NOTE: Official results show the next three places as:

6. Matt Jackson (Troy Athens) 1:57.03; 7. Kareem Manley (Pontiac Northern) 1:57.87; 8. Tom Haapala (South Lyon) 1:58.70.

However, video of the finish clearly shows another runner, not included in the results, crossing at the same time as Jackson. Manley, given 7th place, is clearly 8th. Haapala is given a time 0.83 seconds behind Manley, but the 9th-placer crosses a step later, meaning the actual differential should have been a tenth or so. This matches with the autotiming notes, which gave 1:57.98 for 9th place.

Times behind Manley:
