Rats of the Meet

Alexis Fear-3 PRs on the day (100H/300H/200) near Regional cut in 300H!

Nicole Chisolm-PR in 300H (1st), TPR in HJ (4-7) and PR in 200.

Christen Oberdoerster-1st in both Shot/Disc; leads the PR pack in the throwing crew-6 PRs on the day!!

Comments This meet was a GREAT one for us for a number of reasons:

First: it gave many of us a chance to contribute to team goals by stepping up (we didn't run our top 11 point scorers). Someone needs to pick up the slack, and today we did it! It was exciting to see many of you earn points for the 1st time! It is not often that you can win a track meet while losing all 4 relays, but our depth as a Class A school prevailed!

Second: it shows us where we are the most needy for future years-distance (no entry in 1600 or 3200), Pole Vault, sprints (only one athlete in 100 and 2 sub 30s in 200). We need to develop NOW!

Third: another chance for us to compete and race. Results are fine, we should win against Greenhills, but we are most pleased with how you *competed*! That is the life lesson which is most important! Great Job Rats!
