

.....THE SCOUTING REPORTS.....

Questionnaires were sent out at the end of the last school year to all teams that qualified for the State Finals or were ranked in the final CCIR and some additional schools in each division. This issue is being mailed a couple of weeks earlier than previous years and that is probably why so many questionnaires were not returned. Schools that changed division are listed with their new division. Boy's invitational results were from CCIR rating files, since they were used in the rankings and we have that information. It was not available for the girl's teams. When no information was available for grades ?? is used.

The following is the format of the scouting reports. Schools are listed in alphabetical order in the division they are competing in this year. Information for each school and the order it is in: place in state finals/final CCIR final ranking. Schools that were not in the state finals, or were not ranked at the end of the season will have "-" in that position. Teams that were ranked with the others will have "o". The first set of parentheses contains the school's dual meet record/place in conference-conference. The second set of parentheses gives the place in invitationals that they participated in last season.

Next comes the name(s) of the graduated/lost lettermen- team position/school they are going to run for, if any. Following will be the names of the returning lettermen- team position/grade for the coming season. Runners that were in last year's State Finals will have their place before their name. The same information will be given for reserves/new comers. Runners that were listed in the State Final result last year and not in the coach's report will follow "not listed". All-state cross country runners will be indicated by "@", each "@" indicates a year earning all-state honors. If available, top time returning + time spread of the top 5/7. Individuals that scored for the state track finals will have their place/event listed. Coaches name and comments, if any. Individuals that scored in the 800, 1600 or 3200 and are not listed in the cross country report follow "track" after the returning individuals.

2004 SCOUTING REPORTS DIVISION 4 - BOYS

From div. 3: East Jordan, Hudson, Valley Lutheran (3) **new:** Bloomingdale, St. Philip (2)
Moving to Div. 3: Byron, Henry Ford Academy/Dearborn, Inland Lakes, McBain, Saranac, Unionville-Sebewaing (6)

There will be a new champion in D4 since the 2003 champion Harbor Springs has moved to D3. It is too bad for Springs as they would have been in great shape to repeat.

This may be the most wide open championship meet of the day. There are only three teams from the Top 10 last year that return at least five runners from the Final Meet. Runner-up Hudson lost their top three and #6 at the finals. Vandercook Lake/3rd also lost their top 3, while Bath/4th lost the individual champion Liam Boylan-Pett, along with numbers 4 and 5.

You have to go to sixth and seventh place teams to find a returning full team. Bear Lake/6th probably looks to be the favorite on paper as they only lost their #4 from last year. They were the first team to finish 7 runners, with all under 100. They will be led by two all-state runners, Luke Allen and Josh Groenwald. They had four sophomores and a freshman in the final race last year, so the experience has got to be a plus. St. Francis/6th and Greenhills/10th are the only other Top 10 teams with a full team returning. Greenhills also only lost one runner. They cannot match the front runners of Bear Lake and they had two of their runners well into triple digits. St. Francis lost #4, did not have an all-state runner and 6 & 7 were well into the hundreds.

Hale/5th has the front runners returning as 2 of their three all-state runners, Curtis Barclay and Kevin Coulson, from '03 return but they graduated 3 runners. Their front two may be a little stronger than Bear Lake but they need another runner. Bear Lake also had 7 in front of Hale's fifth.

D4 is always hard to analyze. The teams are usually small and do not have a lot of depth. There is often personal change from year to year and the addition or loss one or two runners can have a real impact.

The premier running families in D4 have ended their run in D4. Shays from Central Lake and Boylan-Petts from Bath have dominated this division in the fall and spring for several years. Stephen Shay gave the Shay family its fifth D4 individual championship. Brother Ryan won 4 previously. He started what turned out to be a tough day for defending individual champions by beating defending D4 individual champion Liam Boylan-Pett. Both are moving on to the college scene, Shay to MSU and Boylan-Pett to Columbia. We wish them both well.

Josh Hofbauer/Harbor Springs, in third place was the only underclassman in the top 7 finishers. and he is now in D3. His teammate Spencer Beatty was the next underclassman at seventh. this means that there are only three runners returning from the Top 10 last year. Dustin Dodge/Belleveue, Chris Stoddard/Bath and Curtis Barclay/Hale. Those runners were a minute or more behind the winner and over a half minute behind Hofbauer. there is not a lot of experience back as over half of the Top 30, all-state, runners graduated.

Returning 2003 All-State runners: Josh Hofbauer-s/Harbor Springs@, Spencer Beatty-j/Harbor Springs, Dustin Dodge-j/Belleveue, Chris Stoddard-s/Bath@, Curtis Barclay-s/Hale, Caleb Erway-s/Morenci*, Benjamin Curl-s/Jackson Christian*, Pease-s/Hamp-j/Ann Arbor Greenhills, Devon Bruger-j/Marcellus*, Luke Allen-s/Bear Lake, Josh Groenwald-j/Bear Lake, Kevin Coulson-s/Hale, Justin Vore-s/Auburn Hills Oakland Christian, Drew Blake-s/Coleman..... 9 seniors 5 juniors

2004 SCOUTING REPORTS DIVISION 4 - GIRLS

From div. 3: East Jordan, Hudson, Valley Lutheran (3) new: Bloomingdale, St. Philip (2)
Moving to Div. 3: Byron, Henry Ford Academy/Dearborn, Inland Lakes, McBain, Saranac, Unionville-Sebewaing (6)

There is not a lot that graduated from the Top 10 teams in D4 last year. Harbor Springs, ninth last year, will definitely be out of the mix because they are D3 now. The only other team not returning at least 5 from their State Final team last year is Greenhills, the runner-up. They were hit pretty hard losing 1-3-5 from that second place team.

Champion **St. Francis** lost their top runner, but returns everything else. Using their sixth runner's place they would have been five behind third place **Charter Crossroads Academy** last year, who returns their entire Final's Team. St. Francis will be led by all-state runner **Jena Brown**. They were the first team with 5 and 7 runners in and the only D4 team with all runners in before 100. Their weakness was a lack of a real front runner as their two all-state runners just made it, 28 & 30 overall. Only 5th place **Richard** had a higher total for their top 2 runners in the Top 10 teams. St. Francis's strength was their group. D4, especially, if you have five runners that can run together you will be in the meet.

Crossroads Charter Academy, third last year, returns their entire Final's team. They were young last year with four freshmen and a sophomore. **Rebecca Monroe** finished in the top 10 overall and was joined by teammate **Stacey Leyard** in earning all-state honors. They were not a deep team and will need the strength up front to win this year. Fourth place **Potterville** in another team that returns their entire team from last year and they were as young as Crossroads was. **Audrey Dahlgren** and **Jenny Shepard** earned all-state honors and gives Potterville the front runners needed, but they could not put five runners under 100. That lack of five under 100 took them out of the team race last year and could be the problem again this year. **Ann Arbor Richard** will be an interesting team to watch. They finished fifth last year without a single all-state runner. They ran as well together as St. Francis through 6, but they started about 10 places further back. Richard lost their top runner from the '03 Finals. If they can move their group up they could well make a run for the championship.

Seventh place **Hudson** is another team that could be a real contender for the championship. They return three all-state runners, **Chelsey Berlin**, **Samantha Tennis** and Rachel Ham. They were the only D4 team with more than 2 all-state runners but 4 & 5 took them out of the race. They were not that bad and they both broke 100, but they were just too far back. **Ubyly/6th** and **Southfield Christian/8th** lost only one runner between them and have a couple of all-state runners to lead them. Ubyly as a matter of fact has one of the best 1-2 in the state returning as **Jackie Rivard** and **Kylee Kubacki** finished 3-4 over all. They had 4 additional runners break 100 so if three of them could close down on their all-state runners they become a serious contender for the championship.

This could well be the best team race of the day.

Laura Rolf/Lutheran Northwest did what no other defending champion was able to do at MIS in 2003, repeat. The senior will have a chance to pick up her third individual title this year. She ran away from the field last year, winning by almost half a minute. Runner-up Katie Olson graduated leaving the third and fourth place finishers from Ubyly, **Jackie Rivard** and **Kylee Kubacki**, her closest returning competitors. Laura has had someone to train with this summer and on her team this fall as sister **Katherine Rolf** finished 8th last year as a freshman. You need incentive to work, usually a sibling rivalry can do it. A total of 21 all-state, Top 30, runners return from '03 including one freshman who won the honor as an eighth grader last year. **Marissa Treece**, a sophomore from Glen Lake, won the 16 & 3200 at the D4 Finals last spring. She was not on Glen Lake's regional cc team last year but this year is going to run cc and could certainly add to the mix for the individual title. Most of the places at the D4 Girl's Track Final in the 16 & 32 were taken by underclassmen. This certainly points quality runners in the fall.

Returning All-State Runners: Laura Rolf-s/Rochester Hills Lutheran Northwest@, Jackie Rivard-s/Ubyly@, Kylee Kubacki-so/Ubyly, Rebecca Monroe-j/Big Rapids Crossroad Academy, Katherine Rolf-so/Rochester Hills Lutheran Northwest, LaTricia Rozeboom-j/Saugatuck@, Alexa Glencer-j/Ann Arbor Greenhills@, Audrey Dahlgren-j/Potterville@, Jenelle Keinath-s/Saginaw Valley Lutheran@, Lindsay Gordon-j/Pittsford, Megan Carter-so/Southfield Christian, Erica Jach-s/Bear Lake, Valerie Allen-j/Southfield Christian@, Cassie Niersel-s/Harbor Springs@, Kelcie Spruyt-Daniels-f/Grand Rapids North Hills Classical Academy*@, Angela Murphy-so/Beal City, Nicole Chamberlain-s/Litchfield*, Chelsey Berlin-j/Hudson, Jenny Shepard-9/Potterville, Stacey Leyder-j/Big Rapids Crossroads Academy, Samantha Tennis-so/Hudson, Rachel Ham-j/Hudson, Jena Brown-j/Traverse City St. Francis..... 6 seniors, 10 juniors, 6 sophomores, 1 freshman

CROSS COUNTRY INVITATIONAL RESULTS

VOL. XXIX No. 1

2004 invitationals - regional assignments - scouting reports

This begins the 2004 issues of **CROSS COUNTRY INVITATIONAL RESULTS**, our *scouting reports* issue. Questionnaires were sent to all teams that qualified for the 2003 State Finals, or were rated in the final **CCIR Poll**. Additionally, schools that qualified 3 or more individuals and a few other schools in each division were included. Thanks to all the schools that returned the information, without which this issue would have been hard to put together.

The season starts a week earlier, there are over 50 meets before Labor Day. We have decided to start **CCIR** earlier this year. This issue is usually not mailed until around Labor Day. Questionnaires were mailed at the end of the school year this year, instead of just before season started. As a result we did not get our usual response. With the early start of season and so many invitationals occurring by Labor Day we will add one issue to **CCIR** this season, there will be 11 issues this year. With these early meets and the additional issue we will try to begin the ranking a week earlier. The ranking will start with issue that is mailed on Sept. 14, if all goes well.

The white pages of this issue contain a list of the known invitationals for 2004, regional assignments. All invitationals are listed by date, using the corresponding date from the 2003 season, based on the week of season, unless otherwise notified. The **CCIR** issue they are scheduled to be included in is indicated. Many meets have a reserve, junior high and open run in addition to the varsity races. Following the name of the meet are the divisions of the teams that compete in the meet.

PLEASE NOTE: This year the State Finals rotates back a week, but the start of season did not. That means there is the extra week of season, but the number of Saturdays between Labor Day and the State Finals remains the same. If you know of any wrong dates or invitationals not listed, please forward that information.

Meet directors that are adding races and want the information published should drop **CCIR** a line. Junior high, reserve and freshmen invitationals are not listed. As **CCIR** gets information of these meets, it will be published. Most invitationals will take additional teams. If you are interested in a particular invitational, contact the meet director, listed in most cases. Brandywine High School hosts an invitational in October, the Saturday before regional. We would welcome additional teams.

Brandywine Invitational

Saturday October 23

Contact: Jim Murray

ABCD

varsity, reserve, junior high, open

Brandywine High School Niles MI 49120 (269) 683-4800

The best time to contact me at home (269) 684-4052. You can call that number if you want information on meets, ratings, or have information that you want to provide. If you want to call in results, the deadline is Tuesday AM. We hope to mail **CCIR** each Tuesday afternoon.

You can **FAX** or **email** meet results or information. We are having great results with the **FAX** and **email**. It makes things a lot easier. With mail being the way it is, results not mailed by Saturday may not arrive in time for the next issue. Grand Rapids Kalamazoo and Lansing are about the only Post Offices that will get the mail here the next day. If you are a meet manager please see that I get your results. When you attend meets, please remind the manager to send results. If you attend meets that do not send results in, please send them in. We send for results for all invitationals that are listed.

FAX RESULTS TO

(269) 687-8316

You can also email results.

email: jmurray1@nd.edu

Renewals are running a little slow this year. Early renewal makes it easier on us. This issue is being sent to all of the 2004 subscribers, even though you haven't renewed. If you haven't renewed, **do it today**.

IF YOU HAVE NOT RENEWED- DO IT TODAY----- THIS IS YOUR LAST ISSUE

2004 CROSS COUNTRY INVITATIONALS

The invitationals are listed by date, grouped by the issues of CCIR that results are scheduled to be published. The divisions of the teams competing in the meet are listed after the invitational. Many of the invitationals also have a junior high and/or open race. If there invitationals not listed an error in the date please send the information to CCIR.

2004 Boys & Girls Cross Country Regional Site Assignments

These are the MHSAA Regional Cross Country assignments for 2004. Teams that have changed division for 2004 are listed at the beginning of each division. Teams that changed regions this year have the 2003 region's number in parentheses following their name. Teams that were not listed in a cross country regional last year are designated as new. Following each regional's list is the number of teams in the region. The number of schools in each division is the number from the MHSAA Assignment Sheet. There are always some changes after the list is released as teams are added or deleted from cross country.

Discussion of the regional changes for each division precedes the each division's listing. A ranking of the regions in each division, based on the 2003 State Finals, as determined by adding the places of each region's three qualifying teams to get a score, is given.

Is a new trend in to offering, the "mega" region. Portage Northern is a site that will host a region for each division. The Carson City Crystal site is hosting a region for all but D1.

Division 1 145 Schools From Div 2: Grand Rapids Central, Oxford, Plymouth, Swartz Creek, Walled Lake Northern (5)
Moving to Div 2: Adrian, Benton Harbor, Forest Hills Central, Forest Hills Northern, Kimball, Lowell, Ypsilanti(7)

Six of the nine regions are at new sites. For the first time that I can remember, going back to the '70s, Kimball is not hosting a Class A/Div. 1 regional. At one time Kimball hosted two Class A/Div. 1 regions. Kimball will still host two regions, a D2 and D4 region. The D1 Kimball region is now at Clarkston. Clarkston had hosted R7 which is now at Holly. R4, at Salem last year, will be at Northville this year and R8 went from Romeo to Marysville for 2004. Portage Northern hosted R2 last year. This year it moved along with the southern part of R2 to R1 to replace Lowell as the host.

R's 1, 2, 3, 4, 6 and 7 had major changes in their teams. The five southern teams, Battle Creek and the two Kalamazoo and Portage schools, in R2 last year move to R1 as Portage Northern becomes the host. The R1 schools moving to different regions this year are Lowell that goes to back to D2, with East Kentwood, Ottawa Hills and Rockford become part of R2. Three R2 schools, Benton Harbor and the Forest Hills schools changed to D2. The four western schools in R7; Brighton, Hartland, Howell and Pinckney; move to R2. GR Central comes from D2, to fill out R2. With the move north for R7 to Holly, besides losing 4 team already mentioned, R7 loses Northville & Novi to R4 and to R6 Clarkston and Lake Orion. To make up for the lost teams R7 gains Farmington, Mercy and North Farmington from R6, Pontiac Central from R8 and two D2 teams, Oxford and Walled Lake Western.

R4 besides picking up the two teams from R7 adds Northwester/R9, Redford/R5 and from D2 Plymouth. R6 gained host Clarkston and Lake Orion from R7 and Lathrup and Southfield from R4. Besides the teams already mentioned R6 loses Kimball to D2. The remaining regional fields are almost unchanged. R3 sends Owosso to R2 and is replaced by Swartz Creek from D2 and. R5 swaps Saline for Redford with R4 and sends Adrian and Ypsilanti to D2. R8's only change other than the site and Clarkston is Pontiac Central. R9 swaps Detroit Northwestern for Cass Tech with R4.

What impact will the team shuffling in the regions have on the strength/competitiveness of each region? I am sure the teams in R1 will be glad to see the school that has dominated if for several years, Rockford move to another region. The teams being added, while not being the power house that Rockford was, will certainly add to the competitiveness of the field. R2 was competitive and Rockford will not do anything but ease the competitiveness. R7, using the finishes of its qualifying teams was clearly the toughest girl's region and about as strong with the boy's probably will be a little easier as 1 girl and two of the boy's teams that qualified last year are in different regions this year and the teams replacing them are not as strong. R4 will probably be a little stronger this year. The rest of the regions should remain about the same.

Ranking the Regions from '03: based on total places of the 3 teams out of each region: **Boys:** 1-R5- 14pts, 2-R7- 14pts, 3-R2- 29pts, 4-R1- 35pts, 5-R3- 47pts, 6-R8- 52pts, 7-R4- 58pts, 8-R6- 66pts, 9-R9- 71pts **Girls:** 1-R7- 11pts, 2-R3- 29pts, 3-R5- 28, 4-R11- 32pts, 5-R4- 42pts, 6-R6- 55pts, 7-R2- 59pts, 8-R9-61pts, 9-R8- 63pts

(16) **No. 9: Grosse Pointe South** Steve Zaranek, Mgr. Detroit- Cass Technical(4), Deny, Finney, Kettering, King, Murray-Wright, Northern, Osborn, Pershing, Southeastern, U of D Jesuit(b); Eastpointe-East Detroit, Fraser, Grosse Pointe North, South, Oak Park, Roseville. (17)

Division 2 145 Schools: From Div 1: Adrian, Benton Harbor, Forest Hills Central, Forest Hills Northern, Kimball, Lowell, Ypsilanti (7) From Div. 3: Corunna, Grosse Ile, Highland Park, Melvindale, Muskegon Heights(5)

To Div 1: Grand Rapids Central, Oxford, Plymouth, Swartz Creek, Walled Lake Northern (5) To Div. 3: Chesaning, Grant, Richmond, Whitehall (4)

much happened to the D2 Regions this year other than the usual number of changed sites and changing the assignment for a few schools. R10 moved from Dowagiac last year to Portage Northern to become part of a "mega" region. This site has one region from each of the 4 divisions. R13 moves from Sparta to Carson City where it becomes part of the other "mega" region, this site lacks only a D1 meet. R15 moves from Chippewa Hills to Gaylord, R16 from GP South to Clarkston and R17 is in Lowell this year, moving from Middleville.

d2 cont.....

R12, R13, R14 and R16 had the greatest movement of teams assigned to them in D2. R12 picked up Adrian and Ypsilanti from R5, D1 and Grosse Ile and Melvindale from D3, R25. It sent Annapolis and Det. Southwestern to R18 and Plymouth to D1. R13 picks up Forest Hills Central & Northern from R2, D1 and Muskegon Hgts. from D3, and St. Johns from R11. R13 loses Alma to R15 and two teams, Grant & Whitehall to D3. R14 picks up three teams from R16, Algonac, Marine City and St. Clair while losing two teams to D1, Oxford and Swartz Creek. It also loses Richmond to D3. To make up for the teams lost, R16 gains OL St Mary from R18, Highland Park from D3 and Warren Lincoln which was not listed last year. R18 besides losing St. Mary also loses Walled Lake Northern to D1. It gains Annapolis and Det Southwestern from R12 along with Kimball from D1. R15 swaps a team with D3, Corunna for Chesaning and gains Alma from R13. R10 gains Benton Harbor from D1 and sends Coldwater to R11. R11 sends St. Johns to R13. R17 swaps with D1, GR Central for Lowell.

What impact will the team shuffling in the regions have on the strength/competitiveness of each region, probably not much. Corunna, 7th D3 Boys last year, and a usually competitive team should make one of the most competitive D2 regions, R15, even more competitive. The same should probably be said of R14 with the addition of St Clair, runner-up last year in R16. The same could have been said for R16 with the addition of R18 Champion OL St May's but it just balances the loss of St Clair moves to R14, so things stay about the same.

Ranking the Region from '03- based on total places of the 3 teams out of each region: **Boys:** 1-R17- 23pts, 2t-R14 & R15- 33pts, 4-R34pts, 5-R11- 35pts, 6-R13- 41pts, 7-R10- 41pts, 8-R12- 61pts, 8-R12- 23pts, 61pts, 9-R18- 75pts **Girls:** 1t-R11 & R17- 14pts, 3-R15- 27pts, , 4-R12- 33pts, 5-R10- 41pts, 6t-R13 & R14- 56pts, , 8-R16- 61pts, , 9-R18-76pts.

Byron Center, Caledonia, East Grand Rapids, Grand Rapids-Catholic Central, Christian, Creston, South Christian, Hastings, Holland Christian, Hudsonville-Unity Christian, Lake Odessa-Lakewood, Lowell, Middleville-Thornapple Kellogg, Wayland Union, Wyoming Park, Wyoming Rogers. (16) **No. 18: Kimball** Pam Moore, Mgr Dearborn Heights-Annapolis(12), Detroit-Central, Chadsey, Renaissance, Southwestern(12); Farmington Hills-Harrison, Ferndale, Hamtramck, Harper Woods-Notre Dame(b), Regina(g); Hazel Park, Livonia-Ladywood(g), Madison Heights-Lamphere, Redford-Thurston, Royal Oak-Dondero, Kimball(6).(16)

Division 3 145 Schools From Div. 2: Chesaning, Grant, Richmond, Whitehall (4) From Div. 4: Ann Arbor Richard, East Jordan, Harbor Springs, Harper Woods (4) **new:** Ada Forest Hills Eastern, Detroit Consortium, Romulus Summit Academy (3) To Div. 2: Corunna, Grosse Ile, Highland Park, Melvindale, Muskegon Heights (5) To Div. 4: Grand Rapids Baptist, Hartford, Hesperia, Mancelonia, McBain, River Valley, Unionville-Sebewaing (7)

There are six new regional sites in D3 this year. R20 went from Bangor to be part of the "mega" region at Portage Northern, R22 Salem is now at Holly, with R23, Kelloggsville, moving to Lowell, R24 Hudson has the Stockbridge region. Since Grosse Ile is now D2 the region it hosted, 25, is now at Ann Arbor Huron and Bay City Western is hosting R27 that had been at Gladwin.

Most regions saw a change of 2 to three teams. R19 swapped two teams with D4, R28. East Jordan and Harbor Springs are now in D3 while Mancelonia and McBain are now D4. R20 sent Hartford and River Valley to D4 and gained Hopkins from R23 and Parchment from R24. R21 lost Hesperia to D4 gaining Chesaning from D2 and Portland from R24. R22 sent Corunna and Highland Park to D2 losing Henry Ford Academy and Det Media Communication & Media Arts to R25. It gained Harper Woods from D4 and Detroit Consortium is new to cross country. R25 besides adding the two schools from R23 picks up AA Richard and Ecorse from D4. They lost Grosse Ile and Melvindale to D2.

R23 gains Grant and Whitehall from D2 while losing Muskegon Hgts to D2 and GR Baptist to D4. R23 also lost Hopkins to R20. R24 swapped Portland for Lansing Catholic Central with R21 and sent Hopkins to R20. R26 gains Richmond from D2. Sebewaing goes to D4 and Montrose to R22 from R26. R27 has the same field as 2003.

The addition of D4 boy's champion Harbor Springs will certainly add to the competitiveness of R19. The same can be said for the girl's side of the meet as Springs was 10 in D4. Lansing Catholic girl's moving from R21 to R24 will take a little away from R21 and make what was arguably the toughest D3 region, R24, even tougher. The movement of the other teams around the regions in D3 should not have much affect on the regions.

Ranking the Region from '03: based on total places of the 3 teams out of each region: **Boys:** 1-R23- 24pts, 2-R27- 26, 3-R22- 31, 4-R21- 33, 5-R19- 37, 6-R24- 38pts, 7- R25- 54pts, 8-R20- 63pts, 9-R26- 72pts **Girls:** 1-R24- 12pts, 2-R22- 23pts, 3-R23- 29pts, 4-R19- 37pts, 5-R27- 41pts, 6-R21- 46pts, 7-R20- 56pts, 8-R25- 57pts, 9-R26- 77pts.

d3 cont.....

No.25: Ann Arbor Huron, William Blakemore, Mgr Ann Arbor-Richard(III-35), Blissfield, Clinton, Dearborn-Henry Ford Academy(22), Dearborn Hgts-Robichaud, Detroit-Communication Media Arts(23), Dundee, Ecorse(IV-35), Erie-Mason, Flat Rock, Ida, Manchester, Monroe-St Mary Catholic Central, Onsted, Riverview-Gabriel Richard, Romulus-Summit Academy(new)(16) **No. 26: Bad Axe** Paul Gandard, Mgr Armada, Bad Axe, Capac, Caro, Cass City, Elkton-Pigeon-Bay Port Laker, Flint-Beecher, Northwestern-Edison, Frankenmuth, Inlay City, Marlette, Millington, Reese, Richmond(II-14), Sandusky, Vassar (16) **No. 27: Auburn-Bay City Western** Jim Eurick, Mgr Beaverton, Carrollton, Clare, Essexville-Garber, Farwell(new), Freeland, Gladwin, Harrison, Midland-Bullock Creek, Oscoda, Pinconning, Saginaw-Nouvel, Swan Valley; Sanford-Meridian, Shepherd, Standish-Sterling, Tawas (17)

Division 4 146 Teams

From Div. 3: Baptist/Grand Rapids, Hartford, Hesperia, Mancelona, McBain, River Valley/Three Oaks, Unionville-Sebewaing (7) **new:** Cadillac-Heritage Christian, The International Academy of Flint (2) To Div. 3: East Jordan, Harbor Springs, Harper Woods, Richard/Ann Arbor (4)

D4 always seems to have a lot of movement with the teams assigned to each region because of the number of schools that may have cross country one year and then not the next or say they are going to and then do not field a team. Several schools in D4 that were listed in a region last year are not listed this year. That does not always mean they will not field a team as the same thing happened last year and they showed up in a result.

R30 is the only D4 region that remained at the same site, Carson City, yet that site even had some change as it is part of a "mega" region as it now hosting three divisions, not just two. Gaylord is hosting R28 rather than East Jordan. R29 moved from Mason County Eastern to Benzie Central. R31 moved from Bellvue to Grand Ledge. R32 moved from Harbor Beach to Bad Axe. The "mega" region at Portage Northern is now hosting R33 rather than Centreville. R34 Pittsford moved to Hudson. Grosse Ile picked up R35 from AA Richard. R36 is at Kimball this year, moving from Clarkston.

R28 swapped 2 schools with D3 sending East Jordan and Harbor Springs to R19 while gaining Mancelona and McBain from the same region. They also added Hale from R29. R29 lost two schools to R30, Crossroads Charter and Pentwater, while gaining Hesperia from D3. R30 also gained two schools from D3, Grand Rapids Baptist and Unionville-Sebewaing. R32 has only one change this year as Cardinal Mooney moved to R36. That gain of teams not listed last year are the only changes for R36.

R33 sends three teams to R34, Burr Oak, Colon and Mendon, gaining two teams from D3, Hartford and River Valley. Valley may well have the numbers to have remained in D3 but a neighboring school district Galien closed their high school and Valley probably picked up a good portion of their students. Besides gaining the three teams R34 loses Ottawa Lake-Whiteford to R35. R35 also picks up a new program Franklin Road Christian from R36 and sends Ecorse to D3. R31 other than moving to another site did not have any other changes listed.

Schools changing regions will have some impact on the relative strength of the regions. Harbor Springs going to D3 will open up R28. Both their boy's and girl's teams ran away with the region last year and probably would have done it again this year. R29, based on how qualifying teams finished at the Finals last year, was the strongest D4 region. The movement of Crossroads Academy from R29 to R30 will open things up a little, but it should still be one of the top D4 regions, while Crossroads will definitely be a factor in R30. River Valley's boys qualifies for Finals on a regular basis and even though they graduated several of the Finals team from last year they will probably have an impact in now that they are D4. The rest of the changes do not seem to significantly alter the regions.

Ranking the Region from '03: based on total places of the 3 teams out of each region: **Boys:** 1-R29- 18pts, 2-R31- 25pts, 3-R28- 26pts, 4- R33- 36pts, 5-R34- 44pts, 6- R35- 49pts, 7-R30- 57pts, 8-R36- 61pts, 9-R32- 62pts.....**Girls:** 1-R29- 13pts, , 2-R35- 23pts, 3- R34- 38pts, 4-R32- 39pts, 5-R31- 40pts, 6-R36- 43pts, 7-R30- 49pts, 8-R28- 57pts, 9-R33- 76pts,

Lower Peninsula Final: Nov. 3 Michigan International Speedway, Brooklyn MI

CROSS COUNTRY INVITATIONAL RESULTS

VOL. XXIX No. 2

for invitationals ending 9/4/04

Times have changed..... This is normally the time we mail the first issue of CROSS COUNTRY INVITATIONAL RESULTS (CCIR), this is our second issue. There are over 50 invitationals by Labor Day, enough for a complete issue by themselves, so here is the second issue of CCIR for '04, the first issue with invitational results.

Over the years we have been asked to do a pre-season poll and we have always resisted because so much can change between seasons. The addition of a new runner or two, or the fact that a runner or two decides not to run can greatly alter a team, we have always felt pre-season polls are not very accurate. We prefer to see the teams in actual competition first, so they earn their rankings. With all of the invitationals that are being held by Labor Day and then with the big round of invitationals this coming weekend we will start the rankings with the next issue of CCIR. This means the rankings will start a week earlier than they have in past years. As usual the top teams are fairly easy to pick up, it is the end of the top 10 and the "others" that is the problem. We again hope to have all three polls, Boys, Girls and the Superior 10. If there is a local news paper that would be interested in receiving the rankings send CCIR a name and FAX or email to send them to.

As is always, we depend on YOU to make CCIR possible. Each week we send for the results from all the invitationals we know of, over 200 for the entire season. If you sponsor an invitational, PLEASE get us the results as soon as possible. Results can be FAXED, emailed, posted on the web or mailed. We are getting most of the results now by FAX, email or web. Because results now arrive Sat, Sun and Mon we were able to start mailing CCIR on Tuesday afternoon rather than on Wednesday last year. We hope to continue mailing CCIR on Tuesday again this year. If you are at a meet that we do not have results for, please send them, even though they would be late. We will include the results in the next issue. When you go to meets please encourage/remind meet managers to send their results to us.

I messed up with the "Scouting Reports" issue. The Division 4 Girls had the same information on both sides of that page. The missing page from the Division 4 Girl's Scouting Reports is included in this issue. Sorry for the mess-up. I also realize that by putting the first issue out as early as we did some coaches that regularly return their questionnaires did not get them in this year. We plan on the earlier start of CCIR and the 11th issue continuing in the future.

FAX RESULTS TO

(269) 687-8316

You can also email results.

email: jmurray1@nd.edu

With the early start of CCIR some have not yet made their renewal.....If you haven't renewed, do it today.

CROSS COUNTRY INVITATIONAL RESULTS

VOL. XXIX No. 3

for invitationals ending 9/11/04

THE RATINGS::: This is the first set of ranking for the 2004 season. Coaches- the ranking are based on invitationals. Each week we send a letter to all of the week's invitationals requesting results. Points are awarded according to a teams finish in the invitational; 10 points for first, 9 for second and so on. Some invitational are weighted because of the large field and there is a minimum number of teams required.

The ratings are starting a week earlier than previous years. There are over 50 invitationals by Labor Day and season started a week earlier. With these two conditions we felt we could make a reasonable attempt at ranking the teams. As with the first ranking each year, it is hard to determine the top 10 without using information from the previous season. As season continues and everybody gets into competition things begin to shake out. The girl's panel did not feel they could begin the girl's rankings this week. They will start next week.

All of the ranking are based on a team's performance in invitationals. We need to make sure we receive all of the invitational results.

The numbers in parentheses indicates the first place coach's votes/first place in invitationals. The final number is the total number of points for the school, including coaches votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of seven. The coaches vote each week.

DIVISION 1

1. MILFORD(7/1)	104	6. Novi	50
ANN ARBOR HURON(4/4)	104	7. Grand Ledge	35
3. Pinckney(0/1)	76	8. Livonia Churchill	32

CROSS COUNTRY INVITATIONAL RESULTS

VOL. XXIX No. 4

for invitationals ending 9/18/04

RATINGS::: This is the second set of rankings for the 2004 season. The girls rankings have started with this ranking. We did not get a new set of rankings for the Superior 10, so last week's is repeated. Coaches- the rankings are based on invitationals. Each week we send a letter to all of the week's invitationals requesting results. Points in the boy's are awarded according to a team's finish in the invitational: 10 points for first, 9 for second and so on. Some invitationals are weighted because of the large field and there is a minimum number of teams required.

This issue of CCIR was mailed at 6:30 AM Wednesday. We are still hoping to get CCIR in the mail Tuesday afternoon. All of the ranking are based on a team's performance in invitationals. We need to make sure we receive all of the invitational results.

The numbers in parentheses indicates the first place coach's votes/first place in invitationals. The final number is the total number of points for the school, including coaches votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of seven. The coaches vote each week.

DIVISION 1

1. MILFORD(10/1)	125	6. Ann Arbor Pioneer(0/10)	78
2. Ann Arbor Huron(2/1)	117	7. Livonia Churchill	44

CROSS COUNTRY INVITATIONAL RESULTS

VOL. XXIX No. 5

for invitationals ending 9/25/04

THE RATINGS::: This is the third set of rankings for the 2004 season. Coaches- the rankings are based on invitationals. Each week we send a letter to all known invitationals that week, requesting results. Please remind meet managers to forward their results. If you do not see an invitational that you have competed in, please send the results. Points in the boy's are awarded according to a teams finish in the invitational: 10 points for first, 9 for second and so on. Some invitational are weighted because of the large field and there is a minimum number of teams required.

This issue of CCIR was mailed at 5:30 PM Tuesday. We hope to get CCIR in the mail Tuesday afternoon.

The numbers in parentheses indicates the first place coach's votes/first place in invitationals. The final number is the total number of points for the school, including coaches votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of seven. The coaches vote each week.

DIVISION 1

1. MILFORD(11/2)	139	6. Ann Arbor Pioneer(0/1)	89
2. Ann Arbor Huron(2/1)	123	7. Livonia Churchill(0/1)	58

GIRLS III: 1-Hesperia-40, 2-North Muskegon-72, 3-Mason County Eastern-88, 4-Ravenna-116, 5-Pentwater-133.

The following is from **Kevin Beehmer**, MITCA Second vice President and Chair of the **2004 MITCA CROSS COUNTRY CLINIC** You can contact Kevin at Ann Arbor Huron High or by email: behmer@aaps.k12.mi.us

Preparing up for the fall season, it seems hard to believe that the XC clinic is also right around the corner. This year's sessions are shaping up into a great theme of Michigan's best coaches! The 'theme' is **Celebrating Michigan's Running Success** and the bulk of the speakers will be successful high school coaches with the same conflicts, kids, schedules, materials and resources that we all have to deal with. The keynote speaker will be the 'Pride of Michigan' who prepares to speak on a variety of topics, culminating with a student directed session on Saturday afternoon!

The clinic will be held at the Grand Rapids Crowne Plaza! While the fall brochure mailing will be in the mail, help us in the meantime. The clinic committee is fishing for input or answers on a variety of clinic-related topics including the following:

1. What equipment do you think every XC coach should have?
2. What are your favorite workouts? Supply one(a few? many?) to help our beginning coaches build their workout kit!
3. Do you use any training games to enliven your workouts? If YES, describe them!
4. What topics would you like to see included in the clinic?
5. What topics would you like to see covered in a round table discussion?
6. Are you interested in participating in a clinic session? If YES, what subject?
7. Would you be willing to participate as a member of a round table panel commenting on audience questions?
8. Do you host an Invitational that has surplus meet shirts and would be willing to contribute 1 or 2 to the clinic for use as door prizes at the hospitality?

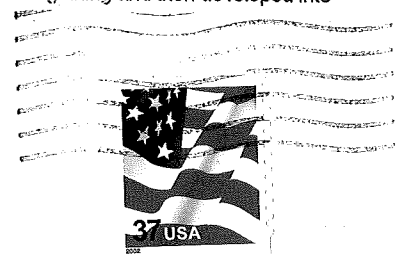

ALSO, we are interested in having an ongoing slide show of cross country runners in action. Please send any photos (action, team, candid, newspaper, etc) as well as any responses to the above questions back to me at this address.

BOB BLOOMER a long time member and past president of **MITCA** and one of the founders of **ATOM** passed away couple of week ago. Bob was one of the two **MITCA** members that were a major factors in my introduction to cross country & track & field. Chuck Sweeney, at Lansing Easter, helped us when we started cross country at out high school and allowed our track team to uses their facility. My junior year we changed from the Catholic League of Southern Michigan to the Capital Circuit. Bob Bloomer was the coach at Howell. His Howell teams were the class of the conference and certainly helped raise our program's standards to compete with Howell. I learned a lot competing against Bob's team and athletes. One of my first half mile races was against his kid that I believe won the state, was I blown out, the first time that had ever happened, I was usually competitive. Knowing that I would see the kid again in conference and regional led me to increase my effort and made me a better runner. He then moved on to Flint Northwestern and then eventually into officiating. As a coach Bob was a great help for this beginning and then developed into friend. Thanks Bob.....

CROSS COUNTRY INVITATIONAL RESULTS

VOL. XXIX No. 5

for invitationals ending 9/25/04

THE RATINGS::: This is the fourth set of rankings for the 2004 season. Coaches- the rankings are based on invitationals. Each week send a letter to all known invitationals that week, requesting results. Please remind meet managers to forward their results. If you do not send an invitational that you have competed in, please send the results. Points in the boy's are awarded according to a teams finish in the invitational: 10 points for first, 9 for second and so on. Some invitational are weighted because of the large field and there is a minimum number of teams required.

This issue of **CCIR** was mailed at 5:30 PM Tuesday. We hope to get **CCIR** in the mail Tuesday afternoon.

The numbers in parentheses indicates the first place coach's votes/first place in invitationals. The final number is the total number of points for the school, including coaches votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of seven. The coaches vote each week.

DIVISION 1

1. MILFORD(10/2)	128	6. Traverse City Central(0/2)	77
2. Ann Arbor Huron(2/2)	118	7. Temperance-Bedford(0/1)	65

CROSS COUNTRY INVITATIONAL RESULTS

VOL. XXIX No. 7

for invationals ending 10/9/04

THE RATINGS::: This is the fifth set of rankings for the 2004 season. Coaches- the rankings are based on invitationals. Each week we send a letter to all known invitationals that week, requesting results. Please remind meet managers to forward their results. If you do not see an invitational that you have competed in, please send the results. Points in the boy's are awarded according to a teams finish in the invitational: 10 points for first, 9 for second and so on. Some invitational are weighted because of the large field and there is a minimum number of teams required.

This issue of CCIR was mailed at 5:30 PM Tuesday. We hope to get CCIR in the mail each Tuesday afternoon. It is getting towards conference meet time. Send the results of your conference meet/standings. We will publish teams scores/standings and individual winner.

The numbers in parentheses indicates the first place coach's votes/first place in invitationals. The final number is the total number of points for the school, including coaches votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of seven. The coaches vote each week.

DIVISION 1

1. MILFORD(11/3)	151	6. Traverse City West(0/2)	79
2. Novi(0/2)	128	7. Traverse City Central(0/2)	69

CROSS COUNTRY INVITATIONAL RESULTS

VOL. XXIX No. 8

for invitationals ending 10/16/04

THE RATINGS::: This is the sixth set of rankings for the 2004 season. Coaches- the rankings are based on invitationals. Each week we send a letter to all known invitationals that week, requesting results. Please remind meet managers to forward their results. If you do not see an invitational that you have competed in, please send the results. Points in the boy's are awarded according to a teams finish in the invitational: 10 points for first, 9 for second and so on. Some invitationals are weighted because of the large field and there is a minimum number of teams required.

This issue of **CCIR** was mailed at 5:30 PM Tuesday. We hope to get **CCIR** in the mail each Tuesday afternoon. It is getting towards conference meet time. Send the results of your conference meet/standings. We will publish teams scores/standings and individual winner.

The numbers in parentheses indicates the first place coach's votes/first place in invitationals. The final number is the total number of points for the school, including coaches votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of seven. The coaches vote each week.

DIVISION 1

1. MILFORD(11/4)	149	6. Traverse City West(0/2)	78
2. Ann Arbor Pioneer(1/3)	139	7. Traverse City Central(0/2)	71

CROSS COUNTRY INVITATIONAL RESULTS

VOL. XXIX No. 10

regional results 2004

THE RATINGS::: This is the final voted set of rankings for the 2004 season. Saturday are the earned rankings. Coaches- the rankings based on invitationals. Each week we send a letter to all known invitationals that week, requesting results. Please remind meet managers forward their results. If you do not see an invitational that you have competed in, please send the results. Points in the boy's are awarded according to a teams finish in the invitational: 10 points for first, 9 for second and so on. Some invitational are weighted because of the large field and there is a minimum number of teams required.

This issue of **CCIR** will be mailed at the 5:50 PM Tuesday or 5:30AM Wednesday, not sure which we will make. **BTHANKS TO ALL THOSE THAT GOT REGIONAL RESULT TO US.** We had half of the result Saturday evening.

I ran out of time and was not able to make any comments on the D4 qualifiers. **GOOD LUCK TO ALL THOSE AT THE STATE FINALS**

The numbers in parentheses indicates the first place coach's votes/first place in invitationals. The final number is the total number of points for the school, including coaches votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of seven. The coaches vote each week.

DIVISION 1

1. MILFORD(6/4)	141	6. Traverse City Central(0/2)	73
NOVI(5/2)	141	7. Traverse City West(0/2)	72

COACHES:.....IF YOUR TEAM IS RANKED IN THE TOP 10 IN ANY DIVISION & YOU ARE A MEMBER OF MITCAAND YOU HAVE NOT FILLED OUT THE INFORMATION SO YOU CAN BE CONSIDERED FOR NOMINATION FOR COACH OF THE YEAR. DO IT NOW GO TO mitca.org AND COMPLETE THE INFORMATION

DIVISION 1: State Final Qualifiers 2004

D1 BOYS:.....: 27 Teams: 52 Individual Boys, 3 Individual Region Champions: 1, 5 and 7

The D1 cross country team championship will probably be a neighborhood brawl. Six of the top ranked teams probably lie within in a circle, v. a radius of 50 miles. Milford, Novi, Pioneer, Huron, Pinckney, Howell and Churchill are not far from the from I-94, I-96, I-275 intersections. These teams have had some meetings, but have also had to read about each other all season as they share many of the same media outlets. they were close together, but at the same time they ran in three different regions making it possible for all to advance to the Finals and settle the championship where it should be settled, at the finals.

Milford will be trying to repeat this year, while **Huron** will try to improve on their second place finish. Milford has set on the top of the rankings since the first week. Huron shared the top ranking with Milford the first week. **Pioneer**, **Pinckney** and **Novi** were 5th, 6th and 7th respectively last year and have been in the top five. **Churchill** and **Howell** were not in the team race last year. This may well be the best race of the day. Milford won the Midwest meet and topped Novi at the Oakland County Meet. Novi beat Pinckney at the Spartan Invitational and also won at Walled Lake. Pinckney won at Tortoise & Hare finishing behind Pioneer at Portage and losing to top ranked D2 Dexter at Richard. Those three played round robin in the KVA all finishing with a dual record of 6-1, with Novi winning the conference meet, Pinckney second and Milford third. Pioneer has won at Holly, Carson City and Oxford losing to an Ohio team at Portage. Howell ahs won at Haslett, losing to Pioneer at Holly and Williamston, D# number 1, at the Greater Lansing. Churchill has come on late in the season winning the Macomb county meet finishing behind Dexter and Pinckney at Richard. This will probably be the most competitive team race Saturday.

Justin Switzer/Waterford Kettering, 3rd in '03, leads a group of six returning individuals that finished in the top 20 at the D1 Finals in '03. Mark Moore/Novi- 10th, Amol Huprikar/Novi-13th, Riak Mabil/Grand Ledge-16th, John Black/Birmingham Br. Rice-17th and Ian Boyle/Pinckney. Rounding out the group of returning all-state runners in D1 are Jimmy Partridge/Sterling Hgts, Morten Stensones-Froms/Ann Arbor Pioneer, Nick Katsefares/Pinckney and Curtis Yollmar/Grand Blanc. All of these runners are seniors.

Switzer has labeled himself as the runner to beat. He had impressive wins at the West Bloomfield and Spartan Invitationals and other invitationals, besting **Black**, **Moore** and many other of the top D1 runners. His only loss was due to a disqualification at the Oakland Ccounty Meet. Chasing Switzer home were **Katsefares**, at Spartan, and **Black**, at West Bloomfield. Black was the winner at Oakland Cocounty when Switzer was DQ'd. Black also has had solid wins at the Detroit Catholic Central and Hanson's Invitationals. Moore has a pair of big meet thirds, Spartan and Oakland County, and should be in the race.

Mabil has won at Carson City and Greater Lansing to go with his 4th at Spartan. **Boyle**, while not winning a major invitational has a pair of seconds, Tortoise & Hare and Richard, with a third at Portage.

Runners that if not competing for the individual title certainly should be in the race for all-state. **Anderson**/Milford was thirs at the Midwest & Detroit Catholic Invites, with a 4th at Oakland County. **Daoud**/Ann Arbor Huron won at Bath, New Boston Huron, Haslett, with a 4th at Portage. **Pitcock**/Milford had a pair of seconds, Detroit Catholic and Oakland County, with at 5th at the Midwest meet.

There are several other runners that have impressive credentials and will be a factor Saturday. That is why we run the race.

D1 GIRLS:..... 27 Teams: 52 Individual Girls, 2 Individual Region Champions: 1 and 8

Clarkston seems to be the favorite, retaining their D1 Championship. They graduated only one runner from last year's championship team are replaced her with a champion from Ohio. They have been a solid number 1 since the polls started this year and should end the season that way. They had impressive wins at the Midwest, Spartan, Jackson and Oakland County meets. **Rockford, Saline, Traverse City Central and Okemos** seem to be the best bets to challenge Clarkston. Rockford lost to Clarkston at the Midwest and Spartan meets, but has won at Benzie, Bath, Carson City and Portage. Saline has won at Richard, losing to Clarkston at Jackson and Portage. Traverse City Central and Okemos have been in the thick of things all year and should be at MIS.

Twenty one of the top 30, all-state, runners from 2003 returned for the 2004 season. **Rachel Wittum/Rockford** won the individual title last year and had impressive wins at the Carson City and Portage Invitational. She will be hard pressed by **Jennifer Morgan/Clarkston**. Morgan is a transfer from Ohio, where she won one of the smaller class championships last year. Jennifer has four impressive invitational wins this year as she won at the Midwest, Spartan, Jackson and Oakland County meets.

The other twenty returning all-state runners have had a mixed year. Several have won more than one invitational, but do not have the quality wins of Wittum and Morgan. Several have not ran well this season. Additionally there is another 15 or so girls that have solid performance to their credit and will be pushing for the top 30. The D1 Girls Individual race may be the best race of the day with these two champions going at it and a competitive field after them.

REGIONAL 1 Portage Northern High at West Middle School Fred Smith, Meet Manager

DNF: Oak Park, Pershing, Detroit Finney, Detroit Cass Tech.

9 GIRLS QUALIFYING INDIVIDUALS: 13-Crystal Chandler-Detroit Martin Luther King-22:12, 15-DanielleCaverly-East Detroit-22:51 (2)

DIVISION 2:**State Final Qualifiers 2004****BOYS:.....: 27 Teams: 67 Individual boys, 2 Individual Region Champions: 17 and 18**

Dexter appears to be poised to pick up their third consecutive D2 Championship. They have sat on top of the polls all season and their running has justified it. Their only invitational loss this year was at the Midwest meet as the finished fourth to top ranked D1 Milford and a couple of top ranked Ohio teams. They had impressive wins at Holly, Chelsea, Portage and Richard. **Lahser, Fremont and Powers** all appear to be capable of making a run for the title. Lahser won at west Bloomfield and Jackson. Their losses at Spartan, Oakland and Oxford were to teams ranked in the top five in D1. Fremont lost to Dexter at Portage, with wins at Ludington, Fremont and Carson city. Powers lost to Lahser at West Bloomfield and Dexter at Holly. they won the Greater Flint and Richard meets.

Dexter's advantage seems to be the fact they have two individuals that could be running for the individual title. Lahser and Fremont each having one individual capable of making a run for the individual title. Only Powers, of this group, seems to be lacking a contender for the individual title.

Fifteen all-state runners from 2003 return, led by **Dan Roberts/Vicksburg**. Roberts, third in '03, seems to be the runner to beat. He had impressive wins at Holly & Portage, with additional wins at G Kzoo, Centreville and Otsego. He beat most of the top D2 runners at Holly & Portage. **Michael Quick/Lahser** won at West Bloomfield, Spartan and Jackson Invitationals and only lost to D1 runners in the Oakland County and Oxford meets. These two should have a very interesting run. this may be the best boy's race of the day. All fifteen of the returning all-state runners are seniors.

Riley Klingel/Fremont, Tony Nalli/Dexter, Jay Billsborrow/Coldwater, Lex Williams/Dexter, Jeff Steadfast/St. Clair should be able to make a race of it. Klingel was the individual champion in 2002, finishing 5th last year. He has won five invitationals losing to Roberts at Portage. Williams finished 4th at the Midwest Meet, winning at Chelsea & Richard and has lost twice to Roberts and once to Klingel. Billsborrow is the only one of this group that was not all-state last year. Nalli, second last year, while not having won an invitational this year has always been right there.

GIRLS:.....: 27 Teams: 57 Individual boys, 2 Individual Region Champions: 13 and 14

The D2 Girl's Finals looks to be a re-run of the 2003 Finals as the top 4 team in the 2003 meet are ranked as the top four this year, in the same order. Defending champion **East Grand Rapids** seems to be the team to beat. They had solid wins at Pioneer, Jackson, Carson City and Portage. They earned their number one ranking this year by beating their top competition, **Grand Rapids Christian, Battle Creek Lakeview** and **Monroe Jefferson** at invitationals during the course of the season. Last year's runner-up, Grand Rapids Christian, is number two in the polls this year. Christian has lost to East at a couple of invitationals, but they also handed East their only invitational loss at Sparta. Lakeview won their own invitational and the Fox & Hounds meet. Jefferson's only loss was to East at Carson city, where they beat both Christian and Lakeview. They won at Richard, Huron, Jefferson and Hudson. Jefferson's strength is they have two individual capable of winning the race.

D3 returns 23 all-state runners from the '03 State Finals led by defending champion **Laura Malnor/East Grand Rapids**. She finished 11th at the Great Midwest meet in Ohio, winning Spartan and a couple of smaller invites. She lost to 2003 runner-up **Laura Smeltzer/Monroe Jefferson**. Laura showed she will be a facto in the individual race with wins at Jefferson and Carson City and an impressive second at the Midwest meet. A couple more D2 All-state runners from '03 **Jessica Armstrong/Wayland, Alicia Hoffman/Jefferson** and D3 All-Stater from Boyne City, now running for Gaylord, **Theresann Zimmerman** have shown they will be in the hunt for the individual title. Armstrong won at Spartan and was third at Portage. Hoffman has beaten teammate Smeltzer at Richard and was with her at Jefferson and Carson city. Zimmerman was second at Spartan. Add to the mix **Molly Waterhousse/Vicksburg** who has solid wins at Holly and Portage to go along with wins at Greater Kzoo, Centreville and Otsego and you have a solid field in the D@ Individu8al race.

REGIONAL 10 Portage Northern High Fred Smith, Meet Manager

10 BOYS: 1.THREE RIVERS-83: 6-Martin-9-17:08, 7-Armstrong-10-17:11, 8-Lucas-11-17:12, 19-Heivilin-10-17:45, 43-Yarosz-12-18:22, (54-Detmar-10-18:37, 55-McCurdy-11-18:39). **2.RICHLAND GULL LAKE-88:** 2-Wilson-11-16:36, 18-Buck-10-17:44, 20-Nance-12-17:46, 23-Stefanski-12-17:51, 25-Dunyak-11-17:54, (32-Barts-11-18:03, 40-Greene-12-18:18). **3.VICKSBURG-102:** 1-Daniel Roberts-11-15:30, 10-Lash-11-17:15, 16-Reigle-11-17:34, 26-Wolthuis-11-17:54, 49-Kearns-9-18:29, (59-Cousins-10-18:44, 103-Hambright-9-22:24). **4.ST. DIVISION 3: State Final Qualifiers 2004

BOYS:.....: 27 Teams: 62 Individual boys, 3 Individual Region Champions: 20, 21 and 26

D3 Boys may be another race that is a re-run of the '03 final Meet. Defending champion West Catholic has slipped to three in the polls. They have looked like a champion winning at Sparta, Lowell, Allegan and Richard. their only loss was when they went up at Carson City and finished behind D2 power Fremont and D3 rival Williamston. Williamston, second in '03, moved to the top position in the polls after beating West Catholic at Carson City. They had another second at Jackson when they ran in D2, losing to another D2 power, Lahser. they won at Benzle, Bath, Spartan and Greater Lansing. Shepherd, third last year, has wins at Corunna, Holly, Portage and Shepherd. they have lost to both West and Williamston. Stockbridge, Harbor Springs and Allendale all have the potential to make this interesting for the top 3.

Eighteen all-state runners from 2003 return, the top two individuals graduated. Daniel Clark/Lumen Christi seems to be the runner to beat. He has won ABC, Holly, Haslett and Portage invitationals. He finished second at West Bloomfield to Quick/Lahser, one of the D2 favorites and was third at Jackson, again finishing behind Quick and also Bilsborrow/Coldwater, another D2 favorite. Adam Smith/Ovid-Elsie seems to have earned consideration with wins at Carson City, Corunna and Ovid-Elsie. Nathan Master/Beaverton, Paul Lange/Lainsburg and Zac Gallagher/Garber should also be in the thick of things.

GIRLS:.....: 27 Teams: 60 Individual girls, 2 Individual Region Champions: 22 and 27

The D3 Final Meet is setting up to be a re-run of the 2003 meet as the top three teams last year are the top 3 ranked teams this year. Defending champion Goodrich has clearly established themselves at the D3 team to beat. They had solid wins at Tortois & Hare and Bloomer. They probably could have won a couple other meets, but elected to run in D1. they finished second to Clarkston at Spartan and second to Rockford at Portage. They also finished fourth at the Midwest meet. They have been ranked number one all season and have earned it with their running.

division 3 girls cont.....

Runner-up **Hillsdale** is currently second in the polls. they had solid wins at KFC, Bath, Holly and Richard invitationals. They finished second to D2, top ranked, East Grand Rapids at Jackson. Third in the polls and third at MIS last year, **Lumen Chirsti** beat Hillsdale in winning at Portage a couple of week ago. They have wins West Bloomfield and Haslett. The race this year at D2 will probably be for the runner-up trophy.

The top seven individuals at MIS last year in D3 were all underclassmen and all have had solid seasons in '04. The only one from that group that will definitely not be in the race this year is **Thereseann Zimmerman** She ran for Boyne City and this year is at Gaylord in D2. Defending champion, **Jamime Watson**/Allendale has had impressive wins at Portage, Lowell and Carson City. She ran in a different race than the Goodrich girls, having a better time that all but Jones and their times were just seconds apart. **Megan Young**/Detroit Country Day, 5th in '03, beat Watson at Holly, but has been up and down this season. Third place in '03, **Erin Batt**/Hillsdale, finished behind both Young and Watson at Holly and Watson at Portage, but has had a solid year. Individual runner-up last year, **Kayla O'Mara**/Goodrich, has been upstaged by teammate **Jane Jones**, while temmate and sister **Kaitlin O'Mara** is not far behind.
