should fight for that spot. I definitely know we're in the running. It just depends on who wants to show up and run."

Reese, Capac and USA are likely to battle with Marlette for the final spot at the regionals.

The Raiders had a strong performance from sophomore Aaron Leveille, placing seventh in 17:34. David Bechard won a medal for placing 23rd.

Brown City's Jeff Martus placed ninth and Cros-Lex's Jon Shell and David Pearson were 10th and 18th. The top 25 runners earned medals.
