# 2022 MHSAA Track & Field Finals

**June 4**

## Welcome

**W**elcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That’s the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Congratulations for reaching the end of the tournament road. Good luck to all!

## Grass Lake's Boys and Girls Teams Claim First Titles Since '70s Behind Sprinting Siblings

It was quite a day for the Grass Lake track & field programs at the 2021 MHSAA Division 3 Finals in Jenison, as both the boys and girls earned hardware that hadn't adorned the school's trophy case since the 1970s.

The boys doubled up second-place Benzie for the first championship since Class C in 1970, while the girls had to share the crown with Pewamo-Westphalia, but nonetheless returned home with their first title since back-to-back Class D championships in 1977 and 1978.

P-W, meanwhile, also won in 2019 and earned a lengthy repeat after the 2020 season was canceled due to Covid-19.

The Warriors of Grass Lake rode historic sprint performances from the brother/sister team of **Brennan** and **Lexie Bargesser** (right).

Each won the 100, 200 and 400 meters to carry the load. Brennan anchored the 400 relay team which won, while Lexie anchored the 1,600 relay team that finished second to secure the share of the team title.

"This was a dream come true," Brennan said. "My sister and I have dreamed about this for years, and it was really cool for us as siblings to do this on the same day.

"We've been talking about it the whole day. Our big goal was to get The Mitten, and we needed everyone to do that."

While the boys could breathe easily as the meet went on, the Grass Lake girls were chasing P-W much of the day and caught them on the last event.

Lexie Bargesser notched a Division 3 record-time in the 400, clocking 55.54.

P-W kept logging points from its depth. Senior Sophie Thelen finished third in the 100, second in the 200, third in the pole vault and was on the 800 relay that finished fourth. Freshman Saige Martin had a big day, taking second in the 100 hurdles and third in the 300 hurdles.

In the end, Grass Lake coach Anthony Cole – who heads up both genders – had plenty to celebrate.

"It's been really fun having a couple of Bargessers on the team," Cole said of Brennan and Lexie. "But it's not just them. It's been the whole squad all season long. We've been peaking all season long. We've got senior kids who have bought into everything we've sold them. It's been real fun to watch."

Individually, Byron senior Sarah Marvin set a Lower Peninsula Division 3 mark in the discus at 160 feet even and set an all-Finals record in the shot put with a throw of 50 feet, 9½ inches.

## Marquette Doubles Up in the Upper Peninsula

The Marquette boys have been the track & field frontrunners in the Upper Peninsula all season. The girls have been just that for awhile.

Both finished the season that way in the Upper Peninsula Division 1 Finals at Kingsford as the boys avenged a 2019 second-place finish to Gladstone, while the girls took their ninth crown in the last 10 meets behind a stellar day from a rising sophomore.

The only thing hotter than Marquette was the unseasonable weather, as temperatures hovered in the low 90s with a heat index of 99, which is believed to be the hottest U.P. Finals on record.

The boys scorched their way to 140 points, followed by Gladstone with 93 points, and third-place Kingsford had 65.

"Hats off to Kingsford for putting on such a fine meet," said Marquette coach Kyle Detmers. "We had some good performances and our seniors were good leaders. Kam Karp had a great day, and the Vanderschaaf brothers going 1-2 in the 1,600 was huge. Cullen Papin nearly won the 800, and Owen Beauchamp, Truman Langlois and Tyranon Dahlin had nice performances."

Sophomore Colin Vanderschaaf took the 1,600-meter run in four minutes, 31.82 seconds, edging his twin brother Carson by nine hundredths of a second.

Carson Vanderschaaf then won the 3,200 (10:24.93), and Papin was clocked at 2:01.41 in the 800, just behind Escanaba senior Derek Douglas (2:00.68).

The girls were led by super soph Baux Truckey, who had a hand in four firsts to help Marquette retain their Division 1 track title with 120 points. They were followed by Sault Ste. Marie with 94 points and Menominee with 71.

Truckey anchored the 400-meter relay which set the UPD1 Finals record at 50.11 seconds, topping the previous best (51.22) by Gladstone in 2007.

She also anchored the 800 relay (1:47.14), won the 100 (12.79) and edged teammate Julia Ott on a lean in the 200 (26.58).

"Our handoffs went real well," said Truckey. "Going 1-2 in the 200 was fun, but the heat was a factor. It was a relief to get done today. We have a lot of competition in practice, which I think is very helpful."

Ott won high jump at five feet and was clocked in 13.1 and 26.6 in the 100 and 200, respectively.

Kali McDonough captured pole vault (10-1), and Olivia Moffitt added a first in the 3,200 (12:00.03).

Marquette's Baux Truckey had a hand in four firsts.

## Oak Park Girls Make it Three Straight LP Division 1 Titles

Nonah Waldron has run in all kinds of challenging conditions, but nothing like she faced at the 2021 MHSAA Division 1 Finals. The Oak Park sophomore pushed aside tough headwinds to win a pair of events and lead her team to its third title in a row.

Waldron said she's run in heat, freezing cold and soaking rain, but never has she met up with the strong winds that buffeted Falcons Stadium. The conditions didn't seem to detract from the results, however, as she swept to victories the 100 hurdles (13.72) and 300 hurdles (43.17). The 100 time was seventh-best in state history.

"I fought them the whole races," Waldron said of the wind. "It was more mental than physical. My mind was where it was supposed to be – focused and believing in myself. But it was harder, a challenge."

Waldron helped Oak Park to the team championship with 86 points. Detroit Renaissance was runner-up with 62 points, and Ann Arbor Huron third with 45.

Oak Park coach Brandon Jiles said his team has been eyeing the championship for months. 2020 was canceled due to Covid-19, but the 2021 win was Oak Park's sixth over the last seven seasons.

"Excellence is part of our tradition, and the kids work hard. We put a lot of work into this," he said. "We battled through adversity and made up for missing last year. We've been tough and resilient, and I think that improved our chances this year."

In Division 1 boys competition, a stirring effort in the meet's final race led to a tie for the crown between Rockford and Fenton. Seemingly out of the running for the team title, Rockford's 1,600 relay team – a foursome not even running in the event's fast heat – managed a third place in the final event to earn a tie with Fenton for first place in a wild meet.

Both teams finished with 34 points. Instead of finishing as low as third place in a meet where the top eight were separated by just 12 points, Rockford earned its first Finals crown in 12 years. Zeeland West finished third with 30 points, Ann Arbor Skyline had 28, Pinckney and Novi 25 and Dexter and Macomb Dakota 24.

Individually, Terrence Muex of Flint Carman-Ainsworth set an all-Divisions Finals record in the 400 meters in 46.52.

Double winner Nonah Waldron (far right) and Oak Park dominated both hurdles races.

## Around the Track

**LP Division 2:** The Frankenmuth boys track & field team knew it had a chance to win its first MHSAA Finals championship since 2011 – but only if everything went right. Not everything did – but plenty went better than planned as the Eagles won for the first time in Division 2, outpacing runner-up Flint Powers Catholic by 3¾ points to add a third championship to those won in Division 3 in 2005 and 2011.

Frankenmuth's power in relays paid off in the final event, as the Eagles finished second in the 1,600 relay to Yale, scoring eight points while Powers came in eighth to add only one point to its team total.

That runner-up finish matched another in the 800 relay, and Frankenmuth also won the 400 relay with senior Daniel Barger joining junior Ian Stephens and sophomores Sam Barger and Andrew Braman. Those four ran the 800 together as well.

On the girls side, after claiming the Division 2 cross country championship in the fall, with senior Emma Squires the individual race winner, the Northmen were bolstered by Squires again in winning their first Finals title on the track.

Squires won the 800 (2:14) and 1,600 (4:55.05), finished second in the 3,200 and anchored the winning 3,200 relay (9:27.33) at Zeeland, which added up to 38 of Petoskey's total 48 points. Parma Western was second with 29.

**LP Division 4:** For the first time in school history, the Carson City-Crystal Eagles boys track & field team claimed the title of MHSAA champion. Carson City-Crystal finished with 68.5 points, 10.5 more than the closest competitor.

Junior Zane Forist got the day started off on the right foot in the field events. He won the discus with a throw of 196-5, nearly 60 feet more than the second-place finisher. He also won the shot put with a hurl of 62-4, over 14 feet more than anybody else. Both were meet records.

The Mount Pleasant Sacred Heart girls team finished the day with 51 points, beating out Hillsdale Academy by six. Junior Nicole Olivieri came out on top in the 400 meters with a time of 57.47, a new personal record. In addition, she ran the anchor leg in the 800 and 1,600 relays. Sacred Heart won both events with times of 1:49.04 and 4:10.74, respectively, both setting school records.

**UP Division 2:** The Ishpeming boys came in as two-time reigning champs and had won five titles over six meets, but this time the Hematites and Norway shared the title with 95 points each. Third-place Iron Mountain had 85. For Norway, this was its first championship since 2004.

Norway junior Adam Cavaghetto won the 800-meter run in 2:05.06 and the 1,600 (4:38.59). Ishpeming's David Liimatta took the 400 (54.16) and placed second in the 800 (2:07.57) and 1,600 (4:41.42), and Silas Broberg was first in the 3,200 (10:50.91).

The race for the girls championship came down to the wire as West Iron County edged Ishpeming 108-104½ for its first title in eight years. The Wykons secured the decision by winning the 1,600-meter relay in 4:27.04. Ishpeming placed second at 4:39.92.

Jordan Shamion won both hurdles, anchored the 1,600 relay and took second in shot put.

**UP Division 3:** History was made as the Dollar Bay Blue Bolts were crowned boys champions for the first time with 67 points. Dollar Bay set school records while winning the 1,600-meter relay in 3:42.88 and 3,200 relay in 8:31.01.

Senior John Norland anchored the winning 3,200 relay and took the 400 (51.38) and 800 (2:07.1).

The Ontonagon girls track & field team earned its first Upper Peninsula Division 3 Finals title in five years with 73 points. They were followed by Rudyard with 64 and Stephenson with 54½.

Sophomore Lilly McIntyre won the 100-meter dash in a personal-best 13.7 seconds and classmate Makennah Uotila took long jump with a personal-best leap of 16 feet.

The Gladiators won the 800 relay in 1:55.25 seconds and the 1,600 relay (4:33.36).

Uotila added runner-up finishes in the 400 and 800 with personal-best times of 1:04.41 and 2:32.81, respectively.

# Title IX Turns 50, and Results Speak Volumes

To say that American female athletes dominated the recent Olympics in Tokyo would be an understatement. Among the 66 medals earned by American female Olympians – most by any country in the history of the Games – were gold-medal performances by the U.S. basketball, volleyball, water polo and beach volleyball teams. Eighteen medals were earned by the U.S. women swimmers, female track and field athletes claimed 15 medals, and the U.S. women’s softball and soccer teams won silver and bronze medals, respectively.

In the past 30 years of the Olympic Games, the United States has dominated the women’s team sports of basketball (nine golds), soccer (four golds, one silver, one bronze) and softball (three golds, two silvers) — not to mention the untold number of medals in track and field. And this past summer, the U.S. women’s volleyball team claimed its first gold medal.

These performances by some of our nation’s most skilled female athletes never would have been possible without the passage of Title IX and the offerings of these sports through our nation’s schools. With the chance to play afforded by the landmark Title IX legislation in 1972, girls participation in several high school sports skyrocketed in the years that followed.

When the NFHS conducted its first participation survey in 1971, basketball and outdoor track and field were the primary girls sports, comprising about two-thirds of the 294,000 total. However, with the opportunity to play additional sports, girls flocked to volleyball and softball first, along with cross country and eventually soccer.

Soccer, in fact, has had the most remarkable growth. In 1971, only 700 girls were playing high school soccer. Twenty-five years later, that number had climbed to almost 210,000; and as the 50th anniversary of Title IX approaches, there are now almost 400,000 girls playing high school soccer – a staggering 56,200 percentage increase in 50 years. Soccer now ranks fourth in popularity among girls high school sports – all because of that opportunity in 1972.

There are many other success stories, however. The pre-Title IX survey in 1971 indicated that 1,719 girls were participating in cross country. With increases every year until 2015, today, there are 219,345 girls competing in high school programs and the sport ranks sixth in popularity.

Although participation numbers have leveled a bit the past 10 years, fast-pitch softball is another sport that flourished after the passage of Title IX. With fewer than 10,000 participants in 1971, the numbers quickly rose to 220,000 by 1985 and 343,000 by 2000, and softball is currently fifth among girls sports with 362,038 participants.

Since track and field and basketball were the primary sports in the early days of girls sports programs, increases in those sports have not been as dramatic; however, they remain the first and third most-popular sports, respectively,

In the 50 years since the landmark Title IX legislation, girls around the nation have had plenty to celebrate.

today. Volleyball, however, much like soccer, continues its upward climb.

Without a doubt, volleyball has seen the steadiest increases among girls high school sports the past 50 years. After starting with 17,952 participants in 1971, the numbers jumped to 300,810 by 1990 and 409,332 by 2010 and 452,808 by 2018. During its climb, volleyball surpassed basketball as the No. 2 girls sport.

And among the top six girls sports from 2010 to 2018 (numbers are not available the past two years due to the pandemic), volleyball has gained the most participants (43,476), followed by soccer (32,549). And all of this has occurred thanks to legislation passed in 1972 that was not fundamentally meant to address opportunities for girls to participate in high school sports.

The NFHS is leading a yearlong celebration of the 50th anniversary of Title IX, which officially occurs on June 23, 2022. “Title IX at 50 – Celebrating and Growing Opportunities” is highlighting the law’s impact by celebrating the inspirational individuals and landmark moments in the history of Title IX, and continuing to grow the educational and competitive opportunities for the future.

The MHSAA is joining in the celebration with regular installments on its feature website, MHSAA SecondHalf. Join us in recognizing the key people who helped build and promote opportunities for female student-athletes in Michigan.

# Student Advisory Council Aids MHSAA

**E**ight student-athletes who are juniors at their schools during the 2021-22 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of Association championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2021-22 are: **Sam Gibson**, Plainwell; **Brady Leistra**, East Grand Rapids; **Caroline Li**, Okemos; **Sam Matias**, Lansing Catholic; **Zar'ria Mitchell**, Saginaw Heritage; **Carney Salo**, Escanaba; **Brandon Thompson**, Petersburg Summerfield; and **Keira Tolmie**, Clarkston.

Those eight new members were selected from 114 applicants. That applicant total was 40 percent more than the total number of applicants who generally apply for SAC positions every year.

Applications for the next SAC class can be found on MHSAA.com and are now being accepted through April 25.

The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 122 schools from 46 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 12 MHSAA sports, and five will be the first SAC members from their respective schools.

The Student Advisory Council generally meets seven times each school year, and once more for a 24-hour leadership camp. Last school year, due to COVID-19, the Council met nearly twice as many times, but virtually all but once when members met for an outdoor, socially-distanced session.

In addition to assisting in the promotion of the educational value of interscholastic

## 2021-22 Student Advisory Council

**First Row:** Brandon Thompson, Petersburg Summerfield; Carney Salo, Escanaba; Sam Matias, Lansing Catholic; Keira Tolmie, Clarkston; Sam Gibson, Plainwell; and Caroline Li, Okemos. **Second Row:** Faith Breinager, Frankenmuth; Amina Ferris, Dearborn; Ashton McNabb, Three Oaks River Valley; Brock Porter, Orchard Lake St. Mary's; Melik Williams, Ypsilanti Lincoln; Nico Johnson, Britton Deerfield; Brinlee Barry, Caledonia; and Brenna Kosal, Peck. **Not Pictured:** Brady Leistra, East Grand Rapids; and Zar'ria Mitchell, Saginaw Heritage.

## Student Advisory Council Belief Statement

*As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.*

*We believe **athletes** should be competitive, sportsmanlike and excel academically. We believe **students** in the stands should have fun, but not take the focus away from the game. We believe **coaches** should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that **parents** should always be positive role models and be supportive of their child's decisions. We believe **officials** commit their own time to high school sports and respect should always be shown and given to them.*

*The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.*

athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

The new additions to the SAC will join the Class of 2022 members who were selected a year ago: **Brinlee Barry**,

Caledonia; **Faith Breinager**, Frankenmuth; **Amina Ferris**, Dearborn; **Nico Johnson**, Britton Deerfield; **Brenna Kosal**, Peck; **Ashton McNabb**, Three Oaks River Valley; **Brock Porter**, Orchard Lake St. Mary's; and **Melik Williams**, Ypsilanti Lincoln.

# The MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, nonpublic schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

# DON'T BRING THE TEAM WITH YOU. DRIVE SOLO.

## **A teen driver's risk of dying in a crash increases with every teen passenger.**

Six out of 10 teen vehicle crashes are caused by distracted driving. And teen passengers are one of the biggest distractions. Passengers under the age of 21 are so distracting, in fact, that having just one in the car increases a teen driver's risk of dying in a crash by 44%, and driving with three or more passengers increases the risk by 300%.

Driving is not a team sport. Go it alone to make it home.
