Andy Thorson(10)-4:30.2, Brendan Robinson(11)-4:27.1, Andy Marsh(12)-4:22.9, & Jacob Crowe(12)-4:23.7 The guys were entirely self-motivated. 2nd place was over 90 sec. back.

Andy T. should be added to your 800 list at 1:59.9 for the same Jackson double dual that produced the other outstanding times. By the way, all were on their second race, except for Andy T. , who was running his third of the day.

Tuesday 4/25/00 Jacob and Andy M. hooked up in a remarkable 1600 on our track in a dual meet w/Waverly. Working together against a substantial headwind on the homestraightaway, they posted a pair of outstanding times in their first-ever competition at this distance. Jacob broke Harold Cody's 1974 school record of 4:20.1 w/a time of 4:17.4 and Andy also bettered the old mark w/his 4:19.9.

I truly feel blessed to have the good fortune to be working w/so many talented young men.

Talk to you soon,

Actually I believe it was recorded as 17:44.0. Hastings is notorious for being somewhat unconcerned about tenths of a second in this particular relay. They recorded our previous record from the year before in even seconds, also. I actually had 17:43.9 on my watch.

The 41st Newberry Elks Invite was held yesterday. There were some good performances, Steph Robiadek of Cheboygan 5' 5" and Sarah Duesing of the Sault 5' 3". The girl's discus saw a good battle with both of the leaders hitting the 140' line on their 6th throw [and both fouled] - with Jan Benton of Cheboygan beating Mandy Bishop of Pickford. There were several double winners - Lauren Fairbanks of Rogers City ran 2:28 and 5:30; Eryn Mercer of St. Ignace ran 13.0 [into the wind] and 27.3; Kristen press of the Sault won both hurdles in 17.6 and 48.2. For the boys, Jordan Wilcoxon of Engadine won the 100 in 12.1 and the long jump in 19' 2.5"; Matt McNamara of Newberry took the 800 in 2:01.7 and the 1600 in 4:37.9 and he ran on the winning 160 relay; and finally Eric Rocker of Newberry won the 200 in 24.0 and the 400 in 53.0 and he ran on the 800 and 1600 relays.

In the team results, a small upset on the girl's side as Sault Ste. Marie slid past Cheboygan, while on the boys side Newberry knocked off Munising.

St. Ignace Kiwanis invitational today -

Shawn Anderson 177' 10" [he threw the girl's disc over 250' in warm ups just for fun], he tossed the shot over 57' , but I would have to go upstairs for the exact distance.

Nothing else great today.

This week - Inland Lakes Twilight Meet [Friday night] and the Munising Lion's Invite [Saturday, boys only]

At the Stockbridge Invitational on May 5, 2000 in which 18 teams competed, Nelson DeFord (sophomore at Haslett High School) set a new meet record (breaking also a school record held since 1958) in the 200m dash in a time of (22.1) for first place. He also won first place in both the 100m (11.14) and in the 400m (49.99). He also anchored the 1,600 relay team to a first place with a team time of (3:30.65)

Nelson was voted by the 18 team coaches as the "Outstanding Athlete" of the meet with his four first places.

Teams competed: Addison, Albion, Chelsea, Clinton, Columbia Central, Dansville, Dundee, Fowlerville, Haslett, Jonesville, Leslie, Perry, Onsted, Pittsford, Stockbridge, Whitmore Lake, Williamston, Western.

Nelson has the fastest times in the Lansing's Area "Honor Roll" for track in the 200m and the 400m and is in the top 10 for his time in the 100m. Haslett's 1600 relay team time is the 5th fastest in the Honor Roll as well.

I am getting a great deal of positive feedback from varsity and middle school parents relating to their visit to your web site. It really has become the place to visit online for track athletes and parents.

My vaulters were thoroughly impressed with the Ludington 8th grade girl vaulting 9'1" and the Rockford girl running 2:29 for 800m. It adds excitement to the sport and gives my girls team members a view of what can be done with hard work and dedication.

Thanks,

Just to let you know I ran 6:43.1 for the 2000m steeplechase at the Dayton Roosevelt Inv (2nd place).. I know Gar Eddings is still ahead of me (6:18) and someone from Southgate Anderson was about 6:45, but as far as I know no other MI 10th graders have run that fast (not like it's any huge accomplishment). Of course there were other much greater accomplishments at the meet (ie Ritzenhein) but you might want to update the meager state s/c lists.

-Steve Mance

PS-I know another sophomore, Gordon Shine of Mumford, also ran the race but I am unsure of his time or placing.

I enjoy checking out your list. Even though I am always checking for my daughters name I will try to inform you of others if I get them. I don't always see all the events because I usually am watching my daughter. I did let our coach have my copy of your track book to browse. Maybe we can get more people from this area to forward good scores. I do subscribe to the Grand Rapids Press but have been working late and only reading it a couple nights a week for results. I can tell you spend many hours compiling these results and wanted to let you know I think you are doing a great job.

The kids in my desktop publishing class are typing results from four papers: the Marquette Mining Journal, the Sault Evening News, the

Escanaba Daily Press and Houghton Mining Gazette. I am working on the editors from Iron Mountain and Menominee for more reports.

Girls Discus:

Newberry Elks Invitational, April 29, 2000

Jan Benton, Cheboygan, 121' 11"

Mandy Bishop, Pickford, 112' 2"

both of them are going to go much farther later this year.

Negaunee Quad, May 2, 2000

Emily Anderson, Marquette, 11th grade, 11:12.6

Katie Anderson, Marquette, 5:24.6 Katie out kicked her sister,
they do race at the end.

Emily Anderson, Marquette, 5:24.9

Katie Anderson, Marquette, 2:28.3

It was the Marquette girl's first outdoor meet of the year, no one will run against them. Their conference runs boys and girls separate, the runners had very little recovery time.

Kingsford Triangular, May 2, 2000

Brian Branam, Escanaba, 12th, 51.7

[no girl's results from this meet as of yet]

Escanaba Dual, 4/27/2000

Krista O'dell, Escanaba, 12th grade, 11:38.9; and 5:16.9

Pole Vault -Kristin Pearson (Escanaba)- 9'6"

I have a triple jump from the Florence [Wis] Invitational, April 25, 2000 [unfortunately I only have the first place efforts]:
Hawkinson, Norway, 37' 2.5"

Finally in the for what its' worth column, Newberry has four guys over 130' in the discus [3 juniors and one senior], the juniors can't wait for Shawn anderson to graduate. We will get to see Shawn Saturday at St. Ignace. St. Ignace is a 4 hour and 15 minute drive from Ann Arbor, hint, hint, ...

Hello Jeff,

My name is Derek Denham, I've a sports writer for the Citizen's Post in Pontiac, MI.

Just wanted you to get the scoop on an up and coming athlete in our city. Daymond Hamler a
sophomore at Pontiac Northern High school is started to make some noise. On May 2, 2000, this
speedster won the 100 meters in 10.96 seconds, he won the 200 meters in 22.5 seconds and also
helped his team win the 800 relay in 1:32.12 and the 400 relay in 42.8 seconds. This kid's only
loss came to Southfield's Roland Burks in the 100 meters. The track meet I'm referring to was
Clarkston High against Pontiac Northern that took place on May 2. Also Daymond is a cornerback/kick
and punt returner for Northern's Varsity Football team.

If you have any questions please contact me at Derekpauldenham@aol.com

Thanks again for your time,

Derek Denham

Ryan is a seventh grader at Midland Northeast and he hopes to run under 5:10 by the end of the season. He's really fun to watch because he is very physically immature but runs like a gazelle.

Hope things are going well for you with your teaching and keeping up with all the track and field news this spring. Take care!

i am glad that my life right now is not quite as interesting as yours. however, i do remember one time up north at my cottage on burt lake watching one of my neighbors canoes go flying by my picture window, as well as a camper top, and various other things. how all those items managed to miss all of the cottages is beyond me although the canoe did end up inside one of my neighbor's cars by going through the driver's side door/window if you can believe that.

now to the important stuff. i tried to refax the mott/carman relays yesterday but was unable to get through. i did successfully fax them this morning (i think). the first time my fax disconnected from yours but i think the second try made it through. as the note at the bottom said, if you didn't get them, let me know and i will mail them to you. maybe our fax machines thought you had gone through enough lately and decided to co-operate.

also, in monday night's junior high meet. Tiara Jordan an 8th grader at flushing junior high ran 13.5 for the 100 meters into the wind. i had her a little faster than that on my watch but i think our paid timers are going on sound and not smoke. she later came back with a 28.1 in the 200 and again, i had her a little bit faster than that. she was again finishing into the wind. she could help my varsity team right now.

also, in last night's meet 10th grader tricia sartor cleared 9' 7.5" in the pole vault.

ps: i am sure that you are putting as much time and effort into your classroom as you are in to michtrack which means you will also be a great success in the classroom as well.

Dear Jeff:

Hey Buddy, you do not have to explain to anybody for not updating the lists. As busy as you are, even having lists half as good as you do is AMAZING. You do a FABULOUS job. I am sure ALL the coaches in michigan appreciate you very much.

Please add Mike Whitmire's updates run tonite at Flushing in a Big 9 Tri of 10.94-100meters, 22.53-200meters breaking his Dad's (Gary) 1968 record of 22.60, and a 51.46-400meters.

Thanks again for all you do for Track and Cross Country. I can't wait for your next yearbooks.

Take care.

Mr. Hollobaugh,

I'm an athlete at Farmington High School, and I thoroughly enjoy your listings. However I've found one flaw, you managed to put Farmington Harrison on the list with a 43.0 in the 4x100m relay; well, we ran a 43.0 that same race (Observerland relays, May 6). It may seem funny, since they got first place, but I can assure you (since I did anchor our relay team) that Kevin Woods (FHH anchor) crossed the finish line a mere 3 inches ahead of me. With the rounding, both teams were timed at 43.0, so I would appreciate it if you could check with the meet official to get those results. (or I suppose you could take my word for it, because it's not like I'd lie about this)

Thanks a ton for your consideration, and keep up the good work!!

Jeff,

Our city meet came down to a "winner take all" 4x400, all three teams were within 2 points. Harrison ended up winning the meet. The final score was HHS- 61, NFHS-58, FHS-56...it was quite a meet.

4x100- Farmington 43.1

4x200- Farmington 1:30.8 *we finally beat Harrison in both 4x100 & 4x200

High Jump- Layne Bodily, Farmington 6'4"

300 IH- Nick Hall, Harrison 40.1

Jeff Frederick, Farmington 40.4

400- Anthony Beal, North Farmington 48.7

That should do it.

Thanks for all your efforts!

i am resending the junior high list below because i didn't see it on the middle school list updates. (i am assuming it is in your backlog but am resending in case i screwed up--which i still do with emails more often than i would like to admit).

also i will be faxing the results from mott relays and carman invite later today. we are giving the iowa test of basic skills this week to my sixth graders, we have a conference meet tuesday, an invitational on friday and i have to get my regional entries to our ad by wednesday. this week is a thorough test of my sanity.

jeff

here are a few middle school times for flushing junior high from last night's meet against carman/ains.

1600 amy glover 6:45 7th grader
3200 amy glover 14:24

high jump perkins 8th grade-- i will try and get a first name on her for you. 4'7"

also kaitlin root 8th grade at 4'3"

long jump 8th grader nina otero 14'5"
7th grader jessica hasman 12'9"

pole vault jessica hasman 7'
jenny ivanoff 7' 8th grader.

i will try to get the rest of the results, although i am unsure if she will send me carman's results also. if not, i will keep you updated on our girls.

thanks for all you do

Jeff-

I notice a few marks that are missing. I will go through my results to get a couple of specific marks that I know are missing and try to e-mail you one big update that you can print out.

for example-

Adelaine - Harbor Springs - threw over 40' and over 125' in the same meet last Thursday at Indian River, the results are at school

Lauren Fairbanks ran 5:22 and 2:22 in that same meet at Inland lakes, again the results are at school

We go back to Indian River - Inland Lakes tomorrow night for "Twilight Meet" under the lights. Last year we ran the 1600 relay at 11:18 and East Jordan eeked us out for are only loss of the 1999 season in the metric mile relay. We are in a race with Marquette to see if either one of us can be the first U.P. school to break 3;30 in the 1600 relay or mile relay - EVER - it hasn't been done.

Also Jacques Henning - Harbor Springs, Miccah Middaugh and Tarn Leach - East Jordan should put on an exciting show in the 1600 run. My guy Matt McNamara is dreaming of them pulling him along for 1300 meters. If Matt stays close, he should go sub 4:30. Matt split 63 earlier this year when he ran 4:37, so he is ready for a break through. In the 800, Matt is going to take Henning out in sub 55 if the wind is calm. Henning [who ran 1:56 last year] likes to come from off the pace, often times running negative splits. It should be exciting.

I understand that the other northern Michigan invite is at Johansberg. Pickford is looking forward to a rematch with Bellaire. The girl's side should be close, but on the boy's side Bellaire is stronger than Pickford in every event [except the high hurdles].

Other big U.P. Weekend Meets:
Munising Lions Boys invite is Saturday
Negaunee Lions Girls invite is Saturday [look for Marquette to go sub 10:00, three strong legs, and one so-so]

Katie and Emily ran their second outdoor meet on Tuesday [Quadrangular meet at Gwinn] but I think the paper got the results wrong, they had Katie winning the 3200 in 11:06 and Emily winning the 800 and 1600, that would be a complete roll reversal. I e-mailed the boy's coach at Marquette to get some details.

Great job as always,

John Carlson

here are a few of the times from last night't meet at our junior high.

tiara jordan 8th grader 100 meters in 13.2 and the 200 in 28.0. she also anchored the 4 x 100 to a 56.8. (she ran a long leg but was at full speed when she got the baton on her leg (with me timing from an elevated point her split was 12.3). our league has a no spike rule for junior high.

amy glover improved her 3200 time to 13:39.8. those were the only times i could get a peak at on the official sheet as they were hurrying the meet along to avoid situations like you had the other night. (i am still chuckling about your "whopper of an excuse".

we go to the lakeville relays tonight. i will try to get a set of results to either fax to you on monday or to email you tomorrow.

North Farmington senior Anthony Beal broke 49 seconds for the 400m at the Farmington Hills city meet on Monday. He ran a 48.7, beating his nearest competitor by almost three seconds. His time was good for a new school record, surpassing the old mark from 1966 by 0.3 seconds. What's more - he didn't even use blocks, and he made it look easy. Anthony is only a second year runner who, "came out of nowhere" to win the MITCA 300m this past winter.

Another promising sprinter who also broke a school record at this meet was Harrison sophomore Agim Shabaj, who won the 200m in 22.1 . Can't wait to see what he'll do the next 2 years.

Overall it was a very exciting meet, virtually a 3-way tie with only the 4x4 remaining. Shabaj held off a chasing Beal by less than a second to secure the win (3:27.9). It was only the 2nd time Shabaj had ever run the 400m. The girls meet also came down to the 4x4, and Harrison won that in a close one too.

Jeff- I just faxed the results from the Stafford Relays last Saturday. Not showing in those results is a 9' 10" Pole Vault Performance by Sarah Chzranowski (9) from Walled Lake Central. That beat her previous best of 9' 6" that has already been reported. I hope yesterday was better for you than Tuesday. I'm sure everyone will be pretty understanding about the lists not getting updated. You've got much higher priorities (like your family and home) to take care of. However, I think you've got us all addicted to having those stats to read. Who knows, if you hold out long enough, someone may get desperate enough to offer to support you and your family so you can just do your track activities (yes, this is stretching it a bit). Good luck with getting your house back in order and I'll look forward to seeing you at some of the big meets (the WLAA conference meet should be a close one on both sides).

Jeff, I hope everything is well, I was coming from our dual meet at Brother Rice when the storm hit, I then had to take a couple of kids home. I drove through four or five lakes that night. Anyhow, Julia ran a 58.81 hand time 400 meters. She did not run the 400 in Dayton because she said her legs are hurting. Her legs begin hurting again Tuesday while she was running the 400, it looked like she ran the last 100 in 18 or 19 seconds. She then ran the 200 in 27.99. She believes some medicine she was taking is responsible for the problems with her legs, so she will discontinue taking it.

Central, SW Academy coast to City track titles

Friday, May 12, 2000

There weren't many surprises in the City Series track championships Thursday afternoon, just good, solid performances from the athletes that were expected to deliver them.

As expected, Central controlled the boys' meet, scoring 118 points to repeat as champions. Northern placed second with 90 points, Southwestern Academy was third with 44 and Northwestern did not score. The girls' meet saw Southwestern Academy repeat as well, finishing with 107 points while Northern was second with 61, Central was third with 30 and Northwestern scored 28.

"They performed about how we expected," said Southwestern Academy coach Helen Jackson. "We had made some predictions about who would do what, and they came out about the way we thought they would."

The Knights started strong, placing first in the long jump as Sheena Loving went 15-feet-51²/₂, and took the first running event as well, winning the 3,200 relay (they were the only team entered) in 11:15.32. They went on to sweep all four relays and took 11 first places overall.

Ashley Cunningham helped set the pace for SWA, winning the 200-meter dash and running on the winning 800 and 1,600 relay teams. Charda Chaney also won three times, running on the 1,600 and 3,200 relay teams and winning the 800. Shelitha Alston was a double winner (winning the 100 and 800 relay) and Jasmine Smith took first in the 1,600 and 3,200 runs.

Northwestern thrower Sakeya Brown turned in a record-setting performance in winning her third straight City title in the discus. Brown, who is also a three-time city shot put champ, threw 127-7 to win that competition by more than 24 feet. The previous record was held by Northwestern and University of Michigan grad Starry Hodge, who threw 126-4 in 1985.

"I felt I did great, I've been trying to break that record for the longest," said Brown, a senior. "It's still not my personal best; in dual meets I've thrown 129. When I was in middle school everybody was talking about what I could do. I wanted to keep them talking about me. In ninth grade I took second and I was determined not to take second place in the City again."

Central's Sean Poole went a step beyond Brown in the boys' throws. Although he did not set a record Thursday (he set the shot put standard last year), he won his fourth consecutive shot put and discus titles.

"It feels good to win it four years in a row," said Poole. "I've worked hard to get this far."

Poole often provides the spark that propels Central to victory.

"The field events start first, so I get my points and we build up from there," said Poole. "I give them a little boost, a good start."

Actually, the Indians had multiple wins coming from the field events as Dorrice Cuning took first in the pole vault and Steve Belk won the high jump.

Cuning went on to win two other events Thursday as he took first in the 1,600 and 3,200 runs as well. Belk also racked up points in the 800 and 1,600 relays and Mike Lewis won the 400 dash and anchored the winning 1,600 relay team.

Northern's Justin Davis was also involved in three first place finishes as he won the 100 and 200 dashes and ran on the Vikings winning 400 relay squad.

The Indians proved to have too much depth for the competition though.

"Leaving Central, we told the guys every point counts," said Central coach Carlos Benton. "Every kid on our team - some that ran races for the first time - scored points for us. From the high jump to pole vault to the 800 and 3,200, they contributed."

"The kids stepped up and did what they had to do."

John Carlson sent a message metioning the Daily Tribune Area's Best list and that reminded me to send it. It isn't perfect, they got my 1600m time wrong :(, but it is a good outlet for local track to get some exposure. The paper covers schools in south-east Oakland County (Royal Oak and Troy area) and is updated every Friday. Something I found interesting was that atleast 4 of the top 5 3200m runners are sophmores (I don't know about Troy Brinkman of Troy HS). I find that odd considering that this event usually takes alot of experience and I'd excpct more 11th and 12th graders. I guess it's just a vintage year ;)

Rice, Southfield win West Bloomfield titles
May 14 2000 12:00AM By By MARVIN GOODWIN Sports Reporter-oakland press

WEST BLOOMFIELD TWP. - Birmingham Brother Rice just wanted to get reacquainted with the environment at Saturday's West Bloomfield Invitational track meet. With an eye on this weekend's track regional, hosted by West Bloomfield High School, Rice assistant coach Tom Eschmann started his preparation early with timely competition.

But the Warriors went out and won the thing as they finished with 60 points. Only five points separated the next five teams as Milford (49), Pontiac Northern (48 1/3), Detroit Mumford (47), Lake Orion (46 1/3) and Walled Lake Central (44) helped provide an afternoon of drama under sunny skies. In the girls meet, Southfield used its powerful sprint-hurdle corps to capture the team crown with 78 points, while Rochester Adams took second with 75.

Rice's Jeff Allen won the long jump (20-11), beating defending state champion Gary Stanford of Detroit Mumford by one-half inch. It was one of only two Warrior victories - the 1,600 relay squad was the other - as Rice picked up seconds and thirds throughout the meet. Ralph Sylvester took second in the high jump and was third in the long jump among the Warrior scorers.

"I'm pleasantly surprised," Eschmann said. "We're really happy with the results, but we had enough go not so well that we're not satisfied." Pontiac Northern was almost in the winner's circle instead of Rice, but the Huskies were disqualified in the final event, the 1,600 relay, which they had finished ahead of Rice.

But the Huskies' Brian James was called for a lane violation on the anchor leg, according to Northern coach Jim Nelson. "I feel bad for any team that has a problem during the meet," Eschmann said, "(but) that kind of thing happens to every team that participates in track and field."

Northern's Daymond Hamler, James, Jeremy Hardiman and Mike Benford helped contribute in victories in the 400-, 800- and sprint medley relays. Waterford Mott's Andy Thorn was a double winner, taking the shot put and discus, and Southfield's Roland Burks continued to dominate the 100, taking the event in 10.8. Pontiac Central's Terrence Daughtery won the 300 hurdles, outdueling Northern's Richard Armstrong by two-tenths of a second, and Milford's Tom Greenless won the 3,200 in an area best 9:21.5.

Southfield's Lindsay Bond turned in the area's best efforts in the 100- and 300-meter hurdles - 14.2 and 43.5, respectively - and took second in the high jump. Taylor Washington won the long jump, topping Pontiac Central's Sharene Berry by two inches, while Melanie Williams took second in the 100.

Adams' Katie Boyles clocked a county-best 5:08.4 in the 1,600 and joined Shannon Stanley, Andrea Moreland and Erin Taylor on the winning 3,200 relay, which came in at 9:32.5, another county best. Milford's Katie Kramer won the 3,200 in 11:25.4 and ran a leg on the runner-up 3,200 relay. West Bloomfield's Dimitri McWillie (shot put) and Candace Johnson (discus) earned victories.

The Livonia Churchill 4X200 relay team ran a 1:32.61 in the Oberserverland Relays held on Saturday 05-06-00, finishing 7th overall. I believe this time is good enough to make your listings.

It looks like the other teams have been listed, though the date of 05/05/00 appears to be incorrect.

Thanks for your help and all the good work you do to help high school track in Michigan.

Weekend stuff from Negaunee Lion's Girl's Invite

weather - 48 degrees, windy cold, rainy, hail

1600 meter run - great color picture on the front page of the Marquette Mining Journal of Katie Anderson [in lane 3] outleaning Krista O'dell [in lane 2] at the string with Emily Anderson about two strides back in lane 1. Unfortunately the finish line people are holding the string at waist level and you can't really tell who broke the string first.

Katie [11th] - 1st - 5:13.4
Krista [12th] - 2nd - I will have complete results with all the times tomorrow I hope
Emily -[11th] 3rd

3200 run - Emily 11:16.0; O'dell 2nd
Last Tuesday, 5/9/2000, at Gwinn Quad Meet - Emily Anderson 11:06.0

at negaunee [cont.]
Discus - Allyson Conoway [12th] Escanaba - 114' 2" - [signed with LSSU for volleyball and basketball, I bet 115' would be good in the GLIAC in outdoor track, too!]

at negaunee [cont.]
3200 relay Marquette 10:14.6

West PAC Conference Meet, Friday night, at Houghton

Patrick McMullin [12th] Ironwood - 50' 0"

Martha Frantti - Calumet 118' 1" in the discus

I am trying to get permission and a copy of the Anderson, O'dell,
Anderson picture.

Kind of interesting the best three athletes in U.P. track have the last
name Anderson - Shawn and Emily & Katie.

To: jeffhollobaugh@aol.com

Hi Jeff,

Stephanie Linz (Grade 11 - Okemos HS) high jumped 5'-8 1/2" (meet record) yesterday at the Alma Invitational at Alma College. She also long jumped 16'-10 1/2".

She has a previous long jump mark of this season of 16'-11 1/2" at the Mason Invitational on 4/28/00 as well as several high jump marks in the 5'-4" to 5'-6" range (numerous dual meets).

We are curious as to the age and grade for Sara Jane Baker (Mattawan) and wondering what division Mattawan is in for this year's state finals. Any help?

Thanks and keep up the great work on the site!

Jeff, below is Jamie Barbour's, (Grade 10/ Dearborn Edsel Ford) best performance as of 5/14/2000.

| Discus | 4/18/2000 | Dual/Farm. Hills Mercy at Edsel Ford | 121' 2 1st |
| Shot Putt | 5/13/2000 | Invit./ at Farm. Hills Mercy | 39' 7.5 |
| | 1st | | |

Jeff, at the Mercy Invitational a girl from Birmingham Seaholm came in second with at throw of 38'
 ? and a girl from Birmingham Groves came in third with a throw of 37' 7?
 It was a good competitive event. If you know someone from any of the schools they should be able to
 give you the names. The furthest throw in the discus was 114' and Telford from Mercy that won it
 and she is already on your list from a previous throw. take care!

The 15th Annual News-Herald Track & Field Championships were held today at Grosse Ile High School under sunny skies and blustery conditions. Despite arriving late and being unable to enter the individual sprint events, Romulus won the final event of the day, the 4 x 400 meter relay, to edge River Rouge in the boy's meet 104 to 103. David Jones of Romulus took field event MVP honors with a record leap in the long jump. With victories in the 200 and 400 dashes, Damon Sherrill of Southgate-Anderson was the track MVP.

The Grosse Ile girls easily outdistanced the rest of the field to capture their 8th title. Nicole Kubech of Brownstown-Woodhaven in the field, and Katy Jackson of Grosse Ile on the track were MVPs.

Grosse Ile won the overall points trophy.

jeff

here is the information that i could gather from the lakeville relays that i think will make your list.

the 100-100-200-400 add carman at 1:56.3 and flushing at 1:58.3

the 6400 relay add flushing at 24:54

add frankenmuth to the 800-400-400-800 at 7:24.1, if you list schools twice in these kind of relays we can be also be added at 7:25.0

also for the boys lapeer east ran the 4x800 in 8:02.

Dear Jeff,

The reason I am sending this e-mail is because I pulled up the name list for records and my nephews first name is not listed. 8.3 55m hurdles(33") and 29.2 200m hurdles(30") His name is Aaron Dancer. I read the top and it said to e-mail you if the first names are not listed. Thank You.

Hi
Jeff,

Looks like you recovered from your bad day earlier this week. Hope your performance review went well!

I just want to check on a couple of results I submitted to you on 5/5. They relate to Middle School girls for Michelle Cook of Rochester Hart.

On 4-19 she ran a 28.5 in the 200 and on 5/4 she ran a 2:30 in the 800. I see you have acknowledged her teams 4 X 800 relay time of 11:33.3.

Please let me know if you need additional information to acknowledge her 200 and 800 times.

Coopersville's boys, girls win Blue titles

Tuesday, May 16, 2000

By Steve Ungrey
The Grand Rapids Press

Coopersville's boys track team has fallen into a predictable pattern this season, following a great performance with a mediocre showing.

It's a pattern Broncos coach Jeremy Annen hopes isn't repeated this week, especially after his team edged Hamilton for the O-K Blue Conference title.

The Broncos scored 122 points to Hamilton's 111, avenging two prior losses to the Hawkeyes. Hamilton beat Coopersville at the Godwin Heights Relays and also during the teams' May 9 league dual meet. Should Hamilton beat Middleville today, the Hawkeyes and Broncos would share the overall conference title. It would be Hamilton's first outright or shared league championship in 29 years.

Annen thought his boys responded well Monday, but with regionals coming up Friday at Sparta he knows old patterns cannot be repeated.

"I thought the boys really came through," Annen said. "We didn't compete as well as we could have against Hamilton and it's been an up and down year for us, but tonight the guys came out and had a really good meet."

Senior Kurt Phillips went out with a bang in his last conference meet, taking the 800-meter run (1 minute, 59.35 seconds) and the 1,600 (4:29.75).

"I think we got a little too pumped up to face Hamilton both times before, so we all wanted to come out really strong today without wasting a lot of energy," Phillips said.

Mike Weston and Mike Simon also registered wins for the Broncos, Weston taking the high jump (6-4) and Simon the shot put (51 feet, 5 1/2 inches).

Hamilton won just two events en route to its second-place finish, with Terry Peugh leaping 20-6 1/4 in the long jump and Drew Harrington scoring a 12-1 in the pole vault.

Rogers' Chris Paciencia was the only other double winner, taking the 100 (11.4) and the 200 (23.43). Paciencia also was a part of the Golden Hawks' winning 800 relay team (1:34.6).

Coopersville's girls had a bit easier time winning their third straight Blue title, scoring 131 points to Middleville's 105.

"I thought it'd be a little tighter than it turned out," Broncos coach Rich Renzema said. "We had some events we knew we would win and others that surprised us."

Senior Tammy Klein admitted the extra practice time, thanks to Friday's tornado watch that postponed the event, helped.

"I think we all performed better given the time we had to get ready," Klein said. "If we perform like we did today at regionals, we should do very well."

Coopersville won seven of 17 events en route to the title, including wins by Leeann Fleming (discus), Stephanie Allers (100 hurdles), Tessa Holman (300 hurdles) and Caitlyn Bennink (800 run). The Broncos swept all three relays.

Danielle Quisenberry (Middleville) and Anna Levanduski (Rogers) each won two events, Levanduski sweeping the 100 and 200 dashes while Quisenberry took the 1,600 and 3,200 events. Quisenberry's time of 5:07.81 in the 1,600 established a new O-K Blue record. Amy Genzler (Rogers) also set a meet record (8-6) in the pole vault.

Prep Highlights

Monday, May 15, 2000

GIRLS TRACK: Sarah Sergent tied a Times area record in the pole vault (9-6) and also took first in the 100 hurdles (16.07), 300 hurdles (50.6) and 400 relay for Tawas Area at the Houghton Lake Invitational. Sergent tied the area mark established last year by Unionville-Sebewaing's Jessica Van Bevern. Joining Sergent on the winning 400 relay (53.20) were Amy Wainwright, Amy Jordan and Michelle Kolnitys. Jordan, Wainwright, Kolnitys, and Shelly Ward won the 800 relay (1:50.75) and Jordan also won the 800 run (2:27.21) as the Braves won the C Division title with 102 points.

Jillian Ferris won the long jump for Bad Axe in its invitational Saturday. Ferris went 16-2 for the Hatchets' lone first en route to a fourth-place finish. Crowell-Lexington won the event. Jamie Fluegge led Cass City with a win in the 100 dash (12.33).

BOYS TRACK: Tim Mantey won the 400 (54.25), 200 (22.92) and long jump (20-2) to lead Bad Axe to the championship of the Bad Axe Invitational. Brad Gebauer won the pole vault (15-0), Marc Cregeur won

the 100 (11.11) and Dennis Maschke was tops in 110 hurdles (15.84) for the Hatchets. Kevin Romain led second-place Caro with wins in the 300 hurdles (42.98) and high jump (6-6).

5-13

BOYS TRACK: Kevin Romain set personal bests in the high jump (6-6) and 300 hurdles (42.98) to lead Caro to second place at the Bad Axe Invitational.

Relays help Albion win Stockbridge Invitational

Saturday, May 6, 2000

By Jeff Steers
Staff Writer

STOCKBRIDGE - On a night when the Albion High School boys track team was the hunted, and 17 other teams were the hunters, the Wildcats used their best weapon to dominate the 22nd Stockbridge Invitational.

Albion won three relays to repeat as champion. Results of the final events, including the 1,600 relay, were not available at press time.

Albion coach Mike Jurasek is a believer in good relay teams, dating back to his days as a runner at Concord High School and Albion College.

"Chuck King (former Concord High School coach) and Dave Egnatuk (Albion College coach) were the two best coaches I ever had," Jurasek said. "They both preached that winning relays was important. We take pride in winning relays."

Albion got off to a good start, winning the 3,200-meter relay. Tori Wilson made up 10 yards in the final 220 to win the event for Albion in 8 minutes, 12.22 seconds. Wilson pulled even with the Haslett runner with 110 yards to go and surprised his competitor. It knocked the Haslett runner off stride, causing him to drop the baton.

Matt Anderla, Kha Ha and Lawrence Cornell teamed with Wilson to win the event.

The Wildcats also won the 400 and 800 relays.

Albion had a first-place performance from Kevin Davis in the 110 hurdles (14.99). Tonaehannah and Dominic Reid finished first and second respectively in the 100.

Jonesville junior Jason Jacques won the 1,600, setting a school-record in the process. His time of 4:26 beat a field that featured four runners who have ran the 1,600 event in 4:31 or better.

"I just wanted to run under 4:30," Jacques said. "This is only the fourth meet we have run this year due to rainouts. I wasn't worried about anyone else, just my time."

T.J. Waldofsky of Leslie finished second in the 100 hurdles (15.01), Benn Kunzelman won the discus for Stockbridge (141-1) and Brandon Boone was second in the discus for Columbia Central (139-11).

On the girls side of the meet, Sarah Ostrosky won the 100 in 13 seconds flat. Jessica Mierzwa, of Western, finished third to Ostrosky (13.4).

WWAC C 5-10-00

Morley-Stanwood won three of the four relays and swept the sprinting events to edge Kent City 86-79. Jay Dixon won the throwing events to help Hesperia finish third in the meet.

Charlie Weeks won the 100-meter dash and was on the winning 400 and 800-meter relay teams for the Mohawks. Junior Ryan Jack was also on those relays teams and took a first-place finish in the 200-meter dash for Morley-Stanwood.

Kent City's Jason Barbachyn won the 1,600-meter and 3,200-meter runs, while Matt Hawley set a school record in the pole vault with a jump of 13-134.

Franzel reaching for state crown

A Mayville senior has three school marks, including the pole vault.

Saturday, May 13, 2000

GREG MANCINA
THE SAGINAW NEWS

The day they broke out the equipment for high school girls to try pole vaulting two years ago, Mayville's Mary Franzel was at the front of the line.

"It was just something new, and it looked fun," said the 17-year-old.

And on her first try, she looked like "a natural."

"The coach was pretty impressed," Franzel said. "I guess I did it right on the first try."

Since then, Franzel has made the pole vault her third event along with the 100-meter high hurdles and the 300-meter low hurdles - and she holds the school record in all three.

Her record time in the 100 hurdles is 15.8 seconds and it's 48.9 seconds in the 300 hurdles.

When she cleared the pole at 9-feet, 1-inch last week against North Branch Wesleyan, Franzel set another school record - although she has her sights on going 10 feet, which would break the News' area record of 9-6.

Midland High's Laura Hahnfield cleared 9-6 at last year's Class A state finals, good enough for sixth place.

"Speed has a lot to do with it, and you have to have some strength and be coordinated," said Franzel, who has added strength training to her regimen the last two years.

Franzel began as a sophomore, the first year the pole vault was a girls event, and cleared 8-feet. She later placed seventh in the state championships.

As a junior, she switched to an 11-foot pole and went 9-feet, and was eighth in the state final.

Her goal now is 10-feet and a state title, a goal she believes she can attain.

"In practice the other day, I was going over with the bungee (instead of a bar) and coach said I got a foot over the bar and it was at nine foot," she said. "I got a good bend in it and just went flying."

But that was practice.

"I want 10 foot this year," she said.

Franzel, a 3.5 student, said she plans to attend Saginaw Valley State University in the fall.

The Cardinal track team has two women who can clear the 10-foot bar.

"I learn from watching other people and practicing," Franzel said. "Coach has showed me some drills. I'm learning something new every day in practice."

Franzel also qualified for the state finals in both hurdle races a year ago and is among the area leaders this year. She is No. 5 in the 100-meter hurdles at 16.7 seconds, and is ranked fourth in the 300 hurdles at :49.81.

 TWO U.P. Records Fall
Date: 5/17/00 8:24:51 PM Eastern Daylight Time
From: jcarlson@eup.k12.mi.us (John Carlson)
To: MichTrack@aol.com (Jeff Hollobaugh), michigan.t&f@umich.edu (michigan track & field)

Things are starting to heat up in U.P. Track and Field as the conference meets, regionals and U.P. State Finals are rapidly approaching.

Shawn Anderson of Manistique cracked 60' in the shot last weekend at 60' 5.5". Anderson has broken 170' in eight meets this spring but has yet to crack 180' in a meet. He has all-time U.P. records in both events. His conference meet is tomorrow night at Ishpeming Westwood High School.

On the girl's side for Manistique, Amy Hokenson went 9'3" in the pole vault last night in a triangular meet at Munising.

Emily Anderson, Marquette Senior High School, shattered her old U.P. record of 10:50 in the 3200 meter run at Marquette county meet last night which was held in Gwinn. Emily ran 10:48.5, lapping the field. Emily's sister set county marks in the 800 and 1600 meter runs. Katie ran 2:23.7 in the 800 which was about 30 minutes after breaking her sister's county record in the 1600. Katie ran the 1600 in a time of 5:13.7. Erica Hemila also ran a fast 400 meters at the county meet in 60.6 for Marquette. Westwood didn't let MSHS have all the fun, as the Patriots ran the 1600 relay in 4:11.7 to take first in that event.

In the guys Marquette County Meet, Marquette Senior High almost became the first U.P. school to ever go sub - 3:30 in the 1600 or mile relay clocking 3:30.6, and they also just missed the all-time U.P. record of 3:30.3 held by Negaunee.

The Redmen have received a shot in the arm from olympic speed skating hopeful Shanni Davis who attends marquette high while working at the U.S. Olympic Training Center at Northern Michigan University in Marquette. Davis just starting running track three weeks ago for the first time in his life. Davis ran 4:45.1 in his second 1600 ever and ran 2:04.6 in third 800 ever both at the county meet last night, and he ran a leg on the 1600 relay. Another member of the Redmen's relay squad is Olympic Training Center director Jeff Kleinschmidt's son, Justin, who is also running track for his first year ever. The younger Kleinschmidt split sub 53 for the leadoff leg of the relay.

Rams avenge only loss in girls season, capture league title share

Wednesday, May 17, 2000

By Jeff Chaney
The Grand Rapids Press

With its streak of O-K Red Conference titles in jeopardy, the Rockford girls track team fought back with an all-around effort to keep it alive.

The Rams avenged a dual loss to East Kentwood earlier in the season by winning the conference meet Tuesday at Grandville High School with a score of 204. The Falcons were runner-up with 137.5.

The victory enabled Rockford to share this season's conference championship with East Kentwood and extend its streak of O-K Red crowns to four.

"I wouldn't say this was expected, but it was certainly hopeful, and we thought we could do it," Rockford coach Randy VanderVeen said. "One of the nice things about this is that every single area contributed. Our field events were really strong, our sprinters, our relays -- the kids did a great job."

The Rockford boys team made it a clean sweep for the school, winning the conference crown with a score of 188 points. East Kentwood was second with a score of 84.

More than just an all-around effort proved valuable to Rockford's girls team Tuesday.

The Rams' depth was also important, as Rockford won only six of the 17 events run. But the Rams scored in all but one of the events.

In field events, Jenny Rood was the Rams' lone champion, winning the high jump with a leap of 5 feet, 4 inches.

The 3,200-meter relay team of Kelsey Toedebusch, Emily Blakeslee, Renae Sobie and Aimee Keenan won in a time of 9 minutes, 35 seconds.

Linsey Blaisdell won the 1,600-meter run in a time of 5:18.4, while Nora Colligan was the winner in the 800 with a time of 2:17.6

Blakeslee set a meet record in the 3,200, coming in with a time of 10:54.8, while the 1,600-meter relay team of Lisa Krueger, Colligan, Kalin Toedebusch and Keenan won with a time of 4:05.3.

"You can't say enough for the girls and our coaching staff," VanderVeen said. "This is gratifying, and this is a tribute to all of our girls and our coaches."

For the runner-up Falcons, Cynthia Freeman had a huge meet.

She set a conference record in the long jump with a leap of 17-71/4, along with winning the 100- and 300-meter hurdles.

Two other conference records fell in the girls meet Tuesday, as Grand Haven's Holle Harjer won the pole vault with a jump of 9-6, and teammate Amy Kleist won the 400 in a record-setting time of 57.4.

Rockford's boys team celebrated the outright O-K Red title, after going undefeated in the dual season.

"We had people contributing in all of the events, and that has really been a difference for us this year," Rockford coach Jim Baker said. "It is always nice to see a lot of kids step in, because we had a lot of injuries coming into this meet."

The Rams won eight of the 17 events.

In field events, Adam Kieft was a double winner, taking the shot put with a toss of 54-4 and the discus with a throw of 157-10.

Like the girls team, the Rams' boys distance teams were strong.

The 3,200 relay team of Seth Folkertsma, Andy Martin, Brian Smith and Dathan Ritzenhein won in a conference record-setting time of 7:57.

Ritzenhein wasn't done there. He also won the 1,600 and 3,200 events in record-setting times of 4:05.9 and 9:17.2, respectively.

Scott Anderson won the 300 hurdles in 40 seconds flat, while the 1,600-meter relay team of Chad Rehkopf, Aaron Sawyer, Noah Schwander and Anderson won the night's final event in 3:35.3.

Reese claims GTC track title

Wednesday, May 17, 2000

THE SAGINAW NEWS

The Reese boys track team defeated cross-country minded Bad Axe by eight points, 187-179, for its ninth Greater Thumb Conference track title in the last 10 years.

Reese coach Dale Sage was wary of Bad Axe's strength in the distance events, and the worst-case scenario became a reality when none of the other teams shared distance points with the Hatchets.

"Bad Axe was a conference champion in cross-country, and we happened to be hurting in those events," Sage said. "In the mile (1600-meter run) they scored 13 points, and they scored 20 in the two-mile (3200 run).

"In those two events alone that's a lot of points. We were hoping to get some help from other teams, but it didn't happen."

So the Rockets adjusted.

Reese countered with Tom Maczik who won both the shot put (58-31/2) and the discus (176-6), and finished three deep in the shot put.

"I tried to figure out how many points we'd score and how many the opposition would get," Sage said. "We just countered in different areas."

The Rockets will have to deal with the Hatchets once again when they meet at the Division III regional Bad Axe hosts Saturday.

"I'd say the main competition will be Yale and Bad Axe," Sage said. "Yale has some real good sprinters and our strength hasn't been our sprints. To win the regional, you have to be lucky and hope you have enough strength in certain areas."

GIRLS TRACK

Alma didn't let the weather rain on its parade at the Mid-Michigan Conference B Division Meet at Chesaning.

The Panthers won the meet with 118 points, edging out second-place Corunna by six points. Chesaning took third with 45 points.

A steady rain forced Chesaning officials to use a pump on the inside lane around the first bend to disperse puddles. The water forced the 1600-meter and 3200-meter relays to use the second lane.

Alma's Melissa Grant fended off the steady rain by winning three individual events. She topped her personal-best time and the rest of the area in the 400-meter run with a 1:00.2. She won the 100-meter dash and the 200.

Adam Smith and Geoff Mott compiled this report. Contact them at 776-9768.

Reese vaults past Bad Axe

Rasmussen, Marks make big points as Rockets win 11th conference title in 13 years
Wednesday, May 17, 2000

CASS CITY - The final statistics say that Reese High School took more first places than any other team and, thus, won the Greater Thumb Conference West Division boys track championship Tuesday.

But the key to Rockets' 11th conference title in 13 years was a pair of lesser-known finishes by pole vaulters Andy Rasmussen and Brandon Marks.

Rasmussen placed third at 13-0 and Marks fourth with a personal-best 11-0, giving Reese enough points to take over first place from challenger Bad Axe.

Shane Knight, Jimmy Bauer, Kurt Fielbrandt and Josh Rennert then finished the job by winning the 1,600-meter relay (3:37.68) as Reese outscored Bad Axe 187-179 in the six-team meet at Cass City.

Unionville-Sebewaing Area was third with 82 points, followed by Cass City (50), Laker (19) and Mayville (3).

"The pole vault decided it for us," said Reese coach Dale Sage, who celebrated his 15th conference championship since 1980. "We knew the pole vault was money in the bank for Bad Axe with (Brad) Gebauer, but for us to take 3-4 that took away their advantage.

"Everyone on our mile relay did their best," added Sage. "And it doesn't hurt to have Josh Rennert on the anchor."

Rennert also took first in the 110 high hurdles (15.11) and 400 dash (51.56) to lead Reese's cascade of individual champions. Other Rockets to win events included Tom Maczik in the shot put (58-3) and discus (178-6), Rasmussen in the 100 dash (11.32) and Justin Campbell, Chad Morris, Fielbrandt and Rasmussen in both the 400 relay (45.57) and 800 relay (1:34.76).

Tim Mantey won the long jump (18-9) and 200 dash (23.65) for Bad Axe, which also had event winners Phil Neeb in the high jump (5-10), Dennis Masche in the 300 hurdles (43.37) and Gebauer in the pole vault (13-6).

Unionville-Sebewaing's Bryant Haist won the 1,600 run (4:46.88), 3,200 run (10:25) and was on the 3,200 relay with Scott Travis, Joe Bloomer and Rory Wildner. Wildner was first in the 800 run (2:06.15).

Mayville won the girls championship with 133 points to 128 for Cass City. Bad Axe (97), Unionville-Sebewaing (87), Reese (54) and Laker (22) followed in order.

Jaime Fluegge won the 100 (12.94), 200 (27.56) and anchored the winning 400 relay (54.85) for Cass City. Melissa Homakie, Jessica Tenbusch and Jennifer Tenbusch also ran on the relay for the Red Hawks.

Cass City's other firsts came from Sara Homakie in the 400 (1:01.96), Melissa Homakie, Ashley Ouvry, Lindsey Mills and Holli Cooper in the 800 relay (1:55.31) and Melissa Homakie, Ouvry, Cooper and Sara Homakie in the 1,600 relay (4:21.89).

Taking first place for Bad Axe was Kristie Howard in the 300 hurdles (49.17) and Jillian Ferris in the long jump (14-1).

GR Christian regains City League boys title

Wednesday, May 17, 2000

By Steve Ungrey
The Grand Rapids Press

After Grand Rapids Christian's boys track team lost the City League championship to Catholic Central last year, the Eagles have focused their energy on getting the title back.

Tuesday at Houseman Field, Christian's boys were able to take the victory lap around the track with the girls, as their yearlong quest to regain City League bragging rights came to a successful conclusion.

The Eagles swamped their competition, scoring 181 points to finish well ahead of West Catholic (80).

"We had won the title for so many years, we weren't used to seeing it won by someone else," Christian boys coach Arnold Baker said. "We kind of felt the trophy belonged back in our case, so our seniors just kept pushing and pushing the rest of the team to get better."

One of the seniors, Abe Huyser-Honig, shattered his previous-best 1,600-meter run time, winning the event in 4 minutes, 27.5 seconds. His brother Josh, a sophomore, took the 3,200 run in 9:52, which was 6.5 seconds ahead of teammate Kris Koster.

"That felt so good to win it again," Abe Huyser-Honig said. "It seemed like the competition this year in the City League wasn't as good as it was last year, but it didn't matter to us. We totally deserved to win this title back."

Christian won only five of 17 events en route to victory, scoring top places by Andrew Willink (discus), Dave Beversluis (pole vault) and Lenny Carter (100 dash) in addition to the wins by the Huyser-Honig brothers. But the Eagles finished second in eight events, adding to the point total.

Scotty Pearson (Ottawa Hills) was the meet's lone double winner, as he swept the 110 and 300 hurdles with respective times of 14.8 and 39.7 seconds. Relays were mixed, as Creston took the 400 and 1,600 events while Ottawa Hills won the 800 and West Catholic the 3,200.

After beating Catholic Central by 21 points in duals, Christian's girls widened the victory gap by besting the Cougars, 176 points to 115. It was the Eagles' second consecutive City League title and ninth in the past 10 seasons.

"We've been getting things done a little quietly this year," admitted Christian girls coach Ken Bokhoven. "We came up with outstanding performances tonight by everyone. For the most part, this was our best performance of the year. The kids wanted the title bad enough and they got it."

The Eagles took first in seven events, gaining wins by Missy Smith (pole vault), Katie Bolt (high jump), Whitney Bylsma (100 hurdles), Faith Hoekstra (300 hurdles) and Mimi Speyer (3,200 run) in addition to first-place finishes by the 1,600 and 3,200 relay teams.

"I think that shows how deep we are," senior captain Tracy Diephuis said. "Winning over Catholic Central in duals this year gave us all the confidence we needed. We were strong in every event, and I think if we run this well Friday (in regionals, at Houseman) we have a good chance of finishing near the top."

Shanna Harvey (Creston) and Lori VanderMeulen (Union) each won two events. Harvey placed first in the 200 and 400 dashes and VanderMeulen legged out victories in the 800 and 1,600 runs.

Before action began at the meet, tribute was paid to Jim Gardiner, the late Catholic Central track and cross country coach. A portrait of Gardiner, who died last week at age 57 after a short illness, was displayed near the center of the football field, with white carnations nearby. Balloons were released after the national anthem, with the United States flag lowered to half-staff.

"We said some nice words about Jim today," Catholic Central girls co-coach Dave Snyder said. "I went to him a few years back for some advice on how to coach the girls, and that's when he told me he'd like to help coach the girls, too. I know he was watching us today."

Jeff, my daughter Laura DeFord a freshman running on the girls Haslett High School track team ran a time of 12.52 in her 100m dash for first place at Tuesday dual meet with Portland qualifying her on the Lansing Areas "Honor Roll" team. Unfortunetly, a typo in the Lansing State Journal place her winning time under the 100m hurdles.....which she doesn't run. She won it in the 100m dash.

Dear Jeff:

On Tuesday, May 16, 2000, Niki Suitor, junior @ Freeland High School, ran an 11:49.8 in the 3200m. This meet was at home versus Bullock Creek and Carrollton High Schools. If you need additional confirmation, you may contact the Saginaw News. It was in yesterday's paper. This was a real blessing and very special to our family. Niki is coming off a leg injury and hasn't had a chance to practice much over the past two weeks. Also, she knocked off 26 seconds off her p.r.in the process. Thank you!

Sincerely,

Rick Suitor

Freeman also won the 100-meter hurdles (15.3 seconds) in spite of grazing the second hurdle. Then she placed second in the 100 dash (13.0). Of course, not even Supergirl can run these two events 10 minutes apart with a bruised ankle bone and win them both.

In her fourth event at the Red meet, the 300 intermediate hurdles, Freeman outdistanced the rest of the field and claimed the 46.2-second victory.

Yes I'm Morgan Trent and i go to Maltby Middle School in Brighton. My coach sent in my times so you do have me down for the 100 and 200 but not for the long jump. I jumped 20'10 at the Huron Valley Relay Meet on 5/12/00 so i was just wondering about that. I will have my coach (Mr. Katekowski) send in the final results again if that is what you need. Jeff,

First of all, thank you for compiling the lists on Michigan Track and Field. It is very interesting to see how you compare to the rest of the state. My name is Kevin Patterson, and I coach the Pole Vault at Rockford High School. I would like to have you add the following people to your list:

Leanne Ericksen, Senior 9'7" (school record) OK Red Dual Meet w/ West Ottawa
Thursday, May 4th

Bethany Hecksel, Freshman 9'3" OK Red Conference Meet at Grandville Monday,
May 15th.

Phil Beemer, Senior 13'0" OK Red Conference Meet at Grandville, Monday,
May 15th.

Please feel free to email me, or call at 616-866-8829, with any questions.

Thank you!
Kevin Patterson

Maczik sets area record in shot put

Sunday, May 21, 2000

A record-setting performance by Tom Maczik helped Reese claim its third straight boys track regional Saturday at Bad Axe.

Maczik won the shot put with a toss of 61 feet, 113/4 inches - breaking the school and area record of 58-11 he shared with former teammate Matt Elsesser.

He also also won the discus in 185-7, less than an inch shy of his area record of 186-1.

"Tom was really pumped today. He had four or five tosses over 60 feet," said Reese coach Dale Sage, whose Rockets outscored runner-up Bad Axe 96-78 for the regional title.

Maczik's 60-foot tosses made a prophet of Sage, who earlier this spring had suggested that Bad Axe athletic director Wayne Brady move the shot put area.

"Last year there the back fence wasn't 60 feet away, and I knew they'd have to back it up or we'd be in trouble with Tom," said Sage. "If it would've been where it was last year, he would've hit the fence and it would've cost him the record."

Maczik's mammoth toss is one of three area records established in regionals Saturday. Bad Axe's Kristie Howard became the first area girl to clear 10-0 in the pole vault while Nate Hinkle of Grayling went 6-9 in the Division II meet at Gaylord to tie the mark set by Essexville Garber's Tom Badour in 1985.

Reese claimed a total of five first places in the meet. Josh Rennert won the 100 hurdles (15.11) and anchored the 1,600 relay that included Shane Knight, Jimmy Bauer and Kurt Fielbrandt (3:34.0) while Chad Morris won the long jump (19-51/2).

"Everyone had an outstanding day," said Sage, whose team has qualified for the Michigan Track Coaches Association team state meet at Clare next Saturday.

Vassar had three individual champions - Bill Germain in the 110 hurdles (41.44), Justin Harper in the 200 dash (22.67) and Nick Seney in the 800 run (2:02.59). Brad Gebauer of Bad Axe won the pole vault (14-6).

Jaime Fluegge won three events to lead Cass City in the girls meet. Fluegge first in the 100 (12.7) and was on both the 400 relay (52.9) and 800 relay (1:50.28) for the Red Hawks.

Division I

At Saginaw Heritage

Jewel Pearson of Bay City Central qualified for the state meet in both the 110 and 300 hurdles. Pearson finished second in both events to Nicholas Morgan of Saginaw Heritage.

Also earning a state-qualifying berth was Bay City Western's 3,200 relay team of Rob Samborn, Jaron Erickson, Quin Gillette and John Hughes, who placed second with a season's-best time of 8:01.60.

Western's Heather Jahr won the girl's high jump in 5-1.

Division II

At Gaylord

Ogemaw Heights' string of six consecutive regional titles in boys and five straight in girls both came to an end, as Gladwin won the boys' title and Alma the girls.

Justin Adamec and Gary Carr each won three events to lead Gladwin's title run. Adamec won the 200 dash (23.1), 400 (50.5) and was on the winning 800 relay (1:30.9) while Gary Carr won the 100 dash

(11.1), anchored the winning 400 relay (44.8) and was also on the 800 relay. Phil Jance also won the pole vault (11-2) for Gladwin, which scored 112.5 points to 73 for Ogemaw.

Gaylord's Jordon Emmorey was a triple-winner, with firsts in the 1,600 run (4:27.1) and 3,200 run (9:40.40) after leading off the winning 3,200 relay (9:18.5).

Other winners included Pinconning's Jeremy Foco in the long jump (20-4) and Mike Osterland of Ogemaw Heights in the 800 (2:00.4).

In the girls meet Alma slipped past Ogemaw Heights 99-96.2. Abigail Nelkie won the 3,200 run (11:32.8) and the Falcons won both the 800 and 3,200 relays.

Gladwin had two winners - Rachel Sheehan in the pole vault (9-2) and Katie Illig in the 300 hurdles (47.9).

Division III

At Hemlock

Essexville Garber's Nick Ballor won both the 110 high hurdles and 300 low hurdles for the second straight year to lead the Dukes to a third-place finish with 58 points. Saginaw Swan Valley (89) was first and host Hemlock (62) was second.

Also earning state-qualifying berths for the Dukes were Billy Ramos-Ruggero in the 800 run and the 800 relay.

Division IV

At Cass City

Caseville's Tyler Herrin won the long jump (20-3), 100 dash (11.3) and 200 dash (23.6) and Kyle Brink of Akron-Fairgrove was first in the high jump (6-0) to lead area competitors at the Division IV meet at Cass City.

Brink, a two-time defending state champion in the discus, placed second in the event by eight inches to Adam Snyder of Brown City, who won with a 153-1 toss.

Girls winners included AF's Sara Hedwards in the pole vault (8-0) and Rochelle DuRussel in the 100 hurdles (16.7) while Carrie Weber of North Huron was first in the high jump (4-11).

At McBain

Stacy Dellar won the 200 (26.9) to lead the Alcona girls, who placed fifth of 14 teams. Alicia Shelleenbarger won the long jump (15-03/4) for Hale. Fairview's Luke Reed won the pole vault (12-0) to lead area qualifiers in the boys meet.

"If it would've been where it was last year, he would've hit the fence and it would've cost him the record."

Wyoming Park kicks into overdrive - Viking girls win track regional

Sunday, May 21, 2000

By Jeff Chaney DIVISION 2 At Lowell: The host Red Arrow girls had two regional champions and finished third as a team. Kristi Ford won the high jump with a leap of 5 feet, 4 inches, and Nicole Gillikin cleared 9-3 to win the pole vault. Lowell's boys finished fourth and crowned no regional champ. Ken Falcowski finished second in the 200 dash (23.1) and Lowell's 1,600-meter relay team placed second (3:32.70).

DIVISION 4 At North Muskegon: Larry Corris led Lee's third-place team finish in regionals by contributing to four first-place finishes. Corris won the long jump (20-31/2), the 100 meters (11.08), the 200 meters (22.69) and ran a leg on the 400 relay (44.38). Lee scored 85 points, trailing just Gobles (94) and Martin (89). The Rebels also won the 800 relay (1:35.98). Mike

Ottenweller of North Hills Classical Academy won two events, the 800 (2:05.08) and 1,600 (4:42.81). Lee's girls finished ninth.

OVboys, Bowen dominate meet field pack

Chris Bass had been struggling all season in the hurdles. But on Friday, with a regional track title on the line, the Orchard View senior made his times count.

Bass posted personal best times of 14.70 and 41 seconds flat in the 110 and 300 hurdles, respectively, to lead the Cardinals to the regional title on their home track. OV finished with 89 points.

Allendale was second with 87 points, followed by Hamilton with 71.

Oakridge, buoyed by four first-place finishes by Jeff Bowen, took fourth with 57 points. Kent City was fifth, Ravenna sixth, Muskegon Heights seventh and Newaygo 12th in the 15-team regional.

In the girls meet, Ravenna was the top area finisher, taking third with 71 points. Hamilton won the meet with 101, followed by Grandville Calvin Christian (87 points). Orchard View was fourth (63) while Muskegon Heights, sparked by three first-place finishes by sophomore Brandi Martin, took fifth. Kent City was seventh and Grant took tenth.

The top two teams and individual finishers, in addition to those who meet event qualifying standards, will compete in the Division III state meet at Comstock Park on June 3.

Boys meet

Orchard View is the largest school competing in Division III this year, after the state voted to realign the classes according to divisions rather than classes. There were seven Class B schools and eight Class C schools competing in the Division III meet.

That wasn't exactly good news for OV coach John Nash.

"I'd really rather be in the upper division competing at Sparta," said Nash, of the Division II area regional. "We're on the bubble but we should be up next year. It's just that we're used to competing against those teams and when we get together, it's like a big reunion."

Still, Nash was thrilled with his team's title.

"The kids did well. Our goal was to win city (OV tied for the title with Mona Shores) and that gave our team confidence coming into this meet," said Nash.

Bass was thinking about the team title when he took off in the 110 hurdles.

"We've never taken a team to state before," said Bass. "Our goal was to come here and win. I didn't get a very good start in the 110s but I picked up my pace in the middle and ran a personal best."

So did OV's Earl Robinson. He won the 800 in 2:00 and anchored OV's second-place 1,600-meter relay team.

"We came in thinking we could take first or second but we really wanted first for the team," said Robinson. "It's really exciting."

OV also swept the top three places in the shot put, with Josh Piper throwing 50 1/4 for first, followed by Adam Armstrong and Andrew Jimerson. Piper threw 156-4 to finish first in the discus.

OV's second-place 3,200 relay also qualified for state.

But, the star of the meet clearly was Bowen, the defending Class C state champion, who never had qualified for the state meet in the sprints. He literally ran away from the field in the 100- and 200-meter dashes, finishing in 10.9 and 22.7, respectively. He also won the long jump with a leap of 21-5 1/2.

But he was most excited about being a part of the championship 400-meter relay team.

Bowen anchored the team, that included Ray Stover, Keith Zatalokin and David Huck, to a first-place finish in 44.8.

"The biggest thing I most excited about is going to state with those guys," said Bowen. "If I only made it in that event, it would be worth it."

Bowen, who will play football for Division I Brown University this fall, said he increased his running workouts during the winter in preparation for that sport.

"It's my senior year and I wanted to go out on top," he said.

Kent City had three state qualifiers. Matt Hawley was tops in the pole vault (13-3) and Aaron Niedzwiecki was second in the high jump (5-11). Jason Barbachyn had a gutty performance in the 1,600, in which he made up 30 yards on the final stretch to take first in 4:35.3. He also was second in the 3,200.

Muskegon Heights' Ricco Roby was second in the 200 and helped the 400 relay team to a runner-up finish.

Newaygo's Terry Smith took second in the high hurdles.

Girls meet

Ravenna's Andrea Johnson took first in the shot put with a heave of 40-11 3/4 and helped the 400-meter relay to a second-place finish. She missed out on qualifying in the long jump by 1/4 of an inch, when she finished fourth in 15-9 3/4.

Ravenna's 800 relay team of Laurita Atwood, Nicole Kosheba, Leslie Port and Jenny Maleski finished first (1:50.4) and its 400 relay team was second. Danielle Kosheba, also of Ravenna, took second in the 1,600.

Martin was the area's individual standout with championship finishes in the 100 (12.4) and 200 (26.56) and the 400 relay, in which she ran the anchor. Martin and teammates Renecka Brown, Tamara Sullivan and xxxx ran the 400 in 52.50.

"It feels good to do so well competing against all these juniors and seniors," said Martin. "To get three firsts and qualify for state in three events is just awesome."

Orchard View swept the top three spots in discus with Ashley Swainston throwing 136 feet for top honors. Sarah Horsley was second and freshman Tiffany Kasmauski third.

OV's Diahann McCarty won the 100 hurdles title in 16.30.

"I finished third as a sophomore and sixth as a junior," said McCarty. "I was determined to win it this time around."

Kent City's Leah Roche rounded out area qualifiers with a second-place finish in the 1,600 (5:29.9).

OVthrowers, Shillito keep piling up points

Rick Piper is \$50 lighter today. Make that \$75.

Just before Orchard View junior Josh Piper got ready to hurl the shot put Friday during the Division III regional track meet at OV, Rick Piper shouted over the fence he'd give his son \$50 if he cleared 50 feet.

Piper did that, throwing a personal best of 50-14. He followed that up with a first-place discus toss of 156-4. So his dad threw in another \$25 for good measure.

Talk about motivation. No, you'd have to talk to OV track assistant coach John Shillito about that.

He is the man behind the girls and boys teams that have dominated the area in weight events the past several years.

On Friday, Orchard View's boys swept the top three places in the shot put, with Adam Armstrong and Andrew Jimerson, finishing second and third, respectively. And on the girls side, OV's trio of Ashley Swainston, Sarah Horsly and Tiffany Kasmauski claimed the top three spots in the discus.

"He's the reason," said Swainston, a junior, about the coaching and motivational techniques of Shillito, who will leave OV after this year to become head football coach at East Kentwood.

Shillito has encouraged his throwers to participate in year-round training programs with a Grand Rapids running club. He also emphasizes year-round weightlifting.

On Friday, Swainston beat her school record by five feet with a discus toss of 136-0.

"He's an unbelievable coach," said Swainston. "He really works on the mental aspect of the sport."

Added Piper: "He's a motivational coach who makes us want to work out in the weight room."

Shillito said he simply takes great athletes and helps them become winners.

"Orchard View has won 11 of the last 12 city titles in that event," Shillito said. "All of those athletes have been different and brought different things to the table. But they've all been athletic."

And it appears OV will be strong in weight events, not only at the state meet in two weeks, but in years to come. Horsly, a sophomore, hurled the discus 121-4 on Friday and Kasmauski, a freshman, had a throw of 110-1.

Although Shillito will be coaching at East Kentwood, he plans to keep in touch with his throwers.

"They know I'll be around," said Shillito. "I've made this drive every day for 14 years and I'm not going to forget about them now."

A new tradition
Heritage runs away with its first-ever boys regional track championship.

GREG MANCINA
THE SAGINAW NEWS

The news that Saginaw High's Charles Rogers defeated Heritage's Stuart Schweigert in the 100- and 200-meter dashes at a Division 1 regional actually got overshadowed Saturday.

That's because the Hawks won their first boys' track team regional ever with a spectacular across-the-board performance in the Division 1 event at Heritage.

"That was exciting, but it's going to be even more exciting in two weeks," said fifth-year Heritage coach Jeff Rastello, referring to the Saturday, June 3, state finals at Rockford High School.

The Hawks won five of the 17 events, and stacked up points even in the races they did not win - including Schweigert's second-place finishes in the 100, 200 and 800 relay.

However, Schweigert capped off the winning 1600-meter relay to give Heritage 102 points as Saginaw High finished third with 71. Traverse City Central was second at 89 1/2.

"We had depth," Rastello said.

In addition, Saginaw High lost in a gamble when Rogers was moved out of the open 400-meter dash - an event he won at the state meet a year ago - so he could anchor the 1600-meter relay team. The relay team placed fourth, not even qualifying for the state meet.

"That did not work out right," said Saginaw High coach Lee Arthur.

After Rogers placed second in the 100 and 200 at last year's state finals, Arthur said he was uncomfortable with the timing of the 400 dash in the finals, while he also wanted Rogers to help qualify the relay team.

Instead, the Trojans will lose a chance at Rogers' 10 team points in the 400 dash, although he can replace another runner in the Saginaw High 400-meter relay team, which did make the finals with a second-place finish.

"I wanted to help in the four-by-400, help Roy (Manning) and Jeremiah (McLaurin)," Rogers said.

Jeff,

THE KENYANS ARE COMING TO ANN ARBOR

The Michigan Twilight, hosted by Athletics America this coming Saturday evening, May 27(7pm) at Ferry has really developed.

I am bringing in two Kenyans for the 3000, Sammy Nyamongo 13:24 5ker and Amos Kipyegon 3:40 1500. Kathy Rounds, 5th ranked US 800 will open her outdoor season in the 400. The women's 1500 includes Indoor USA National Mile runnerup Collette Liss(4:14) and Canadians's Krestena Sullivan(4:16) and Karen Harvey-Sullivan(4:17).

Would you please post this on your web site and send to your mailing list.

Brad Fairchild will be handling the Lynx Timing System.

Would you be available to assist with Results and serving as a 'Press Steward' should any press appear to provide any info(Henderson, Det News, Barnas, Free Press, Martin and Cnickeart, AA News, McCafferty, MR, Run Michigan all invited to attend?

Thanks,

John Goodridge

Canton narrowly misses regional crown- from the canton observer

Three points.

That was the difference between perennial state powerhouse Detroit Cass Tech and Plymouth Canton at Friday's Division I regional meet at Hilbert Jr. High.

Three points.

When Canton coach Bob Richardson found out, he closed his eyes and got real quiet.

Upset?

"Not at all. This is like a dream," said Richardson. I'm just as happy as can be. I've been here since 1989 and we've never had a shot at winning the regional. We definitely had our shot today."

The Technicians won the meet with 107 points, followed by Canton at 104, Livonia Churchill at 68, Redford Catholic Central at 60 and Livonia Stevenson with 48. Livonia Franklin was seventh at 32, Plymouth Salem was eighth at 31, Garden City was 10th with 10, followed by Redford Union (8), Wayne Memorial (7) and Westland John Glenn (1).

"It was a pretty competitive meet," said Churchill coach Rick Austin. "Cass Tech had the speed, Canton had the best well-rounded team and we were glad to finish third. Our goal was top five, so we achieved that, plus more."

Well-rounded was an understatement as the Chiefs earned points in all but three events.

Jerry Gaines figured in both wins as he won the 400 dash in 49.50 and ran the anchor leg of the 1,600 relay, where he held off Cass Tech's Steven Tuck and caught up to Stevenson's Michael Lenardon in the last 20 yards. Gaines also finished second in the 800 with a 2:00.5.

"In the 4x4 I felt (Tuck) come up on the outside and did all I could to stay

ahead," said Gaines, who teamed with Jack Tucci, Jamie Bonner and K.J. Singh for the win. "I caught (Lenardon) down the stretch and just got him. I wanted to get Jack to state because he's a senior and never been."

The ending was just as thrilling in the 1,600 run as Franklin's Brian Klotz shaved 10 seconds off his personal best to nip Churchill's Jason Richmond at the tape -- 4:29.40-4:29.70 -- followed by Salem's Donnie Warner at 4:29.90 and Catholic Central's John Digiovanni at 4:32.6.

"I can't believe I pulled it off," said Klotz. "I asked my coach what I needed to do to win and he said cut 10 seconds. I did what I was told to do."

CC's Mike Morris outdistanced teammate Charlie Rozum in the discus -- 149-4 to 141-5 -- but was upset by Churchill's Mike Gaura in the shot, 53-6 1/2 to 52-9.

Shannon Simon of Garden City earned a win in the pole vault at 12-0, while Chris Kalis of Canton took the high jump at 6-4 and Eric Scott of Churchill was tops in the long jump at 21-0 3/4.

Churchill's Ryan Gall won the 800 run (1:59.1), CC's Matt Daly won the 3,200 run (9:33.8), Jason Richmond was second (9:45.0). Dave Novara, Matt Isner, Brad Carroll and Steve Kecskemeti won the 3,200 relay for Stevenson (8:04.5) with Catholic Central at 8:13.6 for second.

Jeff:

I hope someone sends you the complete results for the Gaylord regional. Katie Touran (Petoskey) was 4th in the 1600m with a 5:24.2.(official). The 3 girls ahead of her were in the 5:14 to 5:18 range. Nelkie, Kraft both from Ogemaw, and a Mt. Pleasant kid.

In the boys 3200, Jordan Emmory (Gaylord) and Dave Ernsberger (Petoskey) ran 1,2 at 9:40 approx. They were 1,2 in the 1600m at about 5:27.

By the way. I am glad you have decided to keep the site your self. I for one would hate to see you give up local control.

Dear Mr. Hollobaugh,

I am very impressed with all of the work you put into this site. It truly amazes me that you volunteer all of this time to update the site for the sake of the sport and for all of us athletes. All of your work is VERY much appreciated.

I have noticed that you do not have many of the performances listed from the OK Red (well, other than Dathan's). I thought the OK Red should be

represented in your lists, so I have included the top 6 performances from the distance events and a few others (I wish I could include them all, but I don't know grades for everyone). These come right from the official meet results. I realize some events will have only few that will make it on the list, but here are the top six anyway. And I am sure some of these are subject to change with the regional meet results coming in. Here they are!

Micah Howard

PS- I hope these are a help, and if you would like me to include all of the other events I can, I just don't know everyone's grades.

3200 relay-

7:57 Rockford Grandville/OK Red.....5/15/00
8:14 Holland

Western's Green win three events

Thursday, May 25, 2000

Bay City Western's Enoch Green felt right at home in the winners' circle at the Saginaw Valley League track championships Wednesday.

Green placed first in three events to lead the Western boys to a third place finish at the Valley meet hosted by Western.

Western scored 73 points to trail Saginaw Heritage (131) and Flint Central (92) in the 10-team meet. Bay City Central was sixth with 39 points.

Green placed first in the 1,600-meter run (4:35.78) and 800 run (2:02.4) and anchored the Warriors' winning 3,200 relay (8:18.87) which included Robert Samborn, Jaron Erickson and Quin Gillette.

Erickson finished second in the 800 (2:03.62), giving the Warriors a 1-2 in the event. Placing third for Western was George Phillips in the 3,200 run (10:20.67) and Jerod Wrzesinski in the shot put (44-10).

Jason Pacynski placed second in the shot put (45-5) and Jewel Pearson was third in the 110 high hurdles (14.7) to lead Bay City Central.

Midland High ran away with the girls championship, scoring 148 points to 84 for runner-up Flint Southwestern Academy. Bay City Western, led by a first place from Heather Jahr in the high jump (5-4), was fourth with 52 points while Bay City Central placed eighth with 26 points.

Ashley Pfenninger placed second in both the shot put (32-73/4) and discus (109-4) while Rikki Owczarzak was a runner-up in the 3,200 run (12:20.56).

Central's top finish was a third by freshman Jessica Pawlaczyk in the high jump (4-10). The Wolves also placed third in the 400 relay with a 1:49.69 time.

Garber runs to TVC victory

Wednesday, May 24, 2000

VASSAR - Essexville Garber won seven events to place first in the Tri-Valley East Conference boys track meet Tuesday, but missed out on the overall league title by a point.

The Dukes finished with 105 points to top second-place Frankenmuth, but lost out to the Eagles for the league championship based on dual-meet records. Caro was third in the meet with 75 1/2 points, while host Vassar was fourth with 75.

Andy Cojeen won both the 1,600-meter run (4:41.9) and 3,200 (10:24.9), and was part of the winning 3,200 relay team (8:38.3) to lead Garber. Howard Price, Kyle McKendree and Billy Ramos-Ruggero also ran on the 3,200 team, while Ramos-Ruggero, Steve Besson, Chris Stoffel and Jared Crane teamed up to win the 1,600 relay (3:34.9).

Nick Ballor won both hurdles events, taking the 110 hurdles in 15.0 and the 300 hurdles in 40.5. Ramos-Ruggero also won the 800, finishing in 2:00.7.

In the girls meet, Garber placed sixth, winning two events. Kristen Kazmierski won her third consecutive conference title in the 800 (2:30.1) and also anchored the 3,200 relay (10:28.4), running with Melissa Martin, Rachel Daily and Santana Arnold.

Mary Raney of Vassar won the shot put (40-3), as the host Vulcans finished fifth as a team behind first-place Frankenmuth. Vassar's Cindy Teschendorf set a school record in winning the pole vault, leaping 8-7.

Davison boys win first league track title in 35 years

Friday, May 26, 2000

By Weldon B. Johnson
JOURNAL SPORTS WRITER

The Big Nine conference track meet was a series of battles Wednesday evening.

Good teams fought it out for first place in both the boys' and girls' meets. Tough individuals went head-to-head on the track and tussled with record-setting efforts.

When it was all over, Davison's boys and Grand Blanc's girls came away with the team championships. But there were enough outstanding performances from all over the league to keep fans all over the area talking about what happened at Swartz Creek High.

Davison's boys scored 118 points and that, combined with an undefeated dual meet record, gave the Cardinals their first Big Nine track championship since 1965. The Cards came up big in the sprints to edge Carman-Ainsworth by 12 points in the team standings.

"We're pretty well-balanced, actually," said Davison coach Jack Kelts. "Today, the sprinters shined because Powers had a lot of distance kids that knocked our kids down. We knew that was going to happen. I have a senior-loaded team. We talked at the beginning of the year about how the seniors are going to have to carry the load. Today they did it.

"All the kids that were supposed to do the job, did the job today. It was a great team effort. That's the way we've won all year."

Senior sprinter Ryan Meyer won the 100 and 200 dashes and anchored the Cards' winning 400 and 1,600 relay teams. Davison's quartet of Dion Shields, Brad Scott, Tommy Dowdall and Josh Slater teamed up to win the 800 relay to give the team wins in every relay except the 3,200.

Powers distance man Justin Perez anchored the Chargers' win in the 3,200 relay. That was just the beginning of his exceptional meet.

Perez also won the 1,600 run, fought off Chris Jordan of Carman-Ainsworth to win the 800 and a few minutes later came back to win the 3,200 run.

Jacob Friess of Swartz Creek defended his championships in the 110 and 300 hurdles. Friess has the area's best times in both those events this season.

Mike Delorge of Carman-Ainsworth won the discus by more than 31 feet and his shot put of 61-11² set a school record. That throw made Carman-Ainsworth the first school in Michigan to have three athletes break the 60-foot barrier. Former Cavaliers Jon Runyan and Tim Fellows have also gone 60 feet.

In the girls' meet Grand Blanc scored 121 points to win, while Powers was second with 111 and Carman-Ainsworth third with 105.

Grand Blanc athletes only took first place in three events, but scored in all but two and had multiple scorers in several.

"Everything came out pretty much the way we planned," said Grand Blanc coach Andy Taylor. "We made some changes, taking (freshmen Tamra and Whitney Jackson) out of the relays and putting them in three open events. It didn't come out exactly the way we planned, but they got big points. The thing that helped the most was the relays that went without them placed second and third. Everybody did well."

Grand Blanc senior Ashley Eckell set a meet record with her throw of 41-51⁴ in the shot put.

Powers' Ashley Carroll set a meet record in the pole vault, winning in 11-1. She went on to match Perez's accomplishments on the night as she placed first in four events. Carroll also won the long jump and the 100 and 300 hurdles.

Emily Petrides of Powers won the 1,600 and 3,200 runs and anchored the winning 3,200 relay.

Goodrich boys, New Lothrop girls repeat

And the domination continues.

Both Goodrich's boys' and New Lothrop's girls' track teams continued their winning ways by running away with titles at the Genesee Area Conference meet at Lake Fenton Wednesday.

Goodrich racked up 164 points to finish a whopping 95 points ahead of runner-up Byron. The performance, coupled with a 9-0 dual campaign, earned the Martians their fifth consecutive overall league crown and their 10th in 12 years.

New Lothrop finished 39 points ahead of second-place Goodrich to cap a perfect GAC season with its second straight conference title and the Hornets' ninth championship in 11 years.

Goodrich has been perfect in conference boys' action since sharing the Genesee Eight Conference title with New Lothrop in 1996.

"We've established a tradition here over the years and we're just continuing on with what has been put in place here," said second-year Goodrich boys' coach Vern Miller. "I'm proud of the effort by these kids. It's a real good group to work with."

Goodrich won nine of the 17 boys' events.

Sophomore Nick Oertel won the 800, 1,600 and 3,200 races and also helped the 3,200 relay win. He also won the 3,200 as a freshman.

"We came in trying to go hard to win it," Oertel said. "There's no reason we should finish second."

Ryan Rainwater won the pole vault for the third straight season.

"This is awesome," Rainwater said of the Martians' conference title string. "We were working for this since the beginning of the year. We haven't lost a league meet since I've been here - that says something about our team. We don't like to lose."

Apparently, neither do New Lothrop's girls, who won four events.

"The girls set expectations early in the year and they want to keep the tradition up," said New Lothrop girls' coach Tim Krupp. "They really wanted it bad. This is more points than I expected."

Junior Jennifer Wendling won both hurdles races for the second straight year and the Hornets won both the 400 and 800 relays. Her 46.0 time in the 300 hurdles broke the meet record of 46.2 set by New Lothrop's Nancy Gross in 1992.

Wendling said an improved approach helped her set the record.

"My best was 46.6 but I didn't stutter step today, I took smooth steps," Wendling said. "I'd worked on it in practices but this was the first time I didn't stutter my steps."

She said there's an easy explanation for the Hornets remaining atop the conference.

"We worked so hard, we all did," Wendling said.

Atherton junior Jenny Kulchar won three individual races and also ran on the winning 3,200 relay. She won the high jump for a third time. Her 5-6 effort tied the meet record she set a year ago. She also won the 400 for a third time and successfully defended her 200 crown, setting school records in both races.

Kulchar, who also won the 800 as a freshman, won the 400 in 59.86, topping the 1:00.1 she established as a sophomore. Her 25.84 time in the 200 broke the school-record 25.9 set by her sister, Sarah, in 1997.

"I'm sure she's not going to be too happy," Kulchar grinned. "I'm afraid to tell her. She told me to leave that one up there for her."

Goodrich's Andrea Wilt won the pole vault with a meet-record-tying 8-6. Teammate Carrie Marshall set the mark last year and also matched it in taking second.

Flint track teams chilled in cold, rainy Bay City

AUBURN - Sixty miles made a world of difference for the local participants at the Saginaw Valley Conference track meet Wednesday.

While Flint saw sunny skies and pleasant temperatures, the conditions at Bay City Western High School were rainy, windy and cold.

"We were praying for good weather and when we left school it looked like we got it," said Southwestern Academy girls' co-coach Jim Jackson. "But when we got up here . . ."

The start of the meet was postponed close to a half-hour as a storm blew past. Once action got under way, a cold rain drenched the field in intermittent bursts. It's doubtful that even perfect weather would have changed the outcome of the meet, however, as Saginaw Heritage's boys and Midland's girls clearly outdistanced the competition.

Heritage placed first in the boys' meet with a score of 131, while Central was second with 92 points. Northern placed fifth with 39, Southwestern Academy was ninth with 10 and Northwestern's boys did not participate in the meet. In girls' competition, Midland led with 148 points followed by Southwestern Academy with 84. Northwestern placed ninth with 20 points, Northern was 10th with 18 and Central did not score.

"Things went about the way I thought they would," said Jackson. "I thought we could score about 85 points. I thought they did well under adverse circumstances."

The Knights couldn't match the Chemics' strength in the distance races and field events. While Midland scored 50 points in races over 800 meters and another 30 in field events, SWA's only points in those areas came from Ashley Cunningham's win in the long jump.

Cunningham took part in four first-place finishes for SWA as she also won the 200 dash and anchored the 800 and 1,600 relays. Sheena Loving also took part in three first-place finishes for SWA, winning the 400 and running on the 800 and 1,600 relay teams.

Northern's Martha Chisholm won the 300 hurdles for the area's only other championship in a running event.

One of the best individual performances of the day was turned in by Northwestern's Sakeya Brown, who won both the shot put and discus. The shot put championship was Brown's fourth Valley title while her discus win was her third.

"The day went well, although the rain threw me off a bit in the discus," said Brown. "I knew I had to do it because I was the

only one here for my team. I had to represent Northwestern well."

In the boys' meet Heritage overwhelmed the field as the Hawks took first places in seven of 16 events and scored in all but four.

"We knew it would be a tough meet with Heritage and us," said Central coach Carlos Benton. "We would have had to have some things happen for us to have a chance and we knew that. We scored in every event we had to, but we didn't have those other things happen."

Without star sprinter Charles Rogers (dismissed from the team), Saginaw wasn't at full strength and was unable to take away some of Heritage's points.

Central's individual champions were Sean Poole in the shot put and Dorrice Cunning in the 3,200. Cunning crossed the finish line second, but earned first place after the race ended as a Midland Dow runner was disqualified for shoving Cunning off the track midway through the race.

Northern's Nick Morgan took two first-place medals as he won both the 110 and 300 hurdles. Flint's only other champion was Brandon Womack of Southwestern Academy in the long jump.

Holly girls take first track title in 19 years

Thursday, May 25, 2000

Two days' rest.

That's all the Holly girls' track team had entering Wednesday's Metro League track and field meet at Oxford High School. Because of poor weather, the Bronchos had a makeup meet at Fenton on Monday.

Holly won that meet, beating the two-time defending league champions 74-53 to tie for first place in the final dual meet standings with Fenton and Oxford at 6-1.

In Wednesday's season-ending league meet, the Bronchos needed a late surge to hold off the Falcons en route to winning their first league meet in 19 years.

Holly finished with 118.5 points to edge Oxford, which finished in second place with 115 points. The league meet triumph also enabled Holly to capture its first overall championship since 1981.

"They got the job done today," Holly coach Jerry Hyslop said. "They had their legs and their heart."

In the boys' meet, Lapeer East won six events while capturing its second straight league-meet championship. The Eagles, who needed to win the league meet to take the overall title, finished with 112 points to edge Lakeville, which took second place with 94 points.

It is the third straight league title for the city of Lapeer, with Lapeer West having taken top honors in 1998.

"When the kids were freshmen they decided this is what they wanted to do," East coach Dave Gleason said. "Our seniors have carried us."

Pacing Holly, which won six events, was senior Amber Hardenburgh, who capped a stellar career by taking top honors in the 100, 200, long jump and as part of the Bronchos' 400 relay team.

"We are so excited," Hardenburgh said. "We all worked together as a team and we got it."

East was led by its core of seniors, most notably Kyle Korpalski, who won the 1,600, 800, 3,200 and anchored East's 3,200 relay team.

"We took a lot of points in the distance events, which helped a lot," Korpalski said. "Our group of seniors are real strong."

For many area track athletes, Thursday's 19th annual John Bos Invitational served as good preparation for next Saturday's state finals.

Thursday's events, hosted by Grand Rapids Community College and held at Houseman Field, was the last chance to get in some good competition against a quality field.

Unity Christian's Katie McKay followed up her championship in the 100-meter hurdles at the Division 2 regional meet last Friday with a win in the same event Thursday night. She won the 100 hurdles in a time of 15.6 seconds.

"In order to qualify for the finals at the state meet, I am going to have to run around a 15.6, and that was my goal here today," said McKay, a junior. "Today was a very good warm-up for me for the state meet."

Jenison sophomore Ashley Thomas was a two-time winner, winning the 400-meter run in a time of 58.2, and coming back to win the 200 dash with a time of 26.5.

"I was really happy with what I did tonight, because the wind was really strong out there," said Thomas, who won the 400 at regionals last week. "I think tonight will help me for state, because any practice will help, no matter where you get it."

For Forest Hills Central's Chris Moore, a state qualifier in the 1,600- and 800-meter runs, Thursday's meet was a chance to just concentrate on the 800. Moore won the event in a time of 2:19.5.

"I wanted to see what it was like to run the 800 without the extra warm-up of the mile," Moore said. "I wasn't as happy with my time, I have to work on it, but I think this is a really good meet, because it kind of gives you an indication of where you are, but still gives you time to work on things."

Three days after his three wins at the O-K Conferences Champion of Champions meet Monday, East Kentwood's Kip Paul won two events. He won the 100 and 200 dashes in times of 10.8 and 22.1, respectively.

In the 300-meter hurdles, East Grand Rapids' Joe Crawley beat Ottawa Hills Scotty Pearson by .3 of a second. Crawley finished the 300 in 38.1, while Pearson crossed the finish line in 38.3 -- both personal best times.

"I was really looking forward to (the matchup with Pearson)," said Crawley, who also won the 110 high hurdles in 14.2 seconds. "I was absolutely satisfied with the race"

Weather steals some, but not all, thunder at conference track meets

Tuesday, May 23, 2000

Rain has wreaked havoc with high school track events this month.

It was no different Monday night at the O-K Conferences Champion of Champions meet at Rogers High School.

A thunderstorm that moved through West Michigan canceled the meet just short of completion. All but two events were finished before the weather forced meet officials to end the meet.

In the boys meet, East Kentwood's Kip Paul came up just short of last season's performance in which he won four events. This year, he won the 100- and 200-meter dashes and teamed up with Mike Paul, Mike Davis and Donovan Terres to win the 800-meter relay. Only a second in the 400-meter relay kept him from repeating last year's feat.

"I wanted to do better, but I am still satisfied today," Kip Paul said. "I think we should have won the 400 relay, but the guys from Forest Hills Central got the baton quicker, and just got us by a little bit."

The Rangers nipped the Falcons by .04 in the 400 relay.

East Grand Rapids' Joe Crawley also was a triple winner, finishing first in the 110 hurdles, the 300 hurdles and the long jump. He was fourth in the 100.

Crawley set a meet record in the 300 hurdles with a 38.53.

Other records set in the boys meet came from Caledonia's Tim Ross in the 1,600 (4:19.43), Northview's T.J. Stark in the 400 (49.42) and Rockford's 3,200-meter relay team of Brian Smith, Andy Martin, Seth Folkertsma and Dathan Ritzenhein (7:52.60).

For Ross, a sophomore at Caledonia, it was a good run even though it wasn't a complete field.

"It was kind of a hollow victory, but even though Dathan (Ritzenhein, the area's best distance runner) wasn't in the race, it was still a good win," Ross said. "I wanted to get my best time here, and I did that. It is getting close to the state meet, and I wanted to get my time down."

Records also fell in the girls meet.

Wyoming Park's Sarah Stevenson broke her own pole vault record by four inches with a vault of 10 feet.

Rockford's Nora Colligan won the 800 in a record-setting time of 2:15.7, while the 800-meter relay team of Yana Smith, Nicole Gates, Stephanie Thompson and Candice Mulder of East Kentwood set the record with a 1:44.75.

Albion dominates TVAA meet

Thursday, May 25, 2000

Albion High School track coach Mike Jurasek turned the Wildcats loose on Wednesday night at the Twin Valley Athletic Association meet, and Albion's boys team nearly lapped the field.

Albion, which had 10 first-place finishes, dominated the meet by piling up 181 points to runner-up Marshall's 91.5. It was a romp that Jurasek has not seen out of his team in nearly 10 years.

"I took a lot of pictures," Jurasek said. "I'm really going to miss this group. It was a lot of fun to see what these kids could do."

Albion swept all four relays. Kevin Davis won both hurdles event, Tori Wilson won the 800 meters, Tonaehannah won the 200, Dominic Reid won the 100, and Lawrence Cornell won the 1,600.

In probably the best race of the night, Hannah edged Reid in the 200, finishing in 22.9 seconds to Reid's 23.0.

Reid won the 100 over Hannah by 0.1 second.

Other boys champions from the area in the meet were Mark Delcamp of Hillsdale in the high jump and Travis Ott of Western in the pole vault.

BOYS

Capital Area Conference: Jackson was sixth in the meet, which was won by Lansing Sexton. Jackson junior Eric Brown won the long jump with a leap of 21 feet, 1112 inches. Brown was Jackson's lone conference champion.

Big Eight Conference: Homer's Adam Hartle and Adam Booth established meet records, and Concord's Josh Lewis was a double winner in a meet won by Quincy with 131 points. Concord took third with 65, Homer was fifth, Springport seventh and Jonesville last. Hartle cleared 13-8 for a meet record in the pole vault. His closest competitor reached 12-0.

Booth won the 3,200 in a meet-record 9:37.7, with Jonesville's Jason Jacques in second place in 9:49.1 also beating the former record.

Lewis took the 110 hurdles in 15.3 and the 300 hurdles in 41.6.

Craig Veramay of Concord won the high jump at 6-1, and Curtis Wood of Springport was the 400 champion in 51.8.

Ingham County League: Benn Kunzelman and Warren Krueger took home league championships for Stockbridge, which finished fourth with 82 points and fourth in the final standings. Williamston won the meet with 140 points and took the league title. Kunzelman won the discus by six feet with a toss of 143-8. He also was second in the shot put and ran on relay teams that placed third and fourth.

Krueger took the 3,200 by eight seconds in 9:56.0. Krueger also was second in the 1,600 - in which Stockbridge also took third, fourth and sixth - and he led off the 3,200 relay team that finished second.

Lenawee County Athletic Association: Columbia Central finished second with 113 points, 16 behind winner Ida. Onsted (5012) and Hudson (47) finished fifth and sixth, respectively. Bernard Brantley finished first in both the long jump and 400, and Matt Campbell won the 300 hurdles for Columbia Central. For Onsted, Andy Ashworth won the pole vault and Tim DuBuc the 3,200. Duston Santana won the 1,600 for Hudson.

Southern Central Athletic Association: Zeke DuBacker helped Pittsford run away with the conference title by winning four events. DuBacker anchored the 3,200 relay team and won the 800, 1,600 and 3,200.

GIRLS

Capital Area Conference: Lansing Sexton won the meet, while Jackson finished fifth. Alicia Hooper, a freshman, won the 100 for Jackson in 12.1 seconds. Corinthia Wilson took the 800 and anchored the Vikings' winning 800 relay team that also included Hooper, Shavonie Baltimore and Katrina Johnson.

Big Eight Conference: Tiffany Spencer won the 400 in 1:01.3 and placed second in the 100 and 200 to lead Homer to third place in the meet and second in the final standings. Reading won the meet with 146 points to clinch the league title, Quincy scored 102 and Homer 73.

Melissa Rude of Concord won the 100 hurdles in 16.2 and was third in the 300 hurdles, and Camille Doan won the 3,200 in 11:57.9 as the Yellow Jackets finished fifth with 55 points. Kristy Snell of Concord was second in the 1,600.

Lawton continues unprecedented run in SAC track

Thursday, May 25, 2000

BY FRANK KROLL

KALAMAZOO GAZETTE

LAWTON - In legal parlance, the rest of the field could have pleaded "nolo contendere" (no contest) at Wednesday's Southwestern Athletic Conference track championships at warm, wind-swept Falan Field in Paw Paw, where Lawton coach Frank Sipes won his 14th consecutive overall men's title and sixth straight women's crown.

"We had a good year and we peaked here," Sipes said. "Give the credit to the kids. They performed really well. We have excellent leadership and a great group of seniors, juniors and sophomores."

The Blue Devils men's team cruised to victory, as did the women. On the men's side, Lawton registered 171 points to 90 for runner-up Gobles, 86 for third-place Fennville and 82 for fourth-place Martin. The women chalked up 151 points versus 98 for Marcellus and 91 for Fennville.

Despite one of the most impressive records in prep sports, the coach dismissed talk of a dynasty.

"Dynasty? I wouldn't go that far," he said. "There are a lot of good runners in the SAC and we better enjoy it while it lasts. And don't forget to give a lot of credit to our assistant Craig Rupp. He's been here 16 of my 19 years."

Sipes was confident going in that both teams would acquit themselves well, as were many rival coaches.

"We're shooting for second place," said Fennville women's coach Tim Schippers. "It's pretty much Lawton's meet."

Lawton's determination and dedication was epitomized by defending 100-meters champion Travis Brooks, who missed last week's regionals due to injury.

"I pulled a hamstring a few weeks ago and it just won't heal," he said. "I'm not supposed to run today, but I'm going to give it a try."

Brooks promptly went out and won the 100 with a clocking of 11.35.

Also for the victors, Jason Beech took the shot put, Rob Armstrong the long jump, Jens Berdahl the 1600 meters, Kevin Raber the 100-meter high hurdles, and Nick Martinez the 3200 meters. Lawton's 3200-meter relay team also prevailed.

Gobles' Mike Western captured the discus, Jarid Killeen both the high jump and 300 hurdles, and Brian Green the 200 and 400-meter dashes.

In other events, Rick Mena of Martin pole vaulted 12 feet to win the medal and the Martin relay teams took the 400 and 80 meters. Fennville's Marc Murphy claimed the 800-meter run.

In the women's meet, Lawton's first-place finishers included Katie Smith in the pole vault, A.J. Brucks in the shot, Addy Forrest in the 1600-meter run, and Katie Lawson in the 400 dash. And Lawson's 1600-meter relay team posted a comfortable victory to end the meet.

Marcellus, behind a terrific burst by anchor BreAnne Maak, claimed the 400-meter relay.

"I've been excited since the regionals and put everything I had in me into the relay," she said. "I'd love (the team) to be in first, but all the credit in the world to Lawton. They have a great program."

Fennville's Cassidy Castro won the 100 and 200-meter dashes. And Martin's Becky Justice brought Martin fans to their feet by taking the 110- and 300-meter hurdles.

Gull Lake, Three Rivers rule Wolverine

Thursday, May 25, 2000

BY BILL TEMPLETON
KALAMAZOO GAZETTE

SOUTH HAVEN - Gull Lake went the distance Wednesday en route to the women's portion of the Wolverine Conference track championship.

Coach Tom DeVault's Blue Devils dominated the events above 800 meters and got clutch performances in both the pole vault and discus to finish with 118 points and cap an unblemished conference campaign.

On the men's side, Three Rivers blended balance and depth to capture top honors with 138 points to put the finishing touches on an overall championship of its own.

DeVault and Gull Lake got a shining performance from senior Jeannie Seckinger, including a first-place effort in the 3200 with a time of 11:52.70.

Seckinger, who transferred last year to Richland from Haslett, also anchored the Blue Devils' winning 3200 relay team (10:16.90), while adding a third place finish in the 1600 (5:32.20) and a fourth in the 800 (2:32.70).

"She's an awesome runner who has done well all spring and was a major part of the distance component of our team," said DeVault. "Our big strength is in the distances, but it's really a well-rounded team."

Gull Lake placed multiple athletes in six different events, and got a 1-2-3 finish in the pole vault from Val Schipper (8-6), Katie Tobias (8-0) and Mary Servoss (8-0), while Erin Mayhew (92-3), Teresa Hutchins (90-10) and Kacie Wyman (86-9) finished 3-4-5 in the discus.

Plainwell, which finished third by a single point to meet runner-up Three Rivers, got outstanding performances from Katie Simmons and Heidi Saunders, each of whom won two individual events.

Simmons earned the meet's outstanding female athlete award with a winning high jump of 5-2, before setting a new conference record in the 300 hurdles with a time of 45.80 seconds. She also ran the first leg on the Trojans' winning 1600 relay team.

Saunders won the 1,600 (5:17) and 800 (2:24.50), before finishing third in the 3,200 (12:00.10).

The Three Rivers men's squad got off to a fast start with a 1-2 effort in the long jump by Clasean Hope (20-11/2) and Ron Thurman (20-1) and the Wildcats never looked back en route to the overall championship.

Three Rivers won three of the four relays and collected points from multiple place-winners in seven total events.

Hope had a monster night for Three Rivers, adding the 100-meter title (11.0 seconds) to his long jump crown, while also anchoring the Wildcats' winning 800 (1:31.40) and 400 (44.50) relay units.

Jimuel Cezar and Calvin Hilson each ran a leg on all three winning Wildcats' relay teams, while senior Brian Wetherbee claimed top honors in the discus (140-5) and finished third in the shot put (45-8).

Otsego standout Andy Foreman captured outstanding male athlete honors thanks to first-place efforts in both the high jump (6-0) and 400 (50.90), a runner-up finish in the 200 (23.30) and a third-place clocking of 11.20 in the 100 meters.

Big night for Portages at Big Eight meet

NILES - The Portage schools had a big night at the Big Eight Conference track meet at Niles High School Wednesday evening.

Coach Bill Fries' Portage Northern boys' team rode its Big Three, Kelly Baraka, Jim Campbell and Joey Sarantos, plus a solid supporting cast to an easy victory, rolling up 166 points and outdistancing second-place Kalamazoo Central, which had 92.

And in the girls' meet, coach Greg Flaska's Portage Central thinclads had a double-winner in junior hurdle standout Chelsea Peterson and also displayed the depth to claim first place with 128 points.

Peterson not only won both the 100 (15.81) and 300 (46.88), but she also ran the third leg on the winning 1600 relay quartet.

Portage Central's win, coupled with dual-meet champion Kalamazoo Central finishing third behind Battle Creek Central, gave P-Central its fifth straight Big Eight overall championship.

"We had a lot of kids come through," said Flaska. "We figured we could finish first and that if Battle Creek came in second we could win it all again.

"Our big guns like Chelsea came through and so did her backup, Jill Zemsta, who was third in both hurdles. Those were big points. Jessica Neesley won the shot (35-10.5). Sophomore Emily Hart, who had never gone better than 7-6, had a personal best of 8-9 in the pole vault and was second.

"And the two soccer players, Kaitlyn Cheesebro and Heather Haskins, were on the relay teams. They've really helped us this year."

Northern's boys' team captured the second jewel of prep track's triple crown by following up last Friday's Division 1 regional victory with its second straight Big Eight championship.

"We definitely feel we have some people who can compete at that level," said Fries of the state meet at Rockford on Saturday, June 3.

Junior Kelly Baraka was rockin' in the sprints, reeling off clockings of 10.98 in the 100 and 22.24 in the 200, plus he anchored the 400 relay team and ran the leadoff leg on the 1600.

Hurdles standout Jim Campbell remained unbeaten in his specialty and scored two convincing wins, while Sarantos earned Northern's MVP (most versatile performer) award by tossing the discus 177 feet, 9 inches, the shot a personal-best 60 feet, 9 inches and finishing fourth in the 100.

"We entered him in the 100 for the first time this year," pointed out Fries.

"Tonight was also a big plus for us because Adriel Morgan came back and ran the third leg on the 4 x 100 relay team." Morgan, who's missed most of the season with a hamstring pull, also won the long jump.

Sophomore Jessie Stewart of Kalamazoo Loy Norrix was another double-winner in the girls' meet, finishing nine seconds ahead of her closest challenger in the 1600 with a time of 5:20.90 and also capturing the 3200 (11:49.40).

Constantine, Colon big winners in SJV track

SCHOOLCRAFT - The St. Joseph Valley League track championship was like a Tale of Two Cities.

On the men's side there was coach Tim Baker's Constantine squad that stuck to business as usual by compiling 143 points, 52 more than second-place Schoolcraft, to take it's 10th league title in the last 12 years.

The women's side was a different story as Colon, which was nipped by Marcellus by a slim half point in last Saturday's Division 4 regional at Centreville, got a bit of redemption here Tuesday.

The Magi compiled 125 points, led by clutch performances by coach Dennis Babbs' distance runners, who had 10 points more than second-place Constantine.

Colon (5-1), second in the dual-meet portion of the schedule to Constantine (6-0), finished tied for first place in the league. This is Colon's third title in Babbs' 15 years as head coach but the first in 13 years.

"Back then (15 years ago), I came into a program that was really good and had a bunch of all-staters and you start to take that for granted," Babbs said. "Four years ago we had nine girls, now we have 32 and we're back on top.

Colon runners swept the distance races with Laycie Skinner bringing home first-place honors in both the 1600 (5:58.38) and 3200 (12:58.25).

Constantine's men are used to being on top in the SJV, mainly because the team's recipe for success includes a victory at the league meet each season.

"Tonight the big difference for us was knowing we couldn't win our regional (last Friday) and focusing on this," Baker said.

Senior leadership played a major role in the team's 12th league title in 16 years.

"Clinton Cooper is really special," Baker said about his talented senior, who won the 110hurdles and was on the first leg of the victorious 400 relay team.

"He broke his ankle playing basketball last year and missed his entire junior year," said Baker. "He's been a kid who gives us steady points and if there is a so called go-to-guy in track, he is ours."

Although Constantine and Colon won the team portions of the meet, the individuals took advantage of their chance to shine and the brightest were Centreville speedster Kelvin Singleton and Constantine workhorse Nicole Spears.

Each brought home four first place medals, which included winning the 100, 200 and 400 plus the long jump.

"This is more laid back," said Singleton, comparing the SJV meet to the regional he ran in last Saturday. "It was an OKday to run but I felt good."

The senior sprinter plans on attending Western Michigan University next year and hopes to run for the Bronco track team.

"I feel a lot of pressure sometimes," said Spears, "because they (her teammates) expect me to win, but that motivates me and gives me a lot of determination.

Michael Caro was a double winner on the men's side for Colon, taking first in the discus (139-6) and shot put (45-1). Kyle Cutler crossed the finish line first in both the 1600 (4:49.40) and 3200 (10:52.14) for Schoolcraft.

Patty Hempel was a double winner on the women's side for Centreville, setting a new SJV record with a pole vault of 8-8 and taking first in high jump (5-0).

All-star athletes shine

Friday, May 26, 2000

By Troy Ruel
CHRONICLE STAFF WRITER

Coaches and athletes alike had Thursday's 22nd annual West Michigan Invitational track meet circled on their calendars for some time.

For many it was a final chance to perform in front of a West Michigan crowd. For others it was a last chance to compete at all.

But for all, it was an opportunity to celebrate the end of a tough season and bid farewell to friends they've met along the way.

"I wouldn't miss this meet for anything," said Oakridge's Jeff Bowen, who won two events and took second in two others Thursday. "Even if I wasn't running anything, I'd be out here watching some of these other guys."

Most of the runners shared those sentiments.

Kent City's Jason Barbachyn and Leah Roche skipped Thursday night's graduation ceremonies and were rewarded with medals at the meet, while Grand Haven's Amy Kleist battled back tears on the awards stand after winning the 400-meter dash. Kleist's father, Stephen, died on Sunday.

"My dad would have wanted me to run," said Kleist, a junior sprinter. "These aren't my best times, but this is a good way to prepare for the state meet."

"It was well worth it. This is a great way to end the season," said Barbachyn, who finished third in the 3,200-meter run and came from behind to sneak past Mona Shores' Lance Vanderberg to win the 1,600-meter run. "I just wish some of my friends were here, too."

Mason County Central's girls track program caught the crowd's attention by dominating some of the middle-distance events, while Reeths-Puffer's Chavonne Evens once again took home plenty of hardware in the sprints.

No team scores are kept in the annual all-star event hosted by Orchard View and sponsored by The Chronicle.

Girls meet

Some of the schools that compete outside the Muskegon County line often struggle for attention. That wasn't the case Thursday.

Mason County Central's Leanna Wolf and Jenny Irwin each won three events, while Grand Haven's Kleist and Anne Zuelke and Ludington's Jill Russell also won individual crowns.

Wolf repeated as 800-meter run champion and ran legs of the winning 1,600 and 3,200-meter relay teams for the Spartans along with Jaime Anderson, Irwin and Crystal Flutur. Irwin also ran away with the 1,600-meter run for Mason County Central.

Kleist won the 400-meter dash with a time of 58.2, Zuelke won the 3,200-meter run and Russell won the 300-meter low hurdles for Ludington.

Muskegon area schools showed they still own the sprints as Evens and Muskegon's Kenya Moses took turns impressing the crowd.

Evens won the 100- and 200-meter dashes and anchored the winning 400-meter relay team of Ashley Neinas, Amanda Storck and Molly Crouch. Moses won the 100-meter hurdles and was on the winning 800-meter relay team for the Big Reds.

Reeths-Puffer's Storck set the only meet record with a mark of 10-012 in the girls pole vault.

Rosalyn Robinson of Mona Shores won the high jump at 5-1, while Ravenna's Andrea Johnson took top honors in the shot put with a throw of 39-012. Mason County Eastern's Gretchen Shoup won the long jump at 17-1.

Orchard View's Ashley Swainston and Sarah Horsly finished 1-2 in the discus. Swainston's throw of 137-2 is the second-best heave in meet history.

Boys meet

After reinjuring his knee in the long jump and finishing second in the 100-meter dash and 400-meter relay, Oakridge's Bowen was debating whether to give his leg a break.

"It's a showboat meet, we all know that," said Bowen. "I don't like finishing second and I felt like heading into the 200 I had disappointed some people tonight, especially myself. I wanted to go out and give them the best show I could."

So the Oakridge senior bolted by the field and collected his fourth medal of the night by beating Mona Shores' Ryan McClees at the finish line of the 200-meter dash.

Earlier in the evening, Muskegon's Orlando Walton beat Bowen in the 100 and teamed with Ken Melton, Eric James and Melvin Foley as the Big Reds blazed to the championship in the 400-meter relay.

Whitehall's Jau Nichols was also a two-event winner by taking top honors in the 110-meter high hurdles and beating teammate Bryce Smith in the 400.

"This is a fun meet. It's the last time I'll compete against some of these guys," said Nichols. "You can relax and just go out and run for fun."

Ludington's Benjamin Stephens, Kris Harmin, Adam Ferguson and Matt Hughes teamed together to win the 800-meter relay with a time of 1:32.0. The Orioles also won the 3,200-meter relay to start the meet.

Fremont's James Jones beat his personal-best time by 11 seconds by winning the 3,200-meter run with a time of 9:37, while Jordan LeClair of Spring Lake won the 300-meter hurdles.

Mona Shores got a little revenge from a bad handoff at the city meet by winning the 1,600-meter relay with the team of McClees, Kent VanderVrede, Scott Swinburne and Eric Caruthers. Caruthers also won the 800-meter run earlier in the night.

Hesperia's Jay Dixon edged out Ludington's Caleb Anthony in the discus, while the two swapped spots on the podium in the shot put. Reeths-Puffer's Tony Gawron tied his personal best by winning the pole vault with a jump of 13-3 and Whitehall's Smith won the high jump.

Numerous records fall in WMC meet

Wednesday, May 24, 2000

The Whitehall boys and Mason County Central girls were the meet champions.

By Scott Brandenburg

chronicle correspondent

SCOTTVILLE - For the first time in close to 40 years, Mason County Central played host to the West Michigan Conference track meet.

The WMC athletes might want to meet there more often.

Seven conference marks fell in all, four on the boys side and three for the girls, and another four athletes would have set new WMC marks had they not been beaten by their counterparts. And those aren't including all the school records and individual personal bests.

"It's a fast track," said Mason County Central coach Ben Nelson. "We were also fortunate enough not to have much of a breeze."

"This is probably my favorite track now," said Whitehall senior Bryce Smith, who ran a 50.3 400 meters to break a 29-year-old conference record. "It's really fast."

The Spartan girls used their home advantage to win their first outright WMC crown since 1997. Last season the Spartans won the dual season, only to see Whitehall earn a share of the title by taking the conference meet.

Mason County Central finished with 155 points and Ravenna claimed second with 114.5 points. Whitehall took third, followed by North Muskegon, Shelby, Montague, Hart and Oakridge.

The Whitehall boys refused to be knocked from their perch atop the conference, posting 133 points for their seventh straight title. Oakridge rallied to take second with 101.5 points, followed by Ravenna, Mason County Central, Shelby, North Muskegon, Montague and Hart.

Girls

The Spartans had more than enough talent and incentive to cap off the perfect conference season.

"We wanted this one a lot," said MCC sophomore distance runner Jenny Irwin. "We really wanted to beat Whitehall after they beat us for the split last season. We've thought about this all season."

The Spartans also wanted to do well at home as well as build up momentum for the state meet after finishing second in regionals.

"They were ready to run," said Nelson of his girls squad. "They wanted to do well at home, that's for sure. I can't say enough about Jenny and Leanna (Wolf) and the rest for the job they did."

Irwin led the way for the Spartans with two individual event wins (1,600, 3,200) as well as contributing to two relay wins (1,600, 3,200).

Wolf also had a hand in the two winning relay teams in addition to setting the meet mark in the 400-meter dash.

"I felt pretty good out there," said Wolf. "I'm glad we won because I think we deserved it after how well we ran this season."

Shelby's Jennifer Johnson and Ravenna's Andrea Johnson set meet marks in the pole vault (911) and shot put (40-3), respectively.

Boys

Jau Nichols and Bryce Smith each won a pair of events to lead the Vikings to yet another crown.

"Every year is exciting because every year I get new athletes," said Whitehall coach Kirk Mikkelson, whose dual-meet record is 49-0 over seven seasons. "It's nice to see the young kids come in as freshmen and then progress over the years."

Or in the case of Smith, to progress over only two years. Smith didn't compete in track until his junior season, but now he owns the WMC 400-meter dash meet record.

"Last year I just came in and learned from seniors Gavin (Haan) and (Nate) Hesse and their leadership," said Smith. "This season I knew it was my turn and the rest of the seniors turn to step up."

The other three meet records all came in relay events. Two of them (400, 800) came from the Shelby quartet of Josh Ford, Erasmo Salinas, Clint LeaTrea and Jeff Girard.

Ravenna's 3,200-meter relay team of Eric DeWit, Joe Miller, Matti Sullivan and Billy Howard set the other meet record with a time of 8:13.98.

Dixon helping Hesperia to record-setting season

Thursday, May 25, 2000

By Scott Brandenburg
CHRONICLE CORRESPONDENT

The discus weighs 1.6 kilograms, or roughly 3.5 pounds. The shot is even heavier at 12 pounds.

Imagine the combined impact the two have on the ground when thrown three times each on a given day.

Then multiply that times 23 meets and you'll start to come close to imagining the impact Jay Dixon has had on the Hesperia boys track team.

"Jay has been a big addition to the team," said track coach John Patrick. "He's helped us not only with points but with leadership and enthusiasm."

Dixon, a senior, transferred to Hesperia this past fall from Ohio and first made an immediate impact on the football field, where he played on both lines. The 6-foot-2, 280-pound senior helped the Panthers to a few wins while earning all-conference and all-area honors as well as a Detroit Free Press all-state selection.

But Dixon's best contributions may be coming this spring.

With Dixon hurling the shot and discus, the Panthers finished fourth at their regional meet, their best finish in 25 years. Of course, it's a big help when you can count on 18 or 20 points that Dixon gives the Panthers.

"I basically just go out and try to get the team as many points as possible," said Dixon. "I'm just a thrower, so I try to make sure I help where I can."

Dixon not only broke the school record in the discus, he shattered it, throwing for an area best 169-10. The senior Panther also has the area best shot put of 51-4, although it's a few feet short of the school record. The discus mark is a personal record, while Dixon's shot put best is 54 feet set last year.

Heritage breezes

Charles Rogers is scratched after an argument with his coach.

Thursday, May 25, 2000

GREG MANCINA
THE SAGINAW NEWS

The Heritage boys' track team had an easier day than expected Wednesday in the Saginaw Valley League championships, and not only because Saginaw High sprinter Charles Rogers did not participate.

"I expected to win," said Hawks coach Jeff Rastello, "but I didn't expect us to dominate to this extent.

"I thought we might even have a letdown after winning the regional, so I got the guys together and said 'Let's focus,' because I didn't want to win a regional and not win the league meet."

Outscoring second-place Flint Central 131-92 pretty much describes the dominance. The confusing part of Wednesday's meet was Rogers' absence.

The three-sport star and holder of two Saginaw Valley League sprint records took the bus with his team to Bay City Western High School, but then was scratched from the lineup after a heated argument with coach Lee Arthur.

Arthur, who is Rogers' cousin, said the disagreement came during a meeting with the seniors in which he spelled out the participants for each race. Arthur said Rogers had his own ideas about what to run.

"I look at him as my son, but it comes down to what is right," said Arthur, who wanted Rogers in four races, including either a 400-meter dash or a leg of the 1600-meter relay.

"It's not all about one person, this is about the team," Arthur said.

The coach said it was unclear if Rogers would return for the Saginaw County Meet on Tuesday or the Division 1 state finals next week.

"If he comes back for the state finals, then you'll know he's learned something," Arthur said.

Mr. Hollobaugh:

I understand that you are very busy with the everyday events of life and the website..but I thought that I would just drop a line to inform you of where a local distance star will further his education. Derek Byrne of McBain is going to be attending Michigan State University in the fall in the honors' college there. Also, I would like to submit information on myself. I was a distance runner for Pine River High School and I graduated last May (May of '99). I will be going to Central Michigan University in the fall after 1 year off.

With the business aside, I would just like to say that you are doing a wonderful job with the website and I still frequently visit the site now, even just as a leisure runner now that I am out of school and have no opportunity for competition with my busy schedule. Keep up the good work.

Sincerely,

Stefan Britt

Hi Jeff,

I'm Tim Heim, one of the two Saline Middle School boys track coaches. Coach Tom Fredricks from our
high school turned me on to this site. Thanks for posting the kids times. The following students
data will update you for the season.

Thanks!!

I faxed you the results of the Big 9 Conference meet last Thursday, but I had some trouble with the
fax. It appeared in the Flint Journal on Friday, May 26. Also, they have my vault down as 11' 1",
but it was actually 11' 7". Let me know if you got the article.

Thanks, Ashley

Although she ran her best 100 hurdles she fell in the 300 hurdles with a 5 yard lead on event winner Lindsay Bond. Heart breaking at best since this is really what she worked so hard to do this year. 100 hurdle time at the Oakland County meet at Clarkston Michigan on Friday the 26th was 14.83 still looking to reach her goal of 14.7 this year. She should do this in the State Finals this Sat. She also anchored the best time her 1600 relay team with a 4:08.8 time. This will also drop at states to a 4:06 or 4:05. The prior Tuesday at Lake Orion, Ashley ran the 600 meters in 2:16.9 breaking her own school record. The Rockford Girl and Ashley should break the old mark of 2:12.02 now that Ashley finally has someone pushing her. She will not run the 300 hurdles before this race and if I can convince her to not run the 100 hurdles to conserve her energy, I will. You convinced me not to have her run all four events in the indoor which proved out to be a smart move. I can only wish I'm that successful this time.

In case you're wondering why you're getting this mail so late on a Friday night, I just got back from the Oakland County meet. I am quite jazzed because we manage to take second place! It was a total shock, because we only scored 48 points (Southfield won with 100). I figured we'd get fourth or fifth with that number of points. I was extremely happy with the girls. They beat their seed times and and places. We broke or tied six school records this week between the conference and the county. I've got a few updates for you. I'll fax more when I get the full results.

From Oakland County:
400 meter relay: WLC 51.6
800 meter relay: WLC 1:47.2
1600 meter relay: WLC 4:10.8
300 hurdles: Lindsay Merritt (12) WLC 46.8
3200 Run: Ashley Prince (10) WLC 11:42.3
100 hurdles: Lindsay Bond (11) Southfield 13.9

From WLAA Conference Meet:

123'.3 Jamie Barbour(Dearborn Edsel Ford) 10 Dearborn/Mega Red.....5/23/00

Jamie came in first in both events while second place finishes did not qualify for your list. I was armed and ready this time with a pen to get the names and throws of the other competitors this time but came up empty handed.

Take care! Jim Barbour

Rogers spectacular

The Saginaw High speedster breaks all kinds of records in his final "home" track meet.

Wednesday, May 31, 2000

GREG MANCINA
THE SAGINAW NEWS

Saginaw High track coach Lee Arthur said he could see it in his eyes, while Charles Rogers said he could feel it in his stomach.

"I told the guys before the meet, I felt it was going to be a record-setting day," Rogers said.

"This (the Saginaw County Meet) was my last track meet at home."

Both he and it went by in a flash.

Rogers won the 100-meter dash in 10.2 seconds - actually a :10.16 that gets rounded up off the stopwatch - to eclipse his own area mark of 10.4 seconds set earlier this year.

And later, the 6-foot-4 football All-American clocked an amazing 20.6 seconds in the 200 dash, this time breaking a record that former Trojan Reggie Jones set in 1973.

"I wanted to have my name on that wall, Reggie Jones has been up there for 25 years," said Rogers, who also helped his teammates set a Korf Meet record of :42.2 in the 400-meter relay.

"He set the goal, I've never seen him really set the goal before," said Arthur.

Rogers said that he and teammate Jeremiah McLaurin went to lunch at the Ponderosa for the "pregame meal" and then focused on his last week as a high school athlete. Rogers will run four events at Saturday's Division 1 state final meet at Rockford High School.

"I felt more relaxed," he said. "I just felt good all day."

His turn

Heritage's Derold Sligh ends up with the MVP hardware at the Saginaw County Track Meet.
Wednesday, May 31, 2000

THE SAGINAW NEWS

Derold Sligh knows the deal.

"I don't play football," said the Heritage High School senior track star.

While Hawks classmate Stuart Schweigert was plastered all over the TV and papers during football season, Sligh was quietly taking the Saginaw Valley League MVP in soccer.

After sharing the spotlight during basketball season, Sligh then had to see and read all about the Schweigert dash races against Saginaw High's Charles Rogers.

But Tuesday was different.

Sligh was named the MVP of the sixth annual Herb Korf/Armin Schultz County Track Meet after winning four events, including the long jump, 400-meter dash and legs of the winning 800- and 1600-meter relays.

"I don't run for other people, I run for myself," he said. "But it's nice to get recognized."

The same is true of Arthur Hill sophomore JoAnn Rushdan, who took the MVP hardware for the girls after winning the 100, 200 and long jump, and placing third in the 800-meter relay.

"I've always been the fastest one in my class," said Rushdan, 15, who also is Vonnie Killmer's point guard in girls' basketball.

Rushdan's 11.9-second performance in the 100 was a school record, and propels her to the top of the Saginaw area's weekly listings. She is 15-hundredths of a second off of Christina Peterson's mark from 1998.

"I've been working at it," she said.

Her performances in the 200 and long jump also place her among the top athletes in the weekly listings.

Sligh also is a regular in the weekly listings, and set a pair of Korf Meet records on Tuesday - 48.9 seconds in the 400 dash and as part of 1600 relay team (3:23.6).

His MVP honors were a surprise to some who saw Rogers win the 100 and 200 dashes in meet, school and area record times, along with 400-meter relay victory.

Rogers clocked a :10.2 in the 100 and a :20.6 in the 200, eclipsing a record former Trojan Reggie Jones set in 1973.

Two area girls win four events in Badar

Wednesday, May 31, 2000

By Bill Khan
JOURNAL SPORTS WRITER

It didn't feel like this would be an historic night for Ashley Carroll. It felt more like a night off should be in order.

But in a track and field meet which some top athletes have skipped for far flimsier reasons, Carroll worked through the pain on the inside of her right knee to win four individual events Tuesday in the 31st annual Badar Classic at Carman-Ainsworth Junior High.

Carroll, a junior at Powers Catholic, became the first athlete - boy or girl - to win four individual events in the history of the meet.

Southwestern Academy senior Shelitha Alston also won four events, with three coming in relay events.

Carroll, coming off four victories in the Big Nine Conference meet, had no idea what laid in store when she arrived at the track Tuesday. She not only won the pole vault, long jump and both hurdle events, but captured the 100-meter hurdles with a personal-best 15.05 seconds. She won the 300 hurdles in 46.31, the long jump in 16 feet, 71¹/₂ inches and the pole vault in a meet-record 11 feet.

"It didn't look like a good day," Carroll said. "I just took it real easy. Then I had the best 100-meter hurdle race of my life. Then I cranked my vault out at 11 feet. I missed 12-3, which would have been a state record. The first one was very close. It was a disappointment, but considering how the day started out it was amazing."

With the state meet coming up Saturday, Carroll was faced with a tough decision. By competing, she risked aggravating the injury and jeopardizing her state chances. But not competing was a greater risk in her mind.

"I considered not doing the meet, but then I thought anything I would gain from resting I would lose mentally," Carroll said. "I really needed this meet to carry into the state meet and give me the extra confidence." Carroll's accomplishment is historic, but Alston's is nearly as rare. Before this year, only three athletes had won four events in the Badar Classic, all Central girls who did

so in recent years with one individual victory and three in relays. Crystal Ewell was a four-event winner in 1997 and 1998, Ada Malloy was in 1997 and Mia Malloy was in 1998.

Alston won the 100 in 12.70 seconds and was on the winning 400, 800 and 1,600 relay teams.

As usual, the meet was dominated by athletes from the larger schools in the Flint area.

The predominantly Class C Genesee Area Conference had only four winners in 34 events, with Atherton junior Jenny Kulchar having a hand in three of them.

Kulchar won the high jump in 5-5, the 400 in 59.66 and anchored the winning 3,200 relay team with a personal-best 800 leg of 2:17. Kulchar was the state Class C high jump champion last spring and took third in the 800.

"The one thing I really want to work on is the two-mile relay," Kulchar said. "I've already won a state title and I want other people on the team to have that feeling."

Sheena Loving was on all three winning relay teams for Southwestern Academy, while Ashley Cunningham was on two of those teams and won the 200 in 25.68.

Other girls who won individual events were Swartz Creek's Erin Stone in the 1,600 (5:38.03), Holly's Jenny Tschirhart in the 800 (2:28.17), Powers' Emily Petrides in the 3,200 (12:32.10), Grand Blanc's Ashley Eckel in the shot put (38-9) and Swartz Creek's Alexis Cartwright in the discus (115-6).

The only three-event winner in the boys' meet was Northern's Justin Davis. Davis won the 100 in 10.76, the 200 in 21.91 and was on the winning 400 relay team.

Swartz Creek led all boys' teams with four victories, two apiece by Jacob Friess (110 hurdles, 300 hurdles) and Ed Courtney (3,200 relay, 1,600).

Other boys who won two events were Carman-Ainsworth's Mike Delorge (shot put, discus) and Lapeer East's Adam June (high jump, 1,600 relay).

Holly's Darius Lake won the 400 (52.19), Carman-Ainsworth's Chris Jordan the 800 (1:59.22), Grand Blanc's Matt Edwards the 3,200 (10:00.60), Goodrich's Ryan Rainwater the pole vault (13-6) and Southwestern's Brandon Womack the long jump (21-3).

Special sprinters

Mora Arnold knew her competition was good, she just didn't know how young it was.

Arnold, who was named the Outstanding Female Athlete at Tuesday's James R. Selby Classic, was edged by Jackson High School freshman Alicia Hooper in the 100-meter dash.

Hooper finished in a personal-best 12.0 seconds, beating Arnold by one-tenth of a second.

"Her seeding time was lower than mine, so I knew she was fast," said Arnold, a senior at Chelsea. "But I didn't realize she was a freshman. To be that fast already is great for her."

Arnold wasn't fazed by the setback and rebounded to smash her own meet record in the 200. She finished in 24.5, bettering the 24.9 mark she set last year.

"I wanted to push it," Arnold said. "But I didn't think it was that fast."

Arnold also ran the anchor leg of the 1,600 relay to win that event for her team. Chelsea sat in third place when she took the baton.

Arnold is qualified in four events for Saturday's state meet, but she does not know if she'll run them all.

"I'm in the 100, 200, 400 and 800 relay," she said. "I'll probably make a decision this week about what I'll run."

Arnold was scratched from the 400 for the Selby meet. Her best time in that race was three seconds faster than the next competitor.

Hooper ran in three consecutive races, winning them all. She was more than a second ahead of the second-place runner in the 100 hurdles, finishing in 15 seconds. Northwest's Holly Mordhorst was second in 16.1.

Hooper then beat Arnold in the 100 before running the lead leg for Jackson's winning 800 relay team.

Arnold and Hooper were the only multiple winners for the girls. Several others posted good performances, though some were scratched from some events to rest for Saturday's state meet.

Victoria Spencer of Napoleon cleared 5 feet to win the high jump and finished second in the 400 behind Northwest's Jessica Laraway.

Addison's Ariel and Brigid Kelly did well in the throwing events. Ariel won the discus with a toss of 118-10. Brigid was second in the shot put with a throw of 34-312.

G-K track meet previews state championships

The Portage Northern men and Portage Central women stole the spotlight Tuesday at the Greater Kalamazoo County track and field meet at Comstock High School. In what amounts to a dress rehearsal for the upcoming state finals, the Northern men captured eight events, including two by hurdler Jim Campbell and two more by Joe Sarantos, who earned the discus and shot put medals. Sprinter Cherie Mays sparked the Mustangs with victories in the 100 and 200 meters.

Other familiar names sparkling in the meet that attracted 15 women's and 14 men's team included Mattawan sophomore phenom Sara Jean Baker, who claimed the high jump with a meet-record leap of five feet, six inches and the 400 meters with a time of 58.10. She also anchored the Wildcats winning 1600-meter relay team.

"There was no holding back," Baker said. "I put all my effort in the relays today to get ready for the states.

Her Mattawan teammate, Cailen Wells, won the pole vault by clearing 11 feet, one inch.

Portage Central's Chelsea Peterson also bagged two medals by taking the 100-hurdles and the 300-meter low hurdles with a G-K record 46.00.

"The closer the competition, the better I run," Peterson said.

Campbell took the 110 and 300 hurdles, the latter with a meet record clocking of 38.80. In both races, he out-duelled Zach Tocco of Comstock. In the 100, he posted a time of 14:70 to edge Tocco by three-tenths of a second.

"I expected a tough race from Zach and I got one," Campbell said. "I need that kind of challenge to run my best."

Gull Lake's Kurtis Marlowe turned the 1600 meters into a one-horse race. His time of 4:25.00 was a full 15 seconds ahead of second-place Josh Waddell of Vicksburg.

"I've been pushed all year, and it was kind of nice to open it up and see what I could do," he said.

Kalamazoo Central showed its mettle at the non-scored meet. Darius Johnson won the 200 dash (22.60) after finishing second to Northern star Kelly Baraka in the 100 (11.30). K-Central's Michael Brenes took home the high jump by clearing six feet, five inches. And the Loy Norrix men's relay team of David Hughes, Clarence Thigpen, Alan Burniue and Travis Lewis) brought home the 3,200 meter medal (8:30.20).

Kalamazoo Christian coach Pete Finley, like most of his colleagues, approached the meet with an eye toward the weekend.

"Our big gun athletes ran just one or two events to get ready for the weekend," he said. "Lauren Calyn, who high jumped (a meet record) 5-5 today, could do well. And our relay team has placed in the state four years in a row and we want to keep that going and we think we can."

Audrey Batts gave Finley another reason to be optimistic when she won the discus with a throw of 107 feet.

"The G-K is a tuneup for the kids who are going to the state," echoed Northern men's coach Bill Fries, "And ... I think we've got a real shot at the state title."

Hackett brought a small contingent but did well with Adrienne Field winning the 800 meters and Jeanna Wick the women's long jump.

Jeff,
A parent of my team told me about your site and think it's great. We just finished an undefeated season at L'Anse Creuse Middle School-North in Macomb Township. I have some times/distances that may make your newest list. Hope so. Keep up the good work.

Jeff,
My middle school girls track season has come to a rewarding end. We made it three in a row. Big North Conference Champs 98,99 and now 2000. Almost every girl had a PR in her event so the day was very exciting for everyone.

Below are my final additions to the middle school list. They may not make it into the top five but I will send them along anyway.
