

Boys Division 1

June 1, 2002 at Rockford High School

Complete Results – All sections and heats have been added. Also, I have added additional placers in the distance races in cases where the coaches have told me the athletes' times. After 8th place these are not official times, but coaches times. Also, meet officials published hand-times for all events in which FAT times were not available for all 8 placers. I have shown the auto times where available in these events; most notably, we now have FAT times for Tim Moore in the 3200 and Mumford in the 4 x 400. Still to come, selected split times, plus any more submissions of distance times that are sent to me.
